("OLOL"), a Louisiana nonprofit corporation. LSU, DHH, the Division and OLOL are referred to together as the "Parties," and each, a "Party."

WITNESSETH:

WHEREAS, OLOL, LSU, the State and DHH are parties to that certain Cooperative Endeavor Agreement dated February 5, 2010 (the "CEA");

WHEREAS, LSU, through its public educational institutions and health providers, has long endeavored to create and maintain a system of medical education and training of the highest quality while also providing the highest quality of health care services to all Louisiana citizens;

WHEREAS, it is a collective goal of the Parties to enhance the stability and competitiveness of Louisiana's academic and training programs so that Louisiana is positioned to attract the most talented faculty, students, residents and other medical professionals;

WHEREAS, a highly competitive academic and training environment furthers the additional goal of the Parties to leverage the research capabilities of Louisiana's public and private educational institutions and health providers;

WHEREAS, sustainable partnerships among health providers and LSU and DHH are necessary to optimize the medical training resources available in Louisiana and to ensure that sufficient numbers of qualified healthcare professionals exist to address the current and future healthcare needs of Louisiana;

WHEREAS, Louisiana's healthcare reform effort has focused on ways to remodel the delivery of care through partnerships and cooperative efforts between the public and private sectors;

WHEREAS, EKLMC, currently owned and operated by LSU, is experiencing severe financial challenges;

WHEREAS, OLOL has extensive experience in nonprofit hospital operations and finances and is committed to supporting LSU's clinical, research and teaching missions in the communities served by EKLMC;

WHEREAS, to maintain the viability of the Existing Outpatient Facilities and the LSU Urgent Care Clinic (collectively the "LSU Clinics") and the services provided by EKLMC and the current range of patient care services and programs, including graduate medical education, the Parties desire that: (i) the LSU Facilities, including certain furniture, fixtures and equipment located therein, will be leased, or occupancy thereof will be otherwise granted, to OLOL; (ii)

certain untagged and untracked furniture and equipment valued at less than \$1,000 and consumables will be sold to OLOL, and (iii) the CEA be amended to reflect the lease of the LSU Clinics and related transactions (collectively, the "Transaction");

WHEREAS, among other things, the Transaction will afford OLOL the opportunity to acquire additional clinical facilities, access to a robust clinic infrastructure, create innovative health care delivery systems (such as a safety net accountable care organizations), and facilitate greater clinical integration, all of which will better serve its and the Baton Rouge community's patient population;

WHEREAS, OLOL is willing and desires to provide the financial resources and support, operational expertise, and other necessary resources and to take steps to ensure that the LSU Clinics, in collaboration with OLOL, continue to: (i) preserve the quality of medical education in Louisiana through medical training partnerships with LSU; and (ii) play a central role in providing healthcare services to the uninsured and high-risk Medicaid populations;

WHEREAS, the Parties recognize that the assumption of the management and operation of the LSU Clinics and the physical transition to and management and operation of the LSU Clinics by OLOL will include the commitment and the assumption of significant financial and operational investments by OLOL, including without limitation, working capital, transition costs, and funding or financing for certain improvements for the LSU Clinics, and OLOL desires to assure sustainable reimbursement levels commensurate with such investments;

WHEREAS, the Parties intend the Transaction and subsequent operation of the LSU Clinics by OLOL will reduce the need for State General Funds expenditures below those previously contemplated;

WHEREAS, pursuant to Section 16.10 of the CEA, the CEA may be amended by a written agreement executed by the Parties; and

WHEREAS, the Parties desire to amend the CEA to provide for the Transaction and to change the definition of GME Program Start Date to accelerate the transition contemplated by the CEA.

NOW, THEREFORE, for and in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Amendment of Recitals. The first recital of the CEA is amended by deleting it in its entirety and inserting the following in its place:

WHEREAS, OLOL is a nonprofit Louisiana corporation licensed as and operating a full service and accredited hospital with acute care beds, a multi-acre campus, the OLOL College, outpatient clinics (including the LSU Clinics after the GME Program Start Date), and other facilities located in Baton Rouge, Louisiana (collectively the "OLOL Campus"), and operating under the sponsorship of the Franciscan Missionaries of Our Lady;

2. Amendment of Exhibit 1. Sections (ddd) and (zzzzz) of Exhibit 1 of the CEA are hereby amended by deleting them in their entirety and the following substituted in their place:

(ddd) "GME Program Start Date" means April 15, 2013.

(zzzzz) "Residency Caps" has the meaning set forth in the recitals above and shall mean not less than 109.34 full time equivalency residency caps for Medicare IME and DGME reimbursement purposes at all times during the Term; provided, however, that if the merger of EKLMC into Medical Center of Louisiana ("MCLNO") as contemplated by Section 8.2 is not approved by CMS so as to preserve the Residency Caps previously associated with EKLMC, the minimum number of Residency Caps shall be the difference between (x) 109.34 and (y) the number of EKLMC slots redistributed to OLOL by CMS pursuant to Section 1886(h)(4)(H)(vi) of the Social Security Act, but not to exceed 42.13 slots.

3. Amendment of Section 1.2(c). Section 1.2(c) of the CEA is hereby amended by deleting it in its entirety and inserting "[Reserved]" in its place.

4. Amendment of Section 1.2(e). Section 1.2(e) is hereby amended by deleting "and financial performance" to read as follows: "(e) General oversight and assessment of the clinical quality of the Collaborative."

5. Amendment of Section 2.1(b) of the CEA. Section 2.1(b) of the CEA is amended by inserting "Except as agreed in writing by OLOL," at the beginning of the last sentence of Section 2.1(b).

6. Amendment of Section 2.1(d) of the CEA. Section 2.1(d) of the CEA is amended by inserting the following as a new Section 2.1(d):

(d) Caps for Residents Transitioned Prior to July 1, 2013. For all Residents and Fellows assigned or otherwise relocated from EKLMC to OLOL during the period from January 1, 2013 to June 30, 2013, LSU shall cause to be filed an amendment to the Medicare GME Affiliation Agreement formerly filed by EKLMC to assign a sufficient number of Residency Caps to OLOL to provide for IME and DGME reimbursement for such Residents and Fellows for such period.

7. Amendment of Section 3.3 of the CEA. Sections 3.3 of the CEA is amended by deleting it in its entirety and the following substituted in its place:

Section 3.3. LSU Outpatient Clinics.

(a) Lease and Operation of LSU Clinics. OLOL shall lease the LSU Clinics from LSU pursuant to immovable property lease and sublease agreements substantially in the form of Exhibits A-1(a), A-1(b) and A-1(c) to this Amendment (a "Clinic Lease"), an equipment lease agreement

substantially in the form of Exhibit A-2 to this Amendment (the "Equipment Lease"), and the CEA, as amended. Each Clinic Lease and the Equipment Lease will provide for a lease payment equal to fair market value as determined by an appraiser selected by OLOL and verified by an appraiser selected by LSU. During the term of the respective Clinic Lease, OLOL will provide or cause to be provided outpatient clinic services to patients at such location. If any Clinic Lease is terminated or expires by its terms prior to the termination or expiration of the Term of the CEA, OLOL shall continue to provide, or cause to be provided, substantially similar services through an alternate or successor facility intended to serve the patient population previously served at the facility under the applicable terminated or expired Clinic Lease in accordance with Section 3.3(c) below. With respect to the new urgent care center to be located in or adjacent to LSU's outpatient clinic on Airline Highway in the North Baton Rouge area (the "Urgent Care Clinic") and the Perkins Road surgical facility, the respective Clinic Lease shall commence once construction or renovation is completed and a final certificate of occupancy is issued for such location, if applicable, or if not the renovations and repairs have been completed to the reasonable satisfaction of OLOL.

(b) Completion of Construction. LSU will continue to completion with all reasonable diligence and speed the construction of the Urgent Care Clinic and renovations and repairs to the surgical facility located on Perkins Road.

(c) Continued Access to Clinic Services. The parties recognize the importance of continuing to maintain appropriate levels of services to the community, both for the continuum of care of patients and in training Residents and Fellows in the LSU GME Programs. Accordingly, the parties agree, subject to the terms and conditions of this Agreement, that OLOL will utilize the LSU Clinics or other appropriate facilities to provide outpatient clinical services for the Term of the CEA, provided that OLOL shall not be required to provide any service, take any action or fail to take any action that would result in a violation of or be inconsistent with the Ethical and Religious Directives.

8. Amendment of Section 4.1(d). Section 4.1(d) of the CEA is hereby amended by deleting it in its entirety and inserting "[Reserved]" in its place.

9. Amendment of Section 4.2(b) of the CEA. Sections 4.2(b) of the CEA is hereby amended by deleting it in its entirety and inserting "[Reserved]" in its place.

10. Amendment of Section 5.1 of the CEA. Section 5.1 of the CEA is amended by adding the following to the end of the existing text:

LSU shall cause the LSUHSC to enter into a professional services agreement with OLOL substantially in the form of Exhibit B to this Amendment.

11. Amendment of Section 8.2 of the CEA. Section 8.2 of the CEA is amended by deleting it in its entirety and the following substituted in its place:

Section 8.2. EKLMC Residency Caps.

(a) LSU shall take all action necessary to preserve at all times during the Term a number of Residency Caps equal to the Collaborative Residency Positions, and in all cases no less than 109.34 IME and DGME Residency Caps (unless reduced as provided in (b) below), all in accordance with CMS and ACGME requirements, and, subject to all Residency Review Committee ("RRC") requirements, cause such Residency Caps to be assigned to OLOL. The Parties anticipate the EKLMC license or provider number will be merged with the provider number of MCLNO, and will cooperate with each other and CMS, as well as any current or future third party operator of MCLNO, to facilitate the merger of the EKLMC provider number into MCLNO, including, without limitation, providing information as may be requested by CMS. LSU will (i) include OLOL in discussions with CMS on the requested merger approval, (ii) provide OLOL with documentation of approval or consent from CMS of such merger or other arrangement to preserve the Residency Caps, and (iii) provide OLOL with the acknowledgement and consent of any third party operating MCLNO or other LSU hospital that controls the Residency Caps, each in a form reasonably satisfactory to OLOL. If such merger is approved, LSU shall cause not less than 109.34 Residency Caps to be affiliated to OLOL, subject to RRC requirements, at all times during the term.

(b) In the event the merger of EKLMC into MCLNO is not approved by CMS, LSU shall: (i) cause the affiliation to OLOL of the number of Residency Caps equal to the difference between (x) 109.34 and (y) the number of EKLMC slots redistributed to OLOL by CMS pursuant to Section 1886(h)(4)(H)(vi) of the Social Security Act (the "Redistribution Rule"), but not to exceed 42.13 slots; (ii) use its best efforts to assist OLOL in the transfer of the EKLMC slots to OLOL pursuant to the Redistribution Rule, including, but not limited to: (A) ensuring that neither LSU nor any LSU Affiliate applies for any EKLMC slots; and (B) causing resident positions to be re-filled as residents graduate from the program for at least one cycle; and (iii) to the extent that the transferred slots are less than the total number of LSU residents training at OLOL, then LSU will arrange for MCLNO or some other provider to transfer slots through a Medicare GME Affiliation Agreement, as such term is defined in 42 C.F.R. 413.75(b). LSU shall take all action necessary to ensure that MCLNO and OLOL are a "Medicare GME affiliated group" as defined in 42 C.F.R. §413.75(b).

12. Addition of Section 9.7. The following is added as a new Section 9.7:

Section 9.7 Participation in Bayou Health. OLOL agrees to negotiate in good faith with all Bayou Health plans to establish reasonable terms with such plans, and if such terms are established will participate in such plans subject to the terms, conditions and rights of the parties for such plans. Satisfaction of the covenant in the prior sentence shall be deemed satisfaction of the requirements of Section 9.6. Notwithstanding the forgoing, (i) OLOL will not have to participate in any such plans to the extent the plan requirements are in violation of the Ethical and Religious Directives, and (ii) OLOL will not be considered in breach of this covenant if OLOL fails to participate in a plan because it terminates its participation in any such plan for cause as provided in the plan agreement or if OLOL determines in its reasonable discretion that such plan does not operate in a manner sufficient to allow OLOL to provide the patient care and quality level generally provided to OLOL's patients.

13. Amendment of Section 11.1(a). Section 11.1(a) of the CEA is amended by deleting it in its entirety and the following substituted in its place:

Section 11.1. Required Funding.

