BOR-13	<p>Revenue amounts reflect the original FY 14-15 Operating Budget. The FY 14-15 Operating Budget includes a ten percent tuition increase effective 07/01/14 for all academic programs except Medicine and Dentistry (D.D.S.); a fifteen percent increase effective 07/01/14 for Medicine and D.D.S. students and a 15% increase in total non-resident fees for most academic programs effective 7/1/2014.</p>
BOR-13A	<p>State General Funds, Fees and Self-Generated Funds, and Statutory Dedications are pooled for expenditure purposes as unrestricted funds. The allocations which we have provided for the various student fees reflects a prorating of expenditures between these fees based on the FY 14-15 original Operating Budget for the NACUBO functions of Instruction, Research, Public Service, Academic Support, and Student Services excluding the pass through of funds to LA Cancer Consortium. In practice, budget and expenditure control is exercised over unrestricted funds as a whole and not by means of financing or specific fee amounts.</p>

# **Louisiana State University Health Sciences Center Shreveport**

**“Operating Budget”  
for Fiscal Year 2014-2015**

**CHANCELLOR'S NARRATIVE  
LSU HEALTH SCIENCES CENTER AT SHREVEPORT  
FISCAL YEAR 2014-2015  
August 15, 2014**

According to the General Appropriation Bill, House Bill 1 (Act 15 of 2014), the Fiscal Year 2014-2015 Operating Budget for LSU Health Sciences Center at Shreveport is \$135,829,411.

**Appropriated Line Items/Significant New Funding Items**

In FY 2014-2015, LSU Health Sciences Center at Shreveport (HSC-S) Academic Center received additional spending authority of \$1,286,810 in Tuition and Fees and \$1,641,733 in State General Funds Direct.

**Workforce and Innovation for a Stronger Economy (WISE) Program:**

The "Workforce & Innovation for a Stronger Economy" (WISE) Plan was established to fund degree and research priorities in high demand fields through programs offered at public higher education institution.

LSU HSC- Shreveport Campus proposes to increase medical school class size from 125 to 150 students. Renovations to the LSU Health Foundation Church will provide lecture space for the enrollment increase.

- The WISE capital funds will be used for facility improvements that increase degree production.
- Renovation of the LSU Health Foundation Church would meet the ACGME requirements for lecture space to increase the class size from 125 students to 150 students.
- LSU HSC-Shreveport's anticipated allocation of WISE funds is \$1.4 million, roughly the estimate for sanctuary renovations.
- The LSU Health Shreveport Foundation voted August 6<sup>th</sup> to provide the 20% private match to access WISE funding for LSU HSC-S to expand the medical school class size and meet increasing health care professional demands.

**FY 2014-2015 Priorities:**

LSU Health Sciences Center at Shreveport provides statewide education, research, and professional patient care services. The LSUHSC-Shreveport encompasses three professional schools: School of Medicine, School of Graduate Studies, and School of Allied Health Professions.

The critical need for recruitment and retention of the faculty and annual stable funding are fundamental to the teaching and service mission of an academic health sciences center. Recently, the institution underwent the Liaison Committee on Medical Education (LCME) review. LSUHSC-S School of Medicine was granted a full eight-year re-accreditation. LSUHSC-S School of Medicine also increased the class size by 7 -- now 125 students. As noted above, the future goal is to increase to 150 students.

FY 2014-2015 is the first full fiscal year since the public/private hospital partnership agreement was implemented October 1, 2013. This year's appropriation represents only the academic health sciences center funding which includes prior year base level state general funds, the incremental tuition and fee increase, and self-generated funding from hospital based service contracts. The campus priorities include retaining faculty, maintaining state general funds, and stabilizing the earning power with our new partner to meet the core institutional mission for academics and professional patient care.