(a) Rulemaking. Subject to any approvals required by CMS, the State, through DHH, shall publish and promulgate a reimbursement rule which will provide that the State, through DHH, will pay to OLOL the costs identified on Schedule 11.1(a) incurred by OLOL on or after January 15, 2013, including any efficiency bonus due to OLOL as described on Exhibit 11.1-1, and subject to the limitations on certain clinic costs as described on Exhibit 11.1-1 (collectively the "Required Funding"). OLOL and DHH believe that costs will be acceptably captured in the future based on the use of Medicaid/Medicare Cost Report data and the other elements of the Cost Analysis Worksheets described below. Failure to publish and promulgate this rule, the amendment or repeal of this rule without the consent of OLOL, or the failure to pay amounts to OLOL pursuant to such rule will be grounds for termination of this Agreement as provided in Section 11.3. The methodology for determining the Required Funding shall be as set forth in subsection (b) below. If DHH, OLOL and LSU implement any coordinated care network or other managed care payment arrangement, such arrangement shall provide that OLOL will receive the Required Funding as described in this Agreement for the goods, services and actions provided by or through OLOL as part of such managed care payment arrangement.

14. Amendment of Section 11.2(a). Section 11.2(a) is amended by deleting it in its entirety and the following substituted in its place:

(a) Quarterly Payments. DHH shall make payments to OLOL based on the administrative rules described in Section 11.1. Medicaid per diem and other applicable payments pursuant to such rule shall be paid in accordance with DHH's normal payment procedure. The payment for the period from January 15, 2013 to the GME Program Start Date shall be made to OLOL within two (2) days of execution of the Amendment by all parties. DHH shall make all other supplemental payments, as shown on the Cost Analysis Worksheet, to OLOL on a prospective basis at the beginning of each quarter of the State's fiscal years during the portion of the Term in which OLOL is entitled to the Required Funding, with the first payment being made within two (2) days after the GME Program Start Date. The amount of such prospective supplemental payments for the first two (2) quarters of the first fiscal year of the State in which OLOL is entitled to payments under this Section will be determined based on a reasonable budget submitted to the State and LSU by OLOL for such year, and the remaining supplemental payments during the Term will be adjusted based on OLOL's cost experience for prior periods. DHH and OLOL shall establish a reasonable process for reconciling all costs and payments made pursuant to this Agreement and the repayment or offset of any differences resulting from such reconciliation and provide LSU a summary of such process.

15. Amendment of Section 13.1. Section 13.1 of the CEA is hereby amended by deleting subsections 13.1(a)(iv), 13.1(a)(xi), 13.1(b)(iii) and 13.1(b)(vii) in their entirety and inserting "[Reserved]" in their place, and deleting subsection 13.1(a)(ix) and replacing it with the following:

provides as follows:

WITNESSETH

WHEREAS, OLOL is a major teaching hospital committed to developing medical and clinical professionals in the State of Louisiana in order to improve access to healthcare in its

service area; and,

WHEREAS, LSU is a public constitutional corporation organized and existing under the laws of the State of Louisiana, and LSU's institutions, including its medical schools and hospitals, are under LSU's supervision and management pursuant to La. Const. Art. VIII, Section 7 and La. R.S. 17:3215; and,

WHEREAS, OLOL and LSU support building a new model for the relationship between a major teaching hospital and a school of medicine and its teaching programs, and that this new model will provide physicians and patients with a new environment of care that optimizes the use of all resources; and,

WHEREAS, LSU, OLOL, the Louisiana Department of Health and Hospitals and Division of Administration are parties to a Cooperative Endeavor Agreement dated February 5, 2010, as amended (the "CEA") through which LSU, OLOL, the Louisiana Department of Health and Hospitals and Division of Administration will collaborate to develop and maintain nationally recognized graduate medical education programs; and,

WHEREAS, this Lease is an integral aspect of the CEA and furthers the above stated goals; and,

WHEREAS, LSU and OLOL through their collaboration, desire to provide clinical experience in outpatient clinics operated by OLOL; and,

WHEREAS, Lessor is the owner of certain immovable property with all buildings and improvements thereon, including equipment which is built into the buildings, is permanently attached and is a part of the immovables, located at _____

(the "Leased Premises"), the legal description of which is attached hereto as Exhibit "A"; and,

WHEREAS, the Leased Premises consists of approximately _____ square feet of medical office, clinic space, and ambulatory surgical space, which will be leased by Lessor to Lessee for the purpose of operating outpatient clinics and other Permitted Use (defined herein); and,

WHEREAS, this Lease furthers the educational and public service missions of Lessor;

NOW, THEREFORE, in consideration of Lessor's obligation to lease the Leased Premises, the rent to be paid by Lessee during the term of this Lease, and the mutual benefits accruing to the parties under this Lease and the CEA, the parties do enter into this Lease, on the following terms and conditions:

**ARTICLE I.
LEASED PREMISES AND TERM**

For the consideration and upon the terms and conditions hereinafter expressed, Lessor leases the Leased Premises unto Lessee, here present and accepting the same, commencing on the Commencement Date (as defined below), for an initial term of five (5) years (the "Initial Term", and together with any Renewal Terms, the "Term"), unless otherwise terminated sooner in accordance with the terms and conditions set forth herein and in the CEA. Unless Lessee provides a written notice of non-renewal to Lessor at least sixty (60) days prior to the end of the then-current Term of the Lease, the Term of the Lease automatically shall extend for up to five (5) successive periods of one (1) year each (each, a "Renewal Term"), so that the maximum possible Term of the Lease shall be ten (10) years.

For the purposes of this Lease, the "Commencement Date" shall mean the 15th day of

April, 2013, unless mutually extended by the parties by written consent, which consent shall not be unreasonably withheld.

**ARTICLE II.
RENT**

Section 2.1 Quarterly Rent. During the Term, the annual consideration for this Lease is the payment by Lessee to Lessor of a sum equal to **[\$Fair Market Value as agreed to by the parties]**, payable in four (4) equal quarterly installments (the “Quarterly Rent”) of \$ _____ each, with the first installment being due and payable on the Commencement Date, and the remaining installments being due and payable, respectively on the 1st day of each quarter thereafter (so that Quarterly Rent payments will be due no later than each January 1, April 1, July 1 and October 1 during the Term). In the event the Commencement Date should be a date other than the first day of a calendar quarter, the first Quarterly Rent payment shall be prorated to the end of that calendar quarter. In the event that the last day of the Term is a day other than the last day of a quarter, the last Quarterly Rent payment shall be prorated from the first day of that final quarter of the Term to the last day of the Term. **[NOTE: WITH RESPECT TO NBR LOCATION, AS ADDITIONAL SQUARE FOOTAGE COMES ONLINE, THE QUARTERLY RENT WOULD GO UP ACCORDINGLY.]**

Section 2.2 Advance Rent. No later than twenty (20) days following execution of this Lease, Lessee shall pre-pay to Lessor a portion of the Rent as follows: Quarterly Rent in the total amount of \$ _____ shall be prepaid by Lessee, which payment represents the full value of the Quarterly Rent payments for one (1) year of the Term. The prepayment shall be considered a payment of the entire Quarterly Rent due during the fifth (5th) year of the Initial Term, without regard to any future adjustment of rent pursuant to the CPI Index. If this Lease terminates for any reason, other than a Lessee Event of Default, before the end of the period with

respect to which Lessee has prepaid Rent, then no later than six (6) months following the termination date, to the extent allowed by Law, and in consideration of State's obligations pursuant to the CEA to assist in preserving LSU's medical education programs, to provide health care to the community and to seek to reduce the financial burden on the State of providing this assistance, the Division and Lessor will refund to Lessee all prepaid Rent attributable to the period after the date of termination of this Lease up to the total amount that was prepaid, to the extent such refund is funded by the State in accordance with Section 15.12 hereof; provided, however any obligation of the State to fund, and the Division and Lessor to refund, prepaid Rent shall be reduced on a dollar-for-dollar basis to the extent any State, Division and/or Lessor funds are expended to improve the Leased Premises subsequent to the Commencement Date of this Lease.

Section 2.3 Additional Rent. In addition to the Advance Rent and Quarterly Rent, the Lessee shall also pay any and all other charges or payments which Lessee is or becomes obligated to pay pursuant to this Lease (the "Additional Rent"). (The Advance Rent, Quarterly Rent and Additional Rent may be referred to collectively herein as the "Rent"). Except as otherwise set forth herein, any Additional Rent owed to Lessor shall be due within thirty (30) days after receipt of the invoice, with reasonable description and itemization of the charge, from Lessor.

Section 2.4 Rent Payments. All Rent is payable by Lessee to Lessor at the following address, until notified differently in writing by Lessor: _____.

Section 2.5 Adjustments to Quarterly Rent Based on Consumer Price Index.

(a) The Quarterly Rent shall be increased annually, effective as of each anniversary of the Commencement Date (each, an "Adjustment Date") during the Term by an

amount equal to the product obtained by multiplying the then current Quarterly Rent times the CPI Fraction. (For purposes of determining the "CPI Fraction", the numerator shall be the CPI in effect as of thirty (30) days prior to the Adjustment Date, and the denominator shall be the CPI in effect as of the date which was one (1) year and thirty (30) days prior to the Adjustment Date.)

(b) In no event shall the CPI adjustment in the Quarterly Rent increase by an amount greater than five (5%) percent for any calendar year during the Term of the Lease. In no event shall the Quarterly Rent decrease.

(c) "CPI" shall mean the Consumer Price Index – U.S. City Average For All Items For All Urban Consumers (1982-1984 = 100) (the "Index"), published monthly in the "Monthly Labor Review" of the Bureau of Labor Statistics of the United States Department of Labor, or if the current Index is no longer available, then the current equivalent of the Index.

Section 2.6 Net Lease. This Lease is intended to be a net lease, meaning that except for any Rent abatement rights specifically set forth in this Lease, the Rent provided for herein shall be paid to Lessor without deduction for any expenses, charges, insurance, taxes or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by Lessee that as between Lessee and Lessor, Lessee shall bear responsibility for the payment of all costs and expenses associated with the management, operation, maintenance and capital renewal of the Leased Premises, including without limitation all costs and expenses described in Article VI hereof. Under no circumstances will Lessor be required to make any payment on Lessee's behalf or for Lessee's benefit under this Lease, or assume any monetary obligation of Lessee or with respect to the Leased Premises under this Lease.

ARTICLE III. USE

Section 3.1 Permitted Use. The Leased Premises shall be used and occupied by Lessee solely for medical business offices, medical staff offices, medical education staff offices, medical clinics, outpatient pharmacy operations or any other medical, educational or hospital use or uses (including, without limitation, surgical, research and laboratory facilities) together with any uses that are accessory to any of the foregoing (“Permitted Use”), and for no other purposes without the prior written consent of Lessor. Lessee will conduct its business on the Leased Premises in compliance with all federal, state, local and parish rules, laws, ordinances, and governmental regulations, orders, codes and decrees (herein “Law”) and in accordance with the provisions of the CEA.

**ARTICLE IV.
SUBLETTING AND ASSIGNMENT**

Section 4.1 No Assignment. Lessee may not, without the prior written consent of Lessor, assign, mortgage or otherwise encumber in whole or in part this Lease or any interest therein; provided, Lessee may, with prior written notice to Lessor, but without the consent of Lessor, assign its interest as Lessee under this Lease to a non-profit corporation, limited liability company, limited liability partnership, or other non-profit legal entity wholly owned or controlled by Lessee, or to any non-profit entity that is a successor by merger to the Lessee or that acquires Lessee or all or substantially all of the assets of Lessee, provided that such assignee assumes Lessee’s obligations hereunder by operation of Law or agrees to assume in writing Lessee's obligations hereunder without release of Lessee, all in form and substance approved in writing by Lessor.

Section 4.2 No Subletting. Lessee may not, without the prior written consent of Lessor, sublease all or any portion of the Leased Premises; provided, Lessee may, with prior written notice to Lessor, but without the consent of Lessor, sublease all or a portion of the

Leased Premises to a nonprofit corporation, limited liability company, limited liability partnership, or other nonprofit legal entity wholly owned or controlled by Lessee, or to any nonprofit entity that is a successor by merger to the Lessee or that acquires Lessee or all or substantially all of the assets of Lessee, provided that all such subleases shall be subject and subordinate to all of the terms and conditions of this Lease and the use of the Leased Premises permitted under any such sublease shall be in accordance with the applicable terms and conditions of this Lease, and further provided that such sublessee assumes Lessee's obligations hereunder by operation of Law or agrees to assume in writing Lessee's obligations hereunder, all in form and substance approved in writing by Lessor.

Section 4.3 Lessee Remains Liable. In no event shall any assignment or subletting of all or any portion of the Leased Premises release Lessee from any obligations under the Lease, unless such release shall be evidenced by Lessor's express written agreement at the time of the assignment or subletting, which agreement may be withheld in Lessor's sole discretion.

**ARTICLE V.
IMPROVEMENTS AND ALTERATIONS BY LESSEE**

Section 5.1 Lessee's Improvements and Alterations.

(a) Lessee shall not make any Major Alteration (defined herein) to the Leased Premises without the prior written approval of Lessor and Division, which shall not be unreasonably withheld or delayed. In connection with any requested Major Alteration, Lessee shall submit to Lessor and Division an explanation of the work proposed to be carried out, in a level of detail required by Lessor and Division in their reasonable discretion, and including plans and specifications therefor unless the requirement of such plans and specifications is waived in writing by Lessor and Division in their reasonable discretion. If neither Lessor nor Division has notified Lessee of Lessor's and Division's approval or denial of a request for consent to a Major

Alteration within thirty (30) days after receipt of such information as is necessary to describe the Major Alteration in reasonable detail, Lessor and Division shall be deemed to have approved the request.

(b) A "Major Alteration" is any alteration or other change to the Leased Premises: (i) which is structural in nature; (ii) which would materially change the Leased Premises exterior appearance or structure limit line, (iii) which would materially change or affect the electrical, mechanical, heating, ventilating and air conditioning or utilities systems or routing servicing of the Leased Premises, or (v) which is estimated in good faith to cost in excess of \$125,000.00. Unless otherwise specifically provided herein, all alterations and improvements to the Leased Premises, including, but not limited to, Major Alterations, (collectively, "Improvements") shall be performed by Lessee, at no cost or expense to Lessor. All Improvements shall be made in accordance with La. R.S. 17:3361, et seq. Such Improvements shall not reduce the then fair market value of the Leased Premises, and shall not adversely impact the structural integrity of the Leased Premises. Approval by Lessor and/or Division of any Major Alterations shall not constitute any warranty by Lessor or Division to Lessee of the adequacy of the design for Lessee's intended use of the Leased Premises. All work performed for or by Lessee shall be subject to and in accordance with all federal, state, parish and city building and/or fire department codes and ordinances. Any required alterations performed in connection with such Improvements to meet said codes and ordinances shall be performed by Lessee, at Lessee's expense. All work shall be performed for or by Lessee in a good and workmanlike manner, and Lessee shall prosecute the same to completion with reasonable diligence. Lessee shall complete all Improvements so as not to create any liens or encumbrances against the Leased Premises or Lessee's leasehold interest or any of Lessor's property, and

Lessee shall furnish: (i) a clear lien certificate for any Major Improvements to the Leased Premises; or (ii) any other evidence thereof with respect to any Improvements to the Leased Premises which are not Major Improvements.

(c) Before the commencement of any work in excess of One Million Dollars (\$1,000,000.00) for construction of Improvements, Lessee shall supply Lessor with appropriate Performance and Payment Bonds. These bonds are at Lessee's expense and shall be issued in a form satisfactory to Lessor and in such a manner as to protect the Lessor's interest in the Leased Premises. Any requirement of this Section 5.1(c) may be waived with the consent of Lessor and Division.

Section 5.2 Cost of Lessee's Improvements. Lessee shall be solely responsible for the costs of all Improvements to the Leased Premises undertaken by Lessee pursuant to Section 5.1. Following completion of the Improvements, Lessee shall provide to Lessor a lien waiver from Lessee's contractor covering the cost of work, materials and equipment supplied by the contractor and all subcontractors and materialmen. All Improvements made to the Leased Premises by Lessee shall become and remain the property of Lessor at the termination of the Lease without any cost to Lessor. Notwithstanding the foregoing, if Lessee performs a Major Alteration without obtaining Lessor's and Division's consent (or deemed consent as set forth above), in addition to any other remedy available for such violation, Lessor may, at its option, by written notice to Lessee require that Lessee remove the Major Alteration specified in such notice and return the Leased Premises to their condition prior to the unauthorized performance of the Major Alteration. If Lessee fails to remove such a Major Alteration and restore the Leased Premises to its original condition within sixty (60) days of the above-described written notice, or if such removal and restoration cannot be completed in sixty (60) days, and Lessee does not

commence such removal and restoration within sixty (60) days and perform the removal and restoration diligently to completion, Lessee shall promptly reimburse, as Additional Rent, the Lessor for any expense that Lessor incurs in performing such removal and restoration. Pursuant to an Equipment Lease between Lessor and Lessee of even date herewith, Lessor is leasing to Lessee certain equipment and other movable property located at the Leased Premises. Lessee shall pay the cost for any additional personal property, fixtures, equipment, furniture and other unattached items of personal property which Lessee may place in the Leased Premises including, but not limited to, counters, shelving, showcases, chairs and other unattached movable machinery, equipment and inventory (collectively, "Personal Property"), and the Personal Property shall be and remain the property of Lessee and may be removed by Lessee at any time or times prior to the expiration of the Term; provided, however, that Lessee shall repair any damage to the Leased Premises caused by such removal.

**ARTICLE VI.
OPERATION, MAINTENANCE, REPAIR, SECURITY AND OTHER SERVICES**

Section 6.1 Operation. Lessee shall be responsible to procure and maintain all services and equipment necessary or required for its use of the Leased Premises.

Section 6.2 Use. Lessee shall procure and maintain all licenses, permits and accreditation (if any) required for its use of the Leased Premises.

Section 6.3 Maintenance and Repair

(a) Lessee shall, at its sole cost and expense during the Term, maintain the Leased Premises, including all fixtures located therein, and make and perform all maintenance, repairs, restorations, and replacements to the Leased Premises, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, telephone, cable and other utility lines, plumbing, fire, sprinkler and security systems, computer service, air and water

pollution control and waste disposal facilities, roof, structural walls, sewer lines, including any septic tank and effluent disposal system that may be necessary, and foundations, fixtures, equipment, and appurtenances to the Leased Premises as and when needed to maintain them in as good a working condition and repair (ordinary wear and tear excepted) as existed as of the Commencement Date, regardless of whether such maintenance, repairs, restorations or replacements are ordinary or extraordinary, routine or major, foreseeable or unforeseeable, or are at the fault of Lessee, Lessor or some other party, and regardless of by whom such items were placed in the Leased Premises. All maintenance, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Leased Premises. If Lessee fails to commence such maintenance, repairs, restoration, or replacements, within 60 days of receipt of Lessor's notice that such maintenance repairs, restoration, or replacements are necessary (or within such longer period of time as may reasonably be required to commence such work), Lessor may (but shall not be obligated to) make or cause to be made such repairs, restoration, and replacements, at the expense of Lessee, and shall be entitled to collect the same from Lessee as Additional Rental due hereunder within 30 days of written demand by the Lessor.

(b) It is understood and agreed that Lessor shall have no obligation to incur any expense of any kind or character in connection with the maintenance, repair, restoration or replacement of the Leased Premises during the Term. Lessor shall not be required at any time to make any improvements, alterations, changes, additions, repairs or replacements of any nature whatsoever in or to the Leased Premises, or maintain the Leased Premises in any respect whatsoever, whether at the expense of Lessor, Lessee, or otherwise. **Notwithstanding the foregoing, Lessor and Lessee acknowledge that Division has contracted for and will**

complete, at Division's sole cost and expense, surgical core renovations and waterline damage repair to the Ambulatory Surgical facility [for Vista]. Notwithstanding the foregoing, Lessor and Lessee acknowledge that Division has contracted for and will complete, at Division's sole cost and expense, an addition to the North Baton Rouge Clinic [for Airline location] consisting of an Urgent Care Clinic.

(c) Lessee agrees that all Improvements to the Leased Premises constructed by the Lessee pursuant to this Lease shall comply with the requirements of Title 40, Part V, of the Louisiana Revised Statutes, "EQUAL ACCESS TO GOVERNMENTAL AND PUBLIC FACILITIES FOR PHYSICALLY HANDICAPPED," more specifically, sections La. R.S. 40:1731 through 40:1744, and any new or modified requirements imposed to make the Leased Premises accessible to persons with disabilities as would be applicable to LSU or to a state agency.

(d) Lessee further agrees to make, at its own expense, all changes and additions to the Leased Premises required by reason of any change in Law that occurs after the Commencement Date (subject to obtaining any Lessor approvals that may be required by this Lease), including the furnishing of required sanitary facilities and fire protection facilities, and Lessee shall furnish and maintain all fire extinguishers and other equipment or devices necessary to comply with the order of the Louisiana State Fire Marshal; provided however, that in the event of any Major Alterations to the Leased Premises, the written consent of the Lessor must be obtained prior to the commencement of any work in accordance with Section 5.1 hereof. Lessee shall further be responsible for all costs associated with any required periodic inspections and servicing of fire extinguishers and other safety equipment or devices, or any licenses or permits required by the State Fire Marshal's office. At no expense to Lessor, Lessee agrees to comply

with any order issued during the Term by the State Fire Marshal's Office within the timeframe mandated by that Office.

(e) Lessee accepts the Leased Premises in its "as is" condition, that being the condition or state in which the Leased Premises exist at the effective date of this Lease, without representation or warranty, express or implied, in fact or in Law, oral or written, by Lessor, except as set forth in Section 6.3(h) herein below. Lessor agrees to preserve all available warranties of workmanship related to the Leased Premises and agrees to exercise its rights with respect to all such warranties with reasonable diligence following receipt of written request from Lessee.

(f) Lessee further agrees to do at no expense to Lessor, painting of the exterior and interior as applicable and as necessary to maintain the Leased Premises in a neat, clean, safe, sanitary and habitable condition.

(g) Lessee shall have the sole responsibility of all maintenance and repairs to all equipment operational at the time of occupancy, to the extent needed for its use of the Leased Premises or to the extent necessary to preserve and protect the Leased Premises, including but not limited to boilers, elevators, HVAC, fire panels, lock and security systems and the Public Address System, and shall ensure that all such equipment is properly maintained in clean, safe, and continues in an operable condition. Lessee shall be responsible for all routine preventative maintenance and repairs on all such operational equipment, including but not limited to, the HVAC systems, provided, that any such routine preventative maintenance and repairs shall be performed in accordance with manufacturer recommended schedules and be performed by an authorized maintenance/repair contractor. Lessee shall be responsible for ensuring that all necessary certification is maintained on any and all such equipment and machinery, including,

but not limited to, certification required by the State Fire Marshal and the Department of Health and Hospitals.

(h) Furthermore, Lessee shall comply with the standard outlined in Exhibit "B" attached hereto. Lessee may propose alternative equivalent maintenance standards for approval by Lessor within forty-five (45) days of execution of this Lease. Lessor, to the best of its knowledge and belief, has maintained the Leased Premises in accordance with the standards set forth on Exhibit "B" hereto.

Section 6.4 Security and Other Services. Lessee shall provide or cause to be provided all security service, custodial service, janitorial service, medical waste disposal, trash disposal, pest control services and all other services necessary for the proper upkeep and maintenance of the Leased Premises. Lessee acknowledges that Lessor has made no representation or warranty with respect to systems and/or procedures for the security of the Leased Premises; any persons occupying, using or entering the Leased Premises; or any equipment, finishing, or contents of the Leased Premises. It is the sole responsibility of Lessee to provide for the security of persons on or entering the Leased Premises and/or property located at the Leased Premises, in accordance with reasonable and prudent business practices utilized for similar facilities.