**Maximum Support for Athletics:**

Not applicable

**FY 2014-2015 LSU System Institution Charge**

LSUHSC-S allocation is \$290,290

**FY 2014-2015 Internal Auditor Reimbursement**

LSUHSC-S estimated allocation is \$216,569

**FY 2014-2015 LSU System Salary Reporting and Guidelines**

LSUHSC-S will not provide merit-based pay adjustments at this time. A layoff avoidance plan addressing classified employees will be submitted to the Department of Civil Service for approval.

RE: LSU System FY 2014-2015 Operating Budget

The LSU Board of Supervisors and System Office Operating Budget for FY 2014-15 includes \$3,495,054 in General Fund for a total Operating Budget of \$3,495,054. This is the same amount as last year's final Operating Budget and the year before which included the mid-year cut of \$92,541.

It should be noted that the System Office's appropriation does include the Audubon Center for Research of Endangered Species (ACRES) pass-through (\$555,694), Legislative Auditor fees (\$733,979), and the Office of Risk Management premiums (\$235,026). These mandated fees are shown as Interagency Transfers on this report.

The System Office has continued to run an efficient operation despite the increased workloads and minimal staff. As a comparison, the System Office consisted of 77 employees in FY 2008-09 which has been reduced to 40 (inclusive of 11 campus internal auditors).

RE: Overview of HCSD's FY15 budget

For FY15, the LSU Health Care Services Division is appropriated a budget of \$131,024,302. Major changes in the budget are as follows:

- Bogalusa Medical Center and Walter O. Moss Medical Center are not funded in HCSD's FY15 budget. In FY15, these hospitals are being managed by private entities as a result of public/private partnership agreements.
- Lallie Kemp was provided with twelve months of funding in the FY15 budget.
- Removal of \$20M in statutory dedications that was previously appropriated to HCSD to cover one-time costs associated with termination pay for employees that separated from state service as a result of transition to the public/private partnerships.
- HCSD's central office operations were moved on budget and therefore has a budget appropriation.

Additionally, for FY15, HCSD plans to provide a 3% across the board merit increase for eligible employees and has the following budgeting priorities:

- During 2013 and 2014, the HCSD transitioned six of its seven hospitals to public-private partnerships. The partnerships are designed to support the HCSD mission by providing new resources for patient care and teaching. It is HCSD's priority to provide supportive services to our partners to ensure that the mission is upheld. These services include IT systems and support, patient billing and accountable care services.
- As a result of the public-private partnership, several legacy costs remain with HCSD. Retiree's group insurance and risk management make up the majority of these costs for FY14. Other legacy costs include, but are not limited to, record storage, interagency fees and building maintenance and security.

WWW.LSUHOSPITALS.ORG

- Accountable Care Services (ACS), which includes data warehousing, is a priority for HCSD. In conjunction with multiple agencies the LSU HCSD public-private partnerships are coordinating, collaborating, studying and improving patient care. The use of 'big data' and analytics is allowing statewide quality metric development and advancement. ACS provides a learning collaborative to facilitate continual improvement.
- It is a priority of HCSD to maintain existing programs, at current levels, and continued access to quality care at Lallie Kemp Regional Medical Center.

## **Request delegation of Board authority to the President for matters dealing with Workforce and Innovation for a Stronger Economy Program and Fund**

To: Members of the Board of Supervisors

Date: September 12, 2014

Pursuant to paragraph D. of Article VII, Section 8 of the Board Bylaws, the following is provided:

### 1. Significant Board Matter

This matter is a "significant board matter" pursuant to the following provisions of Article VII, section 8 of the Bylaws:

- D.1 Any matter having a significant fiscal (primary or secondary) or long term educational or policy impact on the System or any of its campuses or divisions.

### 2. Summary of the Matter

Act 803 of the 2014 Regular Session of the Louisiana Legislature, entitled Workforce and Innovation for a Stronger Economy (WISE) was passed to provide an incentive for postsecondary educational institutions to increase the production of certificates, diplomas, and degrees in fields of high demand by Louisiana employers, and to spur additional research and innovation as a meaningful way of supporting economic development.