ARTICLE VII. UTILITIES

Lessee shall arrange and pay for the furnishing of all utilities which are used or consumed in or upon or in connection with the Leased Premises during the Term, including without limitation water, gas, electricity, medical gases, sewerage, garbage, or trash removal, light, heat, cable, internet and telephone, power, and other utilities necessary for the operation of the Leased Premises ("Utility Service"), and all Utility Service shall be obtained in or transferred to Lessee's

name as of the Commencement Date through the end of the Term. Such payments shall be made by Lessee directly to the respective utility companies furnishing such Utility Services under such contract or contracts therefor as Lessee may make. Lessor shall have no responsibility to Lessee for the quality or availability of Utility Service to the Leased Premises, or for the cost to procure Utility Service. Lessor shall not be in default under this Lease or be liable to Lessee or any other person for any direct, indirect or consequential damage, or otherwise, for any failure in supply of any Utility Service by the provider of any Utility Service of heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity. All future telephone lines which are an addition to those already present shall be installed at the expense of the Lessee. Lessee shall be responsible for providing entrance cable and facilities into the building(s) to the extent not in place as of the Commencement Date to accommodate the telephone, computer and other electronic needs of the Leased Premises. Conduits of sufficient size to meet future or additional installation requirements of Lessee will be provided by Lessee.

ARTICLE VIII. INSURANCE

Section 8.1 Lessee Responsibility for Insurance Coverage. Lessee shall secure and maintain or cause to be secured and maintained at its sole cost and expense:

(i) Special form (formerly known as “all risk”) property insurance, which insurance shall be in an amount not less than one hundred percent (100%) of the full replacement cost of the buildings and improvements on the Leased Premises, without deduction for depreciation.

(ii) A policy of commercial general liability insurance with respect to the Leased Premises and Lessee’s operations related thereto, whether conducted on or off the Leased Premises, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$5,000,000 combined single limit per occurrence. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability and water damage legal liability.

(iii) A policy of motor vehicle liability insurance for all owned and

non-owned vehicles, including rented or leased vehicles with coverage of not less than \$5,000,000 combined single limit per occurrence.

(iv) With respect to work to construct Improvements undertaken by Lessee on the Leased Premises, a policy protecting Lessor against damage caused by demolition, pile or any precarious work, which requirement may be satisfied, at Lessee's option, as a part of a Builder's Risk policy provided by the contractor for a particular construction project.

(v) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus now or hereafter installed on the Leased Premises, in an amount not less than \$5,000,000 with deductible provisions reasonably acceptable to Lessor.

(vi) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State of Louisiana, or any act hereafter enacted as an amendment thereto or in lieu thereof, sufficient to cover all persons employed by Lessee in connection with its use of the Leased Premises.

(vii) Pursuant to the provisions of La. R.S. 40:1299.39, et seq., medical malpractice liability insurance insuring claims arising out of malpractice or negligence occurring at or related to the Leased Premises in an amount not less than \$1,000,000; provided, however, the coverage will be increased to limits reasonably acceptable to Lessor and Lessee if Louisiana law limiting the amount of such Claims is repealed or amended to raise the limits on such Claims.

Section 8.2 Additional Requirements.

(a) All insurance required in this Section and all renewals of such insurance shall be issued by companies authorized to transact business in the State of Louisiana, and rated at least A- Class VIII by Best's Insurance Reports or as approved by Lessor (such approval not to be unreasonably withheld or delayed). All insurance policies provided by Lessee shall expressly provide that the policies shall not be canceled or materially altered without 30 days' prior written notice to Lessor. Lessee may satisfy its obligation under this Section by appropriate endorsements of its blanket or excess insurance policies.

(b) All policies of liability insurance Lessee maintains according to this Lease will name Lessor, its board members, officers, employees and agents, and such other persons or firms as Lessor reasonably specifies from time to time as additional insureds ("LSU Insured

Parties”), and Lessor shall also be named as a loss payee on any property damage insurance.

(c) Lessor reserves the right to reasonably request copies of original policies (together with copies of the endorsements naming Lessor, and any others reasonably specified by Lessor, as additional insureds). Certificates of insurance and the declaration page for each policy shall be delivered to Lessor upon occupancy of the Leased Premises and, if requested by Lessor, from time to time at least 30 days prior to the expiration of the term of each policy. All insurance required hereby shall provide that any failure of Lessee to comply with reporting requirement of a policy required hereby shall not affect coverage provided to the LSU Insured Parties.

(d) All liability policies maintained by Lessee pursuant to this Lease shall be written as primary policies, not contributing with and not in excess of coverage that Lessor may carry, if any.

(e) All insurance required hereby shall provide that the insurance companies issuing such required policies shall have no recourse against LSU for payment of premiums or for assessments under any form of the policies.

(f) The coverage required hereunder shall contain no special limitations on the scope of protection afforded to the LSU Insured Parties.

(g) All insurance required hereunder shall be occurrence coverage. Claims-made policies are not allowed.

(h) Any deductibles or self-insured retentions must be declared to Lessor. Lessee shall be responsible for deductibles and self-insured retentions.

Section 8.3 Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Leased Premises due to any damage or destruction

thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion, terrorist attack or otherwise (collectively "Casualty"); or by the taking of all or any portion of the Leased Premises by condemnation, expropriation, or eminent domain proceedings (collectively "Expropriation") is expressly assumed by Lessee. None of the forgoing events shall entitle Lessee to any abatements, set-offs or counter claims with respect to payment of its Rent, or any other obligation hereunder, except as specifically set forth below. Notwithstanding anything else in this Lease to the contrary, Lessor is not obligated to restore, replace or repair any damage to the Leased Premises or to Lessee's fixtures, furniture, equipment or other personal property or make any alterations, additions, or improvements to the Leased Premises caused as a result of a Casualty.

Section 8.4 Restoration Obligations. If all or any portion of the Leased Premises is damaged or destroyed by a Casualty, Lessee shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof, at Lessee's sole cost and expense. Lessee may opt to demolish the damaged or destroyed buildings and construct new replacement buildings or other improvements under the procedures described above in Article V, and in accordance with La. R.S. 38:2212.2; provided, however, that Lessee shall obtain approval of the Lessor prior to demolishing any building that existed on the Leased Premises when the Lease commenced. Lessor shall not unreasonably withhold its consent to the demolition. Notwithstanding the foregoing, in the event of a Casualty that results in a loss in excess of fifty (50%) percent of the replacement value of the Leased Premises and that has a material, adverse impact on Lessee's ability to operate the Leased Premises for the Permitted Use, Lessee may elect to terminate this Lease by providing written notice of such termination to Lessor no later than ninety (90) days following such Casualty, in which event Lessee shall have

no obligation to restore or demolish the Leased Premises, but Lessor shall be entitled to receipt of the proceeds of Lessee's property insurance coverage payable as a result of such Casualty; provided, however, if this Lease is terminated or expires by its terms prior to the termination or expiration of the term of the CEA, Lessee shall continue to provide, or cause to be provided, substantially similar services as Lessee had provided in the Leased Premises in accordance with the specific requirements set forth in the CEA.

In the event Lessee is unable to repair, restore or replace the Leased Premises for any reason, all insurance proceeds received or payable as a result of such Casualty shall be paid to Lessor and shall be retained by Lessor.

Section 8.5 Compensation Award. If the entire Leased Premises shall be taken by Expropriation, this Lease shall terminate as of the date of such taking, in which event, Lessor shall retain all compensation awarded or paid upon any such taking of the Leased Premises. If any part of the Leased Premises shall be taken by Expropriation, rendering the remaining portion unsuitable for the business of Lessee, Lessee shall have the option to terminate the Lease. If the Lease is not terminated as provided in this Section 8.5, then the Rent shall be abated for the balance of the Term remaining in proportion to the portion of the Leased Premises so taken, unless Lessor, at its sole option, restores the remaining portion of the Leased Premises to a complete architectural unit of substantially like quality and character as existed prior to such taking or conveyance. Notwithstanding anything to the contrary contained herein, all compensation awarded or paid upon a total or partial taking of the Leased Premises shall belong to and be the property of Lessor without any participation by Lessee, except that Lessee shall have the right to receive and shall be paid a portion of the award to the extent of the unamortized cost of Lessee's leasehold improvements. Lessee shall provide all evidence and documentation

to support such allocation at its sole cost and expense. If a separate award can be made to Lessee, Lessee shall have the right to enter a separate claim against the condemning authority, in which event Lessee shall not participate in Lessor's award.

**ARTICLE IX.
HAZARDOUS MATERIALS**

Section 9.1 Hazardous Materials.

(a) Subsequent to the effective date of this Lease, Lessee shall not allow, cause or permit any Hazardous Materials (as defined below) to be generated, maintained, processed, produced, manufactured, used, treated, released, stored, but not including materials existing in or about the Leased Premises prior to the effective date hereof, or disposed of in or about the Leased Premises by Lessee or its officers, directors, employees, agents, invitees or sub-lessees, other than those Hazardous Materials usually and customarily used for the Permitted Use, as long as such materials are lawfully stored and used by Lessee and the quantity of such materials does not equal or exceed a "reportable quantity" as defined in 40 CFR §§ 302 and 305, and as may be amended, and so long as such Hazardous Materials are generated, maintained, processed, produced, manufactured, used, treated, released, stored or remediated or disposed of in compliance with all Laws applicable thereto. In no event shall Lessee cause the deposit, release, or discharge of any Hazardous Materials to the soil or groundwater of the Leased Premises in violation of applicable Law subsequent to the effective date of this Lease.

(b) In the event that Lessee causes any violation of applicable Law with regard to Hazardous Materials at the Leased Premises, Lessor shall have the right to reasonably require that Lessee engage, at Lessee's expense, a contractor to remediate or dispose of, in accordance with Law, all Hazardous Materials used, stored, generated or disposed of on the Leased Premises subsequent to the effective date hereof. For purposes of this Lease, 'Hazardous

Material' means and includes any hazardous substance or any pollutant or contaminant defined as such in (or for purposes of) the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, any so-called "Superfund" or "Superlien" law, the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., or any other Law regulating, relating to, or imposing liability or standards of conduct concerning, any hazardous, toxic or dangerous waste, substance or material, as may now or at any time in the future be in effect, or any other hazardous, toxic or dangerous, waste, substance or material.

(c) Lessee shall promptly notify Lessor in writing, if Lessee has or acquires notice or knowledge that any Hazardous Material has been or is threatened to be released, discharged, disposed of, transported, or stored on, in, under, or from the Leased Premises in violation of the Law during the Term. Lessee shall promptly notify Lessor, and provide copies following receipt of all written complaints, claims, citations, demands, inquiries, or notices relating to the violation or alleged violation at the Leased Premises during the Term of any Laws pertaining to Hazardous Materials. Lessee shall promptly deliver to Lessor copies of all notices, reports, correspondence and submissions made by Lessee to the United States Environmental Protection Agency (EPA), the United States Occupational Safety and Health Administration (OSHA), the Louisiana Department of Environmental Quality (DEQ), the Louisiana Department of Health and Hospitals (DHH), or any other Governmental Authority concerning the violation or alleged violation at the Leased Premises during the Term of any Laws pertaining to Hazardous Materials.

(d) Lessee agrees to indemnify, defend (with counsel reasonably acceptable to Lessor at Lessee's sole cost) and hold Lessor, its employees, contractors, and agents harmless from and against all environmental liabilities and costs, liabilities and obligations, penalties,

claims, litigation, demands, defenses, costs, judgments, suits, proceedings, damages (including consequential damages; however, Lessee shall not indemnify for consequential damages on claims brought by Lessor, or Lessor's employees), disbursements or expenses of any kind (including attorneys' and experts' fees and fees and expenses incurred in investigating, defending, or prosecuting any litigation, claim, or proceeding) that may at any time be imposed upon, incurred by or asserted or awarded against Lessor or any of them in connection with or arising from or out of Lessee's violation of any of its obligations set forth in Section 9.1(a) above.

(e) Lessee agrees to indemnify, defend (with counsel reasonably acceptable to Division at Lessee's sole cost) and hold Division and their employees, contractors, and agents harmless from and against all environmental liabilities and costs, liabilities and obligations, penalties, claims, litigation, demands, defenses, costs, judgments, suits, proceedings, damages (including consequential damages; however, Lessee shall not indemnify for consequential damages on claims brought by Division or Division's employees), disbursements or expenses of any kind (including attorneys' and experts' fees and fees and expenses incurred in investigating, defending, or prosecuting any litigation, claim, or proceeding) that may at any time be imposed upon, incurred by or asserted or awarded against Division or any of them in connection with or arising from or out of Lessee's violation of any of its obligations set forth in Section 9.1(a) above.

(f) Nothing herein shall require Lessee to indemnify, defend and hold harmless the Lessor, its employees, contractors or agents for any environmental liability arising from any Hazardous Materials which were present on the Leased Premises prior to the execution of this Lease.

(g) The provisions of this Section will survive the expiration or earlier termination of this Lease for a period of five (5) years.

**ARTICLE X.
INDEMNIFICATION**

Section 10.1 Lessee's Indemnification to Lessor. Lessee shall indemnify, defend and hold harmless Lessor and its board members, officers and employees, together with any of their respective successors and assigns (collectively, the "**Lessor Indemnitees**"), against any and all loss, cost, damage, liability or expense as incurred (including but not limited to actual attorneys' fees and legal costs) arising out of or related to any claim, suit or judgment brought by or in favor of any person or persons for damage, loss or expense due to, but not limited to, bodily injury, including death, or property damage sustained by such person or persons which arises out of, is occasioned by or is attributable to Lessee's use of, and/or activities on, the Leased Premises by Lessee, its officers, agents, employees, invitees, permittees, contractors, or subcontractors. Lessee shall further indemnify, defend and hold harmless the Lessor Indemnitees from any and all claims, demands, litigation or governmental action involving the presence or suspected presence of Hazardous Materials on or in the Leased Premises and any violation of any Law, but solely to the extent any of the foregoing is due to the acts of Lessee, its officers, agents, employees, invitees, permittees, contractors or subcontractors, occurring after the Commencement Date.

All the foregoing indemnification provisions shall apply to Permitted Uses, as well as uses that are not permitted under this Lease.

Notwithstanding any provision to the contrary contained in this Lease, Lessor acknowledges that the Lessee's obligation to indemnify and hold any Lessor Indemnitees harmless under this Article shall not extend to any loss, damages or other claims to the extent arising out of the negligence or willful misconduct of any Lessor Indemnitees.

Section 10.2 Lessee's Indemnification to Division. Lessee shall indemnify, defend and hold harmless Division and its officers and employees, together with any of their respective successors and assigns (collectively, the "**Division Indemnitees**"), against any and all loss, cost, damage, liability or expense as incurred (including but not limited to actual attorneys' fees and legal costs) arising out of or related to any claim, suit or judgment brought by or in favor of any person or persons for damage, loss or expense due to, but not limited to, bodily injury, including death, or property damage sustained by such person or persons which arises out of, is occasioned by or is attributable to Lessee's use of, and/or activities on, the Leased Premises by Lessee, its officers, agents, employees, invitees, permittees, contractors, or subcontractors. Lessee shall further indemnify, defend and hold harmless the Division Indemnitees from any and all claims, demands, litigation or governmental action involving the presence or suspected presence of Hazardous Materials on or in the Leased Premises and any violation of any Law, but solely to the extent any of the foregoing is due to the acts of Lessee, its officers, agents, employees, invitees, permittees, contractors or subcontractors, occurring after the Commencement Date.

All the foregoing indemnification provisions shall apply to Permitted Uses, as well as uses that are not permitted under this Lease.

Notwithstanding any provision to the contrary contained in this Lease, Division acknowledges that the Lessee's obligation to indemnify and hold any Division Indemnitees harmless under this Article shall not extend to any loss, damages or other claims to the extent arising out of the negligence or willful misconduct of any Division Indemnitees.

Section 10.3 Lessor's Indemnification. To the extent authorized by Law, Lessor will indemnify, defend and hold harmless Lessee and its officers, agents and employees, together with any of their respective successors and assigns, from and against any claims, liabilities,

damages, costs, penalties, forfeitures, losses or expenses (including but not limited to actual attorneys' fees and legal costs) resulting from any injury, loss or damage to persons or property arising out of the negligence or willful misconduct of Lessor, its board members, officers or employees.

Section 10.4 Division's Indemnification. To the extent authorized by Law, Division will indemnify, defend and hold harmless Lessee and its officers, agents and employees, together with any of their respective successors and assigns, from and against any claims, liabilities, damages, costs, penalties, forfeitures, losses or expenses (including but not limited to actual attorneys' fees and legal costs) resulting from any injury, loss or damage to persons or property arising out of the negligence or willful misconduct of Division, its board members, officers or employees.

**ARTICLE XI.
TAXES, FEES AND LICENSES**

Section 11.1 Payment of Taxes. Lessee shall collect (as applicable) and pay to the appropriate collecting authorities all federal, state and local taxes and fees, which accrue during the Term on or against or with respect to the Leased Premises, Lessee's Improvements, or the business conducted by Lessee on the Leased Premises.

Section 11.2 Licenses. Lessee shall maintain in effect all federal, state and local licenses and permits required for the operation of the business conducted by Lessee on the Leased Premises.

**ARTICLE XII.
DEFAULT BY LESSEE**

Section 12.1 Default. Each of the following shall be an Event of Default by Lessee (herein "Lessee Event of Default") under the terms of this Lease:

(a) Failure by Lessee to pay Rent to Lessor on the date on which this payment is due under this Lease, and this failure shall not be cured within five (5) business days after said Rent is due; provided, however, that Lessor shall provide written notice and a five (5) business day right to cure for failure to pay rent, but Lessee shall only be entitled to one (1) late payment notice per year under this Section 12.1(a), and provided further that a Lessee Event of Default shall automatically occur if Lessee fails to pay Quarterly Rent to Lessor on the date on which payment is due under this Lease for a second time in any calendar year in which a written notice of late payment has been delivered, or deemed delivered, to Lessee under this Lease.

(b) Failure to obtain and maintain all insurance as required under this Lease and/or to furnish to Lessor evidence thereof and/or evidence of payment thereof, if the failure is not cured within two (2) business days after delivery of written notice to Lessee of such violation.

(c) A court Order for relief in any involuntary case commenced against Lessee, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, and said Order is not vacated within 120 days, or the entry of a decree or order by a court having jurisdiction appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of, or for Lessee or a substantial part of the properties of Lessee or order winding up or liquidation of the affairs of Lessee, and the continuance of any such decree or order unstayed and in effect for 120 consecutive days.

(d) Commencement by Lessee of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted.

(e) Failure to comply with any of the obligations of this Lease (other than payment of Rent or obtaining and maintaining insurance) if the failure is not cured within sixty

(60) days after delivery of written notice to Lessee of such Lease violation or such longer period of time as may reasonably be required for Lessee to cure the violation, provided that Lessee pursues the cure of the violation with reasonable diligence..

In addition to any other remedies provided by Law and except as otherwise provided herein, Lessor may, but shall not be obligated to, terminate this Lease during the continuance of a Lessee Event of Default, provided that in addition to the notice and cure period set forth above, Lessee also is given, in writing, notice specifying Lessee's failure and Lessee fails to correct the alleged failure within thirty (30) days following receipt of such additional notice specifying the failure.

**ARTICLE XIII.
DEFAULT BY LESSOR**

Section 13.1 Default. A default by Lessor (herein "Lessor Event of Default") will occur under this Lease if Lessor fails to perform any of its obligations or covenants under this Lease, and such failure is not cured within thirty (30) business days after Lessor's receipt of written notice from Lessee of this failure; however, no Lessor Event of Default will occur if Lessor begins to cure this failure within thirty (30) business days after its receipt of this notice and continues this cure with reasonable diligence for such period as is reasonably necessary to cure the failure.

**ARTICLE XIV.

**ARTICLE XV.
MISCELLANEOUS**

Section 15.1 Lessor's Right to Enter Property. Lessor reserves the right to enter the Leased Premises at any time to inspect the property, as long as Lessor's inspection does not unreasonably interfere with the operation of the proper function of the Lessee's business. Lessor shall attempt to provide Lessee with reasonable advance notice of its intent to inspect the Leased Premises, unless notice is impossible or impractical. Lessee shall have the right to have a representative accompany Lessor during such entry and inspection. Lessee shall not deny Lessor access to the Leased Premises.

Section 15.2 Relationship of Parties. Nothing contained herein shall be deemed or construed by the parties, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties. It is understood and agreed that no provision contained herein nor any employees, agents, members or shareholders of the parties hereto creates a relationship other than the relationship between Lessor and Lessee as lessor and lessee or as described in the CEA. In no event shall Lessee's officers, directors, employees or agents be liable for any of the obligations of Lessee hereunder.

Section 15.3 Waiver. The Lessor and Lessee agree that either party's failure to insist on strict performance of any term or condition of this Lease shall not constitute a waiver of that term or condition, even if the party accepting or acquiescing in the non-conforming performance knows of the nature of the performance and fails to object to it. No waiver or breach shall affect or alter this Lease but each of the terms of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. No waiver of any default hereunder by either party shall be implied from any omission by the non-defaulting party to take

any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver for the time and to the extent therein stated. One or more waivers shall not be construed as a waiver of a subsequent breach of the same covenant, term, or condition.

Section 15.4 Lessor's Consent. In any instance in which a party's consent or approval is required under this Lease, then, unless specifically stated otherwise in such provision, such party agrees not to unreasonably withhold, delay or condition such consent or approval.

Section 15.5 Severability. The provisions of this Lease are severable. Any terms and/or conditions that are deemed illegal, invalid or unenforceable shall not affect any other term or condition of the Lease or the CEA.

Section 15.6 Recordation of Lease. It shall be the responsibility of Lessee to prepare an extract of the Lease, which each party agrees to execute to record in the Office of the Parish Recorder of the Parish of East Baton Rouge. The form of the Extract of Lease agreement shall require the approval of Lessor. Lessee shall provide Lessor with a certified copy of the recorded Extract of Lease. Recordation of the Extract of Lease shall be at Lessee's expense.

Section 15.7 Successors and Assigns. This Lease shall be binding on and will inure to the benefit of the parties to this Lease and their respective successors and assigns, provided any such assignment was made in a manner consistent with terms of this Lease.

Section 15.8 Counterparts. This Lease may be executed in duplicate counterparts, each of which shall be deemed an original, but all of which together will constitute only one agreement.

Section 15.9 Entire Agreement. This Lease, together with all exhibits attached hereto, sets forth the entire agreement of the parties with respect to the matters set forth herein, and no

verbal commitments, except those reduced to writing in this Lease, have any binding effect. Any amendments to this Lease must be reduced to writing and signed by both parties.

Section 15.10 Choice of Law. This Lease shall be construed under and in accordance with the Laws of the State of Louisiana, and, in the event of a court proceeding, any such proceeding shall be filed in the Louisiana Nineteenth Judicial District Court.

Section 15.11 Authorized Representatives of the Parties. In any instance in which the approval or consent of a party is required, it shall be given on behalf of Lessor by the President of the LSU System or his successor or designee, and on behalf of Lessee by any duly authorized representative of Lessee.

Section 15.12 Appropriation of Funds. All State, Division and Lessor obligations under this Lease to make payments of any kind in future year, shall be subject to appropriation by the Louisiana Legislature of sufficient funds therefor and the availability of funds following Legislative appropriation; provided, however, and notwithstanding anything to the contrary contained herein or in the CEA, any and all obligations of the Division and/or Lessor pursuant to Section 2.2 of this Lease to refund prepaid Rent shall be subject to, and contingent upon, appropriation by the Louisiana Legislature of sufficient funds specifically and expressly appropriated for refunding of such sums to OLOL (the "OLOL Appropriation"), and any such obligation by any obligor is limited only to the portion of said OLOL Appropriation which said obligor receives. In the event that OLOL is due a refund of prepaid Rent pursuant to the provisions of Section 2.2 and this Section 15.12, the State, the Division and Lessor agree to make good faith best efforts to seek specific appropriation for such refund by the Louisiana Legislature, and the Division and/or Lessor shall include in one or more of their annual budget

Jenkins, Interim President of the Louisiana State University System, duly authorized by virtue of a Resolution of the Board of Supervisors, adopted _____, a copy of which is attached hereto, with a mailing address of 3810 West Lakeshore Drive, Louisiana State University, Baton Rouge, Louisiana 70808 (Federal I.D. No. XX-XXX0848) (hereinafter referred to as “LSU” or “SUBLESSOR”); and

OUR LADY OF THE LAKE HOSPITAL, INC., a Louisiana nonprofit corporation, represented herein by K. Scott Wester, its President and Chief Executive Officer, duly authorized by virtue of a Resolution of its Board of Directors, with a mailing address of 7777 Hennessy Boulevard, Plaza 2, Suite 6002, Baton Rouge, Louisiana 70808 (hereinafter referred to as “OLOL” or “SUBLESSEE”);

WITNESSETH:

WHEREAS, LSU, OLOL, State of Louisiana, by and through the Division of Administration (the “Division”), and the Louisiana Department of Health and Hospitals (the “DHH”) have entered into an Amendment to the Cooperative Endeavor Agreement, dated effective _____, 2013, (the “Amended CEA”), amending the Cooperative Endeavor Agreement, between the parties, dated February 5, 2010.