The statute also provides for the WISE Council, which is an independent body under the administrative structure of the Board of Regents. The membership of the WISE Council is fixed by law to include the system president of each postsecondary system, the commissioner of higher education, the executive director of the Louisiana Workforce Commission, the chairperson of the Louisiana Workforce Investment Council, and the secretary of Louisiana Economic Development. The WISE Council is tasked with developing a method for the distribution of monies in the WISE fund in alignment with the statewide workforce demand and gap analysis and research priorities, reviewing and approving the statewide workforce demand and gap analysis and research priorities, and reviewing and approving the implementation plans submitted by the individual institutions.

The Board of Regents and the management boards also have certain responsibilities under the WISE Act. The Board of Regents is specifically tasked with reviewing and approving the statewide workforce demand and gap analysis and research priorities, annual reporting on behalf of postsecondary education and acting as the fiscal agent for postsecondary education as well as providing administrative support to the WISE council. In addition to the responsibility for the institutional allocation, institutional implementation plans, and annual reporting to the Board of Regents, the management boards are specifically tasked with certification of a private match of no less than twenty percent of the amount of funding to be distributed to an institution.

The WISE council and staff have met throughout the summer in an effort to provide a distribution methodology and a statewide workforce demand and gap analysis for consideration at the Board of Regents meeting on September 24<sup>th</sup>.

If the distribution methodology and a statewide workforce demand and gap analysis are approved at the September 24th Board of Regents meeting, it is expected that the management boards will be given their system allocations and be expected to confect institutional allocations and to provide guidance to its institutions regarding implementation plans and match certifications.

In an effort to streamline the process and to provide as much support and flexibility to the institutions as possible as they begin to craft and implement their plans under this program, it is being requested that the Board of Supervisors authorize the President, with notification to the Board to act on their behalf on all matters dealing with Act 803 of the 2014 Legislative Session.

The Board of Supervisors

At its June 20, 2014 meeting, the Board adopted a resolution (the “Preliminary Resolution”) granting preliminary approval to the issuance of its Auxiliary Revenue Refunding Bonds in one or more series (the “Series 2014 Bonds”) in an aggregate principal amount not to exceed \$92,000,000, at a fixed rate of interest not to exceed five percent (5%) per annum and for a term not to exceed 30 years for the purposes of (i) advance refunding all or a portion of the Board’s Auxiliary Revenue Bonds, Series 2006 (the “Prior Bonds”), (ii) funding a reserve fund or paying the premium for a reserve fund insurance policy or surety bond, if necessary, and (iii) paying the costs of issuance of the Series 2014 Bonds, including, but not limited to, the preparation of the hereinafter described Bond Resolution and the preparation and distribution of preliminary and final official statements, if any, related thereto, all for the benefit of Louisiana State University and Agricultural and Mechanical College (the “University”). Furthermore, the issuance of the Series 2014 Bonds was approved by the Louisiana State Bond Commission (the “Commission”) on July 17, 2014, in an aggregate principal amount not to exceed \$92,000,000.

The Series 2014 Bonds will be secured by and payable solely from revenues derived by the University from Auxiliary Revenues (as defined in the General Bond Resolution, as amended).

The Board, in the Preliminary Resolution, further authorized the preparation of a Seventeenth Supplemental Resolution (the “Seventeenth Supplemental Resolution”) to be adopted by the Board prior to the issuance of the Series 2014 Bonds in connection with matters relating to the Series 2014 Bonds and the issuance thereof. The Seventeenth Supplemental Resolution is being presented to the Board for adoption in substantially final form (Attachment I).

This resolution provides for certain general matters relating to the Series 2014 Bonds and the issuance thereof, it being the intent of the Board and the University that the further details of the Series 2014 Bonds (including, without limitation, the maturity, the rate or rates of interest and any security therefor) will be fixed by the Seventeenth Supplemental Resolution, but cannot be completed until the Series 2014 Bonds are actually priced in the marketplace.

The University requests that the Board delegate to an Authorized Board Representative (as defined in the Seventeenth Supplemental Resolution) the authority to approve the final pricing details of the Series 2014 Bonds. It is expected that the Series 2014 Bonds will be issued on or about October 16, 2014.