WHEREAS, pursuant to the Amended CEA, OLOL has agreed to provide the financial resources and support, operational expertise, and other necessary resources to insure that existing

LSU Clinics (as defined in the Amended CEA) continue to operate and provide health care services to the uninsured and high risk Medicaid populations.

WHEREAS, one of the LSU Clinics currently operated by LSU is located at 1401 N. Foster Drive, Baton Rouge, Louisiana 70806, and is currently leased by LSU, pursuant to the Agreement of Lease Between Board of Supervisors of Louisiana State University and Agricultural and Mechanical College and Health Care Services Foundation (“Lessor” or “Foundation”) dated effective December 19, 2003 (the “Lease”).

NOW THEREFORE, pursuant to the Amended CEA, it is hereby agreed for and in consideration of the foregoing, and of the terms, conditions and provisions of the Amended CEA, and for other good and valuable consideration, the receipt and the sufficiency of which are hereby acknowledged, the parties agree as follows:

1. SUBLESSOR hereby subleases to SUBLESSEE all of that immovable property located at 1401 Foster Drive, Baton Rouge, Louisiana, 70806, including the land and all buildings and improvements covered by the Lease (the “Leased Premises”), which Lease affects the land described on Exhibit A, a copy of which is attached hereto. SUBLESSEE acknowledges receipt of a full, true copy of said Lease.

This Sublease shall at all times be subordinate and subject to the said Lease, and SUBLESSEE agrees to fully abide by and timely perform each and all of the obligations and covenants imposed upon SUBLESSOR in said Lease, and to assume all of SUBLESSOR’S obligations under the Lease arising on or after, and/or to be performed on or after, the Effective Date of this Sublease, and to defend, indemnify and hold SUBLESSOR free and harmless of and from any and all claims, demands and causes arising from SUBLESSEE’S violation of said Lease arising on or after, and/or to be performed on or after, the Effective Date of this Sublease.

2. The term of this Sublease shall be for a period of **11** years, **2** months and **16** days beginning on April 15, 2013 (the "Effective Date") and ending on June 30, 2024 (the "Term").
3. All capitalized terms used herein and not otherwise defined herein shall have the same meaning as each such term has in the Lease.
4. The sublease annual rent shall initially be the sum of \$328,822.50 as a base rent, plus Operating Costs (collectively the "Sublease Base Rent") payable to LSU in equal monthly installments; however, notwithstanding the terms of the Lease, SUBLESSEE shall also obtain and pay for fire and extended property damage insurance for the Leased Premises naming LSU and Foundation as additional insureds, in such amounts and for such coverage as is subject to the reasonable approval of LSU and Foundation. The current Operating Costs are \$202,935.00 per year and therefore the initial Sublease Base Rent will be \$530,757.50 per year. The Sublease Base Rent shall be paid 5 days before the end of each calendar month for the ensuing month. For example, the May 2013 Sublease Base Rent is due to be paid to LSU on April 26, 2013. Upon execution of this Sublease, SUBLESSEE shall pay LSU a pro rata share of the Sublease Base Rent for April 2013. It is further agreed that the Sublease Base Rent will be adjusted as set forth in paragraph 13 of this Sublease, and shall also be adjusted for changes in the Operating Costs as provided and set forth in Article III of the Lease.
5. Beginning as of the Effective Date, SUBLESSEE shall fully and timely pay and perform all of the obligations of LSU as provided for in the Lease, as fully as if SUBLESSEE is/was the original lessee under the Lease, and except as provided herein, as to the requirement for payment of Sublease Base Rent by OLOL, SUBLESSEE shall be entitled to all of the rights of SUBLESSOR in the Lease as fully as if SUBLESSEE is/was the original lessee under the Lease.

6. SUBLESSEE shall obtain prior written approval from Lessor and from LSU before constructing any improvements on the Leased Premises, and any such improvements shall only be constructed under the “design and construction oversight” of the Division’s Office of Facility Planning and Control, as provided in and required by R.S. 17:3361.

7. Default by SUBLESSEE.

a. SUBLESSEE shall be in default under this Agreement if: (i) SUBLESSEE fails to timely make any payment, as required by this Sublease and/or to make any other payment required by LSU as Lessee under the Lease arising on or after the Effective Date, and/or (ii) SUBLESSEE fails to timely and fully perform any of its other obligations as required by this Sublease or as required to be performed by LSU under the Lease on or after the Effective Date, which failure causes Lessor to declare a default under the Lease; and/or (iii) SUBLESSEE otherwise breaches any of its other obligations, covenants, representations or warranties and fails to cure such breach within thirty (30) days of written notice.

b. In the event of a default by SUBLESSEE, SUBLESSOR will be entitled to exercise any one or more of the following rights or remedies at its discretion: (1) demand immediate payment of all rents and other sums that are past due and continue to collect all rents and other sums as they becomes due under this Sublease until the Lease terminates or expires, (2) immediately terminate this Sublease, (3) immediately evict SUBLESSEE, (4) recover all damages sustained by SUBLESSOR, and/or (5) exercise all other rights and remedies, and recover all damages available under Louisiana and other applicable laws.

c. For the enforcement of these remedies SUBLESSOR may have recourse to any applicable legal or equitable process for the recovery of possession of the Leased Premises and the right to seek an injunction or a declaratory judgment. No act of SUBLESSOR shall be

deemed an act terminating this Sublease or declaring the Term or applicable Renewal Term ended unless notice is served upon SUBLESSEE by SUBLESSOR expressly setting forth therein that SUBLESSOR elects to terminate this Sublease.

8. Governing Law. This Sublease shall be construed and enforced in accordance with the laws of the State of Louisiana.

9. Invalidity or Inapplicability of Clause. If any term or provision of this Sublease or the application thereof is invalid or unenforceable, the remainder of this Sublease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term or provision shall be valid and enforceable to the fullest extent permitted by law.

10. Notices. All notices required, necessary or desired to be given pursuant to this Sublease shall be in writing and shall be effective upon the date when such notice is hand-delivered to the party who is the intended recipient thereof, or otherwise actually received (whether by U.S. Mail, overnight courier service or other means of delivery) by the party intended recipient, who acknowledges receipt in writing of said notice and addressed as follows:

For example, the May 2013 Sublease Base Rent is due to be paid to LSU on April 26, 2013. Upon execution of this Sublease, SUBLESSEE shall pay LSU a pro rata share of the Sublease Base Rent for April 2013. 6. SUBLESSEE and SUBLESSOR acknowledge that Lessor may terminate the Lease upon giving 60 days written notice, and in this event, the Sublease shall also terminate at that time.

7. Default by SUBLESSEE.

a. SUBLESSEE shall be in default under this Agreement if: (i) SUBLESSEE fails to timely make any payment, as required by this Sublease and/or to make any other payment required by LSU as Lessee under the Lease arising on or after the Effective Date, and/or (ii) SUBLESSEE fails to timely and fully perform any of its other obligations as required by this

Sublease or as required to be performed by LSU under the Lease on or after the Effective Date, which failure causes Lessor to declare a default under the Lease; and/or (iii) SUBLESSEE otherwise breaches any of its other obligations, covenants, representations or warranties and fails to cure such breach within thirty (30) days of written notice.

b. In the event of a default by SUBLESSEE, SUBLESSOR will be entitled to exercise any one or more of the following rights or remedies at its discretion: (1) demand immediate payment of all rents and other sums that are past due and continue to collect all rents and other sums as they becomes due under this Sublease until the Lease terminates or expires, (2) immediately terminate this Sublease, (3) immediately evict SUBLESSEE, (4) recover all damages sustained by SUBLESSOR, and/or (5) exercise all other rights and remedies, and recover all damages available under Louisiana and other applicable laws.

OUR LADY OF THE LAKE HOSPITAL, INC., a Louisiana nonprofit corporation, represented herein by K. Scott Wester, its President and Chief Executive Officer, duly authorized by virtue of a resolution adopted _____, a copy of which is attached hereto, with a mailing address of 7777 Hennessy Boulevard, Plaza 2, Suite 6002, Baton Rouge, Louisiana 70808 (Federal I.D. No. _____) (hereinafter referred to as "OLOL" or "Lessee"),

and provides as follows:

WITNESSETH

WHEREAS, OLOL is a major teaching hospital committed to developing medical and clinical professionals in the State of Louisiana (herein the "State") in order to improve access to healthcare in its service area; and,

WHEREAS, LSU is a public constitutional corporation organized and existing under the laws of the State, and LSU's institutions, including its medical schools and hospitals, are under

LSU's supervision and management pursuant to La. Const. Art. VIII, Section 7 and La. R.S. 17:3215; and,

WHEREAS, OLOL and LSU support building a new model for the relationship between a major teaching hospital and a school of medicine and its teaching programs, and that this new model will provide physicians and patients with a new environment of care that optimizes the use of all resources; and,

WHEREAS, LSU, OLOL, the Louisiana Department of Health and Hospitals, and Division of Administration are parties to a Cooperative Endeavor Agreement dated February 5, 2010, as amended (the "CEA") through which LSU, OLOL, the Louisiana Department of Health and Hospitals, and Division of Administration will collaborate to develop and maintain nationally recognized graduate medical education programs; and

WHEREAS, this Lease is an integral aspect of the CEA and furthers the above stated goals; and,

WHEREAS, LSU and OLOL, through their collaboration, desire to provide clinical experience in outpatient clinics operated by OLOL; and,

WHEREAS, Lessor is the owner of certain immovable property with all buildings and improvements thereon, consisting of medical office and clinic space, and ambulatory surgical space (the "Leased Premises"), which is being leased to OLOL by separate agreement for the purpose of operating outpatient clinics and other Permitted Use (defined herein); and,

WHEREAS, Lessor is the owner of equipment and movable property located within and about the Leased Premises; and,

WHEREAS, the aforementioned equipment and movable property will be leased by Lessor to Lessee for the purpose of operating outpatient clinics and other permitted uses as defined herein; and,

WHEREAS, this Lease furthers the educational and public service missions of Lessor;

NOW, THEREFORE, in consideration of Lessor's obligation to lease the aforementioned equipment, the rent to be paid by Lessee during the term of this Lease, and the mutual benefits accruing to the parties under this Lease, the parties do enter into this Lease, on the following terms and conditions:

ARTICLE I
LEASE OF EQUIPMENT

In consideration of the covenants, agreements, and conditions herein set forth, which Lessee hereby agrees shall be kept and performed, LSU does hereby lease unto Lessee, and Lessee does hereby lease from LSU, certain equipment and movable property located in the Leased Premises, said equipment and movable property being more fully described and itemized on the attached Exhibit "A" (the "Equipment").

ARTICLE II
TERM

Unless sooner terminated in accordance with the terms and conditions set forth herein and in the CEA, this Lease shall be and continue in full force and effect for a term of five (5) years (the "Initial Term", and together with any Renewal Terms, the "Term"), unless otherwise terminated sooner in accordance with the terms and conditions set forth herein and in the CEA.

Unless Lessee provides a written notice of non-renewal to Lessor at least sixty (60) days prior to the end of the then-current Term of the Lease, the Term of the Lease automatically shall extend for up to five (5) successive periods of one (1) year each (each, a “Renewal Term”), so that the maximum possible Term of the Lease shall be ten (10) years. For purposes of this Lease, the “Commencement Date” shall mean the fifteenth (15th) day of April, 2013, unless mutually extended by the parties by written consent, which consent shall not be unreasonably withheld.

ARTICLE III **CONSIDERATION**

The annual consideration for this Lease is the payment by Lessee to Lessor of a sum equal to the aggregate rental amount as reflected on Exhibit “A” for each item of Equipment listed on Exhibit “A,” payable in four (4) equal quarterly installments (the “Quarterly Rent”), with the first installment being due and payable on the Commencement Date, and the remaining installments being due and payable, respectively, on the 1st day of each calendar quarter thereafter (so that Quarterly Rent payments will be due no later than January 1, April 1, July 1, and October 1 during the Term). In the event the Commencement Date should be a date other than the first day of a calendar quarter, the first Quarterly Rent payment shall be prorated to the end of that calendar quarter. Quarterly Rent is payable by Lessee to Lessor at the following address, until notified in writing differently by Lessor: LSU Health Care Services Division, 5429 Airline Highway, Baton Rouge, Louisiana, 70805. The annual rent amount may be reduced as set forth in Section 5.2 below as specific items of Equipment are released from the Lease and returned to LSU as set forth in Section 5.1 below. Lessee may, within the first twenty (20) days following execution of this Lease and in addition to Lessee’s obligation to pay Quarterly Rent as set forth above, pre-pay to LSU up to the full value of one additional year’s rent for the

Equipment; provided, however, that under no circumstances (including but in no way limited to termination of this Lease due to a Lessee Event of Default, termination of this Lease due to a Lessor Event of Default, and/or a termination of this Lease due to Lessee having removed all of the Equipment from the Lease pursuant to Section 5.1 herein), shall LSU ever be obligated to repay or refund to Lessee any part of any amount pre-paid by Lessee. Lessee expressly acknowledges that any such prepayment will be made unconditionally, with no right of Lessee under any circumstances to seek repayment or reimbursement of same.

ARTICLE IV USE, MAINTENANCE, AND REPAIRS

4.1 Permitted Use. Subject to the terms and provisions hereof, Lessee may use the Equipment solely for medical business offices, medical staff offices, medical education staff offices, medical clinics, outpatient pharmacy operations, and/or any other medical, educational or hospital use or uses (including, without limitation, surgical, research and laboratory facilities), together with any uses that are accessory to any of the foregoing (the “Permitted Use”), and for no other purposes without the prior written consent of Lessor. Lessee’s use of the Equipment shall comply at all times with all applicable laws, orders, ordinances, zoning ordinances, regulations, and statutes of any federal, state, parish, or municipal government now or hereafter in effect, including all environmental laws and regulations and further including all material orders, rules, and regulations of any regulatory, licensing, insurance underwriting or rating organization or other body exercising similar functions. Lessee shall not make any use of the Equipment which may make void or voidable any policy of insurance required to be maintained by Lessee pursuant to this Lease.

4.3 Operation. Lessee shall provide all equipment, furnishings, supplies, facilities, services, and personnel required for the proper use, operation, and/or management of the Equipment in an economical and efficient manner, consistent with standards of operation and administration generally acceptable for facilities of comparable size and scope of operations.

4.4 Maintenance. Lessee shall have full and sole responsibility for the condition, repair, maintenance and management of the Equipment; provided, however, that Lessee shall not owe any maintenance obligation under this Lease respecting any item of Equipment that is not in good working order as of the Commencement Date, and provided further that Lessee shall not owe any further maintenance obligation under this Lease respecting any item of Equipment for which Lessee has provided written notice to LSU pursuant to Section 5.1 below that Lessee no longer needs said item of Equipment for the purposes set forth in the CEA. Lessee shall provide written notice to LSU no later than thirty (30) days after the Commencement Date of this Lease of any specific items of Equipment that were not in good working order as of the Commencement Date. Lessee shall maintain the Equipment and each and every portion thereof in good working order and condition and shall be solely responsible for all costs and expenses accrued or incurred in connection therewith. Lessor shall not be responsible for any repairs to or maintenance of the Equipment, whether ordinary or extraordinary, foreseen or unforeseen, structural or non-structural. Lessee shall maintain accurate records of all material work performed in furtherance of its obligations under this Section 4.4.

4.5 Lost and Stolen Equipment. Whenever Lessee has knowledge or reason to believe that any Equipment has been lost or stolen during the Term of this Lease, Lessee shall promptly notify LSU in writing and shall report such lost/stolen Equipment as required by law. Lessee shall promptly replace all lost and stolen Equipment with comparable items of

substantially similar specification and value, which items shall be owned by LSU and shall be considered Equipment subject to this Lease, and Lessee shall be solely responsible for all costs and expenses incurred in connection therewith; alternatively, and in lieu of replacing the lost/stolen Equipment, Lessee may pay to LSU the fair market value of said Equipment.

4.6 Damaged Equipment. Whenever Lessee has knowledge or reason to believe that any Equipment has been damaged during the Term of this Lease, Lessee shall promptly notify LSU in writing and shall report such damaged Equipment as required by law. Lessee shall promptly repair all damaged Equipment to substantially the same condition thereof as existed prior to the event causing such damage, and Lessee shall be solely responsible for making all required repairs to damaged Equipment; alternatively, in lieu of repairing the damaged Equipment and in the event the damage is covered by Lessee's insurance and not subject to any deductible, Lessee may pay the insurance proceeds stemming from the damage to LSU, provided said proceeds are sufficient to fairly compensate LSU for the damage. Lessee may not dispose of any damaged Equipment except as set forth in Section 5.1 below.

4.7 Relocation of Equipment. Lessee shall be solely responsible for any costs or expenses of any kind incurred relocating Equipment, specifically including but not limited to the relocation of any and all Equipment from the Earl K. Long in-patient hospital site on Airline Highway in Baton Rouge to the facility located at 9032 Perkins Road in Baton Rouge.

4.8 Compliance with State Law. Lessee shall assume all of the "Property Control" obligations for the Equipment set forth in Title 39 of the Louisiana Revised Statutes, Chapter 1, Part XI (La. R.S. 39:321 – 39:332), and in Title 34 of the Louisiana Administrative Code, Part VII (sections 101 – 901), including but not limited to:

- a. The obligation to appoint a Property Manager as required by La. R.S. 39:322, and to post a faithful performance of duty bond as required by La. R.S. 39:330;
- b. The obligation to maintain property identification marks on the Equipment as required by La. R.S. 39:323;
- c. The obligation to make a complete physical inventory of the Equipment once each fiscal year as required by La. R.S. 39:324 and Section 313 of Part VII of Title 34 of the Louisiana Administrative Code, and to make annual reports thereof to the Commissioner of Administration and the Legislative Auditor as required by La. R.S. 39:324 and 39:325;
- d. The obligation to maintain a master file of the agency inventory of Equipment as required by La. R.S. 39:324, and to maintain a property location index which shall be used to keep track of the location of the Equipment as required by Section 311 of Part VII of Title 34 of the Louisiana Administrative Code;
- e. The obligation to submit property control transmittal forms to the Louisiana Property Assistance Agency on a monthly basis as required by Section 317 of Part VII of Title 34 of the Louisiana Administrative Code;
- f. The obligation to report lost, stolen, damaged, or destroyed Equipment as required by La. R.S. 39:330 and Section 305 of Title 34 of the Louisiana Administrative Code;
- g. The obligation to maintain for three years the records, reports, and other documentation required by Section 305 of Title 34 of the Louisiana Administrative Code;

h. The obligation to make all records and reports regarding the Equipment available for examination as required by La. R.S. 39:328, and to make the records and Equipment available for inspection and annual audit as required by La. R.S. 39:329.

4.9 Coordination Between Lessee and LSU.

a. At the commencement of this Lease, and to assist Lessee in assuming and continuing the Property Control obligations for the Equipment, LSU shall make available to Lessee all of LSU's existing inventory schedules, property location indices, reports, records, and other documentation regarding the Equipment. LSU shall also assist Lessee in obtaining access to any online tracking and reporting systems and other secure sites necessary for Lessee to perform its Property Control obligations.

b. LSU shall monitor Lessee's performance of its Property Control obligations to ensure compliance with law and shall cooperate with Lessee and provide reasonable advice and assistance to Lessee, at no additional cost to Lessee, when requested and when available.

c. Whenever Lessee is required by law to submit reports, records, inventories, or other documentation regarding the Equipment to the Commissioner of the Division of Administration of the State of Louisiana, the Louisiana Property Assistance Agency, or to any other governmental agency, Lessee shall contemporaneously supply a copy of said report / record / inventory to LSU at the LSU Health Care Services Division, 5429 Airline Highway, Baton Rouge, Louisiana, 70805, or at such other location as designated from time to time by LSU.

d. LSU, LSU Health Care Services Division, and their agents shall have the right to inspect the Equipment at any reasonable time following reasonable prior notice in a manner which does not unreasonably interfere with Lessee's use thereof.

4.10 Alienation of Equipment. Lessee shall not sell, alienate, convey, or otherwise transfer any Equipment to any person or entity other than LSU without the advance written approval of LSU. In the event that Equipment is sold / alienated / conveyed / transferred without LSU's advance written approval, such shall be null and void and without legal effect.

4.11 Taxes and Liens. Lessee shall pay as they become due all taxes and assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Equipment. Lessee shall not allow any part of the Equipment to become and remain subjected to any mechanic's, laborer's or materialman's lien. Notwithstanding the foregoing, Lessee may at its own expense and in its own name contest any such item of tax, assessment, lien, or other governmental charge and, in the event of such contest, may permit the item so contested to remain unpaid during the period of such contest and any appeal therefrom. LSU will cooperate to the extent reasonably necessary with Lessee in any such claim, defense, or contest.

4.12 Waiver and Disclaimer of Warranties. Lessee accepts the Equipment in its "as is" and existing condition, without any warranty of any kind or nature, whether express or implied, contractual or statutory and whether as to the condition (patent or latent) or state of repair of the Equipment or the fitness of same for Lessee's purposes or for any other purpose whatsoever, except as otherwise specifically provided for herein.

ARTICLE V
SURPLUS AND REPLACEMENT EQUIPMENT

5.1 Disposition of Surplus Equipment. Throughout the Term, Lessee shall have the discretion to remove specific items of Equipment from the Lease based on Lessee's determination that Lessee no longer needs those specific items of Equipment for the purposes set forth in the CEA. Once Lessee determines that it no longer needs a specific item of Equipment:

a. Lessee shall provide written notice of its determination to LSU at the LSU Health Care Services Division, 5429 Airline Highway, Baton Rouge, Louisiana, 70805, or at such other location as designated from time to time by LSU. Said notice shall identify the Equipment by its description, tag number, and inventory number, shall state where the Equipment is physically located at the time notice is given, and shall state where the Equipment may be retrieved by LSU as provided for below. Lessee may store the Equipment off-site pending its retrieval by LSU as set forth below, provided that Lessee shall be responsible for all costs and expenses incurred storing the Equipment, and provided further that Lessee shall report the relocation if and as required by law. Lessee shall take all reasonable steps to decommission the Equipment and prepare it for retrieval by LSU as set forth below, specifically including but limited to Lessee removing any and all hazardous substances from the Equipment and disposing of same in accordance with law, and Lessee shall be responsible for all costs incurred in connection therewith.

b. LSU shall have one hundred eighty (180) days after receipt of the aforementioned notice to take physical possession of the Equipment and to remove the Equipment from Lessee's facility, at which time all of Lessee's remaining obligations with respect to the Equipment (including but not limited to Lessee's obligations under Sections 4.4, 4.5, and 4.6) shall cease, except that Lessee shall remain liable as set forth

in this Lease for any claims, costs, causes of action, expenses, repairs, damages, and liabilities arising out of or incurred with respect to the Equipment during the Term prior to the time that LSU takes physical possession of the Equipment. LSU shall give reasonable prior notice to Lessee when it intends to take physical possession of the Equipment.

c. LSU shall then be responsible for disposing of the Equipment in accordance with law, or for making other disposition of the Equipment, all at no cost, liability, or obligation to Lessee.

5.2 Recalculation of Rent. Each year on the anniversary of the Commencement Date, Lessee shall be entitled to reduce the amount of future rent owed to LSU with respect to surplus Equipment removed from the Lease during the previous year pursuant to the process set forth in section 5.1 above. The reduction for each such item of Equipment shall be the rent amount associated with that Equipment set forth in Exhibit "A."

5.3 New Equipment. Lessee may at any time place its own property and equipment in the facilities governed by the CEA, and such shall remain the property and equipment of Lessee and shall not be considered Equipment subject to this Lease; provided, however, that Lessor and Lessee may provide elsewhere for an option in favor of Lessor to purchase such property and equipment at a later date.

ARTICLE VI **INSURANCE**

6.1 Required Insurance. Throughout the Term of this Lease, Lessee shall at all times maintain or cause to be maintained, with respect to the Equipment, the following insurance:

a. Property insurance against loss and/or damage to the Equipment, including loss or damage caused by fire, lightning, earthquake, collapse, sewer backup, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called “extended coverage” and against such other insurable perils as, under good insurance practice, are insured for property of similar character and location, which insurance shall be in an amount not less than one hundred percent (100%) of the full replacement cost of the Equipment.

b. Commercial general liability insurance for injuries to persons (including bodily injury and death) and/or property damage caused by, attributed to, or incurred in connection in any manner with the lease, use, operation, management, maintenance, replacement, or repair of the Equipment, and for injuries to persons and/or property occurring in or about the Equipment, in the minimum amount of \$5,000,000 combined single limit per occurrence. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability and water damage legal liability.

6.2 Insurers. Lessee shall obtain commercial insurance coverage in order to comply with the insurance required to be maintained by Lessee under this Section 6. All insurance required in this Section and all renewals of such insurance shall be issued by companies duly licensed and authorized to transact business in the State of Louisiana, and rated at least A- Class VIII by Best's Insurance Reports or as otherwise approved in writing by Lessor. All insurance policies provided by Lessee shall expressly provide that the policies shall not be canceled or materially altered without thirty (30) days' prior written notice to Lessor.

6.3 Additional Insureds. LSU and its board members, officers, employees, and agents, and such other persons or firms as LSU reasonably specifies from time to time (the “LSU Insured Parties”) shall each be named as additional insureds on all policies required hereby, and LSU shall also be named as a loss payee on all required property damage insurance.

6.4 Required Insurance Shall Be Primary. All insurance required hereby shall be written as primary policies, not contributing with and not in excess of coverage that Lessor may carry, if any.

6.5 Failure to Comply With Reporting Requirements. All insurance required hereby shall expressly provide that any failure of Lessee to comply with reporting requirements of a policy required hereby shall not affect coverage provided to the LSU Insured Parties.

6.6 No Recourse. All insurance required hereby shall provide that the insurance companies issuing the required policies shall have no recourse against LSU for payment of premiums or for assessments under any form of the policies.

6.7 Deductibles and SIR's. Any deductibles or self-insured retentions must be declared to and accepted by LSU. Lessee shall be responsible for all deductibles and self-insured retentions.

6.8 No Special Limitations. The coverage required hereunder shall contain no special limitations on the scope of protection afforded to the LSU Insured Parties.

6.9 Occurrence Based Policies. All insurance required hereunder shall be occurrence coverage. Claims-made policies are not allowed.

6.10 Verification of Coverage. Lessee shall furnish LSU with declarations pages, certificates of insurance, and evidence of the payment of all premiums of such policies prior to the Commencement Date. Lessee shall likewise furnish LSU with declarations pages,

certificates of insurance, and evidence of the payment of all premiums of all renewal policies. LSU reserves the right to request complete copies of all original and renewal policies (together with copies of all endorsements). Upon failure of Lessee to furnish, deliver and maintain such insurance as provided herein, and expiration of the cure period in Section 9.1(b), then LSU may, but shall not be obligated to, obtain said insurance on behalf of Lessee at Lessee's commercially reasonable cost and expense. Failure of Lessee to purchase and/or maintain any required insurance shall not relieve Lessee from any liability or indemnification hereunder.

6.11 Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Equipment due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion, terrorist attack, or otherwise (collectively "Casualty") or by the taking of all or any portion of the Leased Premises and/or Equipment by condemnation, expropriation, or eminent domain proceedings (collectively "Expropriation") is expressly assumed by Lessee. None of the forgoing events shall entitle Lessee to any abatements, set-offs or counter claims with respect to payment of its Rent, or any other obligation hereunder, except as specifically set forth herein.

ARTICLE VII INDEMNIFICATION

7.1 Lessee's Indemnification. Lessee shall indemnify, defend and hold harmless Lessor and its officers, agents and employees, together with any of their respective successors and assigns (collectively, the "**Lessor Indemnitees**"), against any and all loss, cost, damage,

liability or expense as incurred (including but not limited to actual attorneys' fees and legal costs) arising out of or related to any claim, suit or judgment brought by or in favor of any person or persons for damage, loss, or expense due to, but not limited to, bodily injury, including death, or property damage sustained by such person or persons which arises out of, is occasioned by or is attributable to the lease, use, operation, management, maintenance, repair, and/or replacement of the Equipment by Lessee, its officers, agents, employees, invitees, permittees, contractors, or subcontractors. The foregoing indemnification provisions shall apply to Permitted Uses, as well as uses that are not permitted under this Lease. Notwithstanding any provision to the contrary contained in this Lease, Lessor acknowledges that Lessee's obligation to indemnify and hold any Lessor Indemnitees harmless under this Section shall not extend to any loss, damages, or other claims to the extent arising out of the negligence or willful misconduct of any Lessor Indemnitees.

7.2 Lessor's Indemnification. To the extent authorized by Law, Lessor will indemnify, defend and hold harmless Lessee and its officers, agents and employees, together with any of their respective successors and assigns, from and against any claims, liabilities, damages, costs, penalties, forfeitures, losses or expenses (including but not limited to actual attorneys' fees and legal costs) related to the Equipment and resulting from any injury, loss or damage to persons or property arising out of the negligence or willful misconduct of Lessor, its officers, agents or employees.

ARTICLE IX
LESSEE DEFAULT

9.1 Each of the following shall constitute a “Lessee Event of Default” hereunder:

a. Failure by Lessee to pay Rent to Lessor on the date on which this payment is due under this Lease, and this failure shall not be cured within five (5) business days after said Rent is past due; provided, however, that Lessee shall only be entitled to one (1) late

payment notice per year under this Section 9.1(a), and provided further that a Lessee Event of Default shall automatically occur if Lessee fails to pay Rent to Lessor on the date on which payment is due under this Lease for a second time in any calendar year in which a written notice of late payment has been delivered, or deemed delivered, to Lessee under this Lease.

b. Failure to obtain and maintain all insurance as required under this Lease and/or to furnish to Lessor evidence thereof and/or evidence of payment thereof, if the failure is not cured within two (2) business days after delivery of written notice to Lessee of such violation.

c. Failure by Lessee to comply with any other covenant, condition, term, or agreement of this Lease (other than payment of Rent and obtaining and maintaining insurance) if the failure is not cured within thirty (30) days after delivery of written notice to Lessee of such Lease violation or such longer period of time as may reasonably be required for Lessee to cure the violation, provided that Lessee pursues the cure of the violation with reasonable diligence.

d. A court Order for relief in any involuntary case commenced against Lessee, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, and said Order is not vacated within 120 days, or the entry of a decree or order by a court having jurisdiction appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of, or for Lessee or a substantial part of the properties of Lessee or order winding up or liquidation of the affairs of Lessee, and the continuance of any such decree or order unstayed and in effect for 120 consecutive days.

e. The commencement by Lessee of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted.

9.2 Whenever any Lessee Event of Default shall have occurred and be continuing beyond any specified cure period, then in addition to any other remedies herein or by law provided, LSU shall have the right, without any further demand or notice, to declare this Lease terminated. No remedy conferred upon or reserved to LSU by this Lease is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease and as now or hereafter existing at law or in equity.

ARTICLE X **BOARD DEFAULT**

A default by Lessor (herein “Lessor Event of Default”) will occur under this Lease if Lessor fails to perform any of its obligations or covenants under this Lease, and such failure is not cured within thirty (30) business days after Lessor’s receipt of written notice from Lessee of this failure; however, no Lessor Event of Default will occur if Lessor begins to cure this failure within thirty (30) business days after its receipt of this notice and continues this cure with reasonable diligence for such period as is reasonably necessary to cure the failure. Whenever any Lessor Event of Default referred to in this section shall have occurred and be continuing beyond any specified cure period, then in addition to any other remedies herein or by law provided, Lessee shall have the right, without any further demand or notice, to declare this Lease terminated. No remedy conferred upon or reserved to Lessee by this Lease is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be

cumulative and shall be in addition to every other remedy given under this Lease and as now or hereafter existing at law or in equity.

ARTICLE XI MISCELLANEOUS

11.1 Relationship of the Parties. Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties hereto. It is understood and agreed that no provision contained herein nor any employees, agents, members or shareholders of the parties hereto creates a relationship other than the relationship between Lessor and Lessee as lessor and lessee or as described in the CEA. In no event shall Lessee's officers, directors, employees or agents be liable for any of the obligations of Lessee hereunder.

11.2 Louisiana Law to Apply. This Lease shall be construed under and in accordance with the laws of the State of Louisiana, and the sole forum for all disputes arising out of this Lease shall be the Nineteenth Judicial District Court for the Parish of East Baton Rouge, State of Louisiana.

11.3 Waiver. The Lessor and Lessee agree that either party's failure to insist on strict performance of any term or condition of this Lease shall not constitute a waiver of that term or condition, even if the party accepting or acquiescing in the non-conforming performance knows of the nature of the performance and fails to object to it. No waiver or breach shall affect or alter this Lease but each of the terms of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. No waiver of any default hereunder by either party shall be implied from any omission by the non-defaulting party to take any action on

account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver for the time and to the extent therein stated. One or more waivers shall not be construed as a waiver of a subsequent breach of the same covenant, term, or condition.

11.4 Severability. The provisions of this Lease are severable. Any terms and/or conditions that are deemed illegal, invalid or unenforceable shall not affect any other term or condition of the Lease or the CEA.

11.5 No Assignment. Lessee may not, without the prior written consent of Lessor, assign, mortgage or otherwise encumber in whole or in part this Lease or any interest therein; provided, Lessee may, with prior notice to Lessor, but without the consent of Lessor, assign its interest as Lessee under this Lease to a non-profit corporation, limited liability company, limited liability partnership, or other non-profit legal entity wholly owned or controlled by Lessee, or to any non-profit entity that is a successor by merger to the Lessee or that acquires Lessee or all or substantially all of the assets of Lessee, provided that such assignee assumes Lessee's obligations hereunder by operation of law or agrees to assume in writing Lessee's obligations hereunder, all in form and substance approved by Lessor. In no event shall any assignment of all or any portion of the Equipment release Lessee from any obligations under the Lease, unless such release shall be evidenced by Lessor's express written agreement at the time of the assignment, which agreement may be withheld in Lessor's sole discretion.

11.6 No Subletting. Lessee may not, without the prior written consent of Lessor, sublease all or any portion of the Equipment; provided, Lessee may, with prior notice to Lessor, but without the consent of Lessor, sublease all or a portion of the Equipment to a corporation, limited liability company, limited liability partnership, or other legal entity wholly owned or

controlled by Lessee, or to any entity that is a successor by merger to the Lessee or that acquires Lessee or all or substantially all of the assets of Lessee, provided that all such subleases shall be subject and subordinate to all of the terms and conditions of this Lease and the use of the Equipment permitted under any such sublease shall be in accordance with the applicable terms and conditions of this Lease, and further provided that such sublessee assumes Lessee's obligations hereunder by operation of law or agrees to assume in writing Lessee's obligations hereunder, all in form and substance approved by Lessor. In no event shall any subletting of all or any portion of the Equipment release Lessee from any obligations under the Lease, unless such release shall be evidenced by Lessor's express written agreement at the time of the subletting, which agreement may be withheld in Lessor's sole discretion.

11.7 Books, Records and Audit. The books, accounts and records of Lessee which pertain directly to the Equipment shall be maintained at the principal office of Lessee. LSU may at its option and at its own expense during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of Lessee and its contractor(s) to the extent necessary to verify compliance with this Lessee or insofar as said books, bank accounts, records and accounts directly relate to Lessee's performance of its obligations under this Lease. Audits may be made on either a continuous or periodic basis or both and may be conducted by employees of LSU, by independent auditors retained by LSU to conduct such audit, by the Louisiana Legislative Auditor or by the Office of the Governor, Division of Administration, but any and all such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of business affairs of Lessee.

11.8 Successors and Assigns. This Lease shall be binding on and will inure to the benefit of the parties to this Lease and their respective successors and assigns, provided any such assignment was made in a manner consistent with terms of this Lease.

11.9 Authorized Representative of the Parties. In any instance in which the approval or consent of a party is required, it shall be given on behalf of Lessor by the President of the LSU System or his successor or designee, and on behalf of Lessee by any duly authorized representative of Lessee.

11.10 Entire Agreement. This Lease, together with all exhibits attached hereto, sets forth the entire agreement of the parties with respect to the matters set forth herein, and no verbal commitments, except those reduced to writing in this Lease, have any binding effect. Any amendments to this Lease must be reduced to writing and signed by both parties.