As previously reported to the Board, the University has selected Raymond James & Associates, Inc. to serve as senior managing underwriter of the Series 2014 Bonds and Citigroup Capital Markets and RBC Capital Markets, LLC as co-managing underwriters for the Series 2014 Bonds.

## **2. Review of Business Plan**

The business plans for the departments that benefited from the issuance of the Prior Bonds (i.e., the Student Union, Athletics and Parking) have all been recently reviewed when more recent bond issues were approved. Each department is projected to generate sufficient revenues to fully cover all projected debt service on the Series 2014 Bonds. The refunding of the Prior Bonds is anticipated to generate net present value debt service savings of approximately \$5.09 million.

Additionally, the Pro-Forma Debt Service Coverage Ratio of LSU Auxiliaries was reviewed and this ratio is at an acceptable level.

## **3. Fiscal Impact**

This bond issue will not have any direct fiscal impact on the campus. The Series 2014 Bonds shall be payable solely from and secured by a pledge of the Auxiliary Revenues consisting of revenues derived by the University from certain Auxiliary Enterprises, including, without limitation, athletics, residential life, parking, graphic services, the student union, student health services, and other miscellaneous auxiliaries and certain other revenues that have been dedicated to the payment bonds.

## **4. Description of Competitive Process**

A competitive process is used to select the sales and underwriting professionals for the bonds. This competitive process, through a formal Request for Proposals, was used for the issuance of the recent Series 2013 Revenue Bonds. The same selected financing team is being utilized for the proposed refunding issue. The underwriting team is Raymond James & Associates, Inc. as Senior Managing Underwriter and Citigroup and RBC Capital Markets as co-managing Underwriters. The Underwriters being used for the proposed refunding have extensive experience with the issuance of the University's debt and direct experience with the issuance of the Prior Bonds.

## **5. Review of Legal Documents**

This request for final approval to issue bonds is consistent with Board policy as previously adopted on June 17, 1994, in its General Bond Resolution authorizing the issuance from time to time of Auxiliary Revenue Bonds of the Board payable from gross revenues of certain auxiliary enterprises of Louisiana State University and Agricultural and Mechanical College, including, without limitation, University Stores, Student Media, LSU Union, Golf Course, Graphic Services, Laboratory School Cafeteria, Parking, Traffic and Transportation, Athletics, Student Health Service, LSU Press, Contracted Auxiliary Services, Residential Life and certain other revenues that have been dedicated to the payment of auxiliary revenue bonds.

## **6. Parties of Interest**

None of the parties relevant to the approval for the Project and the issuance of the Series 2014 Bonds has any related interest in the refunding of the Prior Bonds or the projects financed with the proceeds of the Prior Bonds, nor will they receive any financial gain from this approval.

## **7. Related Transactions**

The Board has previously issued and currently has outstanding the following bonds secured by Auxiliary Revenues: (i) Auxiliary Revenue Refunding Bonds, Series 2004 issued in the original aggregate principal amount of \$16,035,000, (ii) Auxiliary Revenue and Refunding Bonds, Series 2005A issued in the original aggregate principal amount of \$18,905,000, (iii) Auxiliary Revenue Bonds, Series 2006 issued in the original aggregate principal amount of \$97,095,000, (iv) Auxiliary Revenue Bonds, Series 2007 issued in the original aggregate principal amount of \$71,130,000, (v) Auxiliary Revenue Bonds, Series 2008 issued in the original aggregate principal amount of \$52,815,000, (vi) Auxiliary Revenue and Refunding Bonds, Series 2010A issued in the original aggregate principal amount of \$87,625,000, (vii) Gulf

Any such redemption must take place within 120 days following the receipt of casualty insurance or condemnation proceeds relating to such damage, destruction or taking.

The Board shall use its reasonable best efforts to repair, replace, rebuild or restore such Auxiliary Facility; however, should it elect to use Net Proceeds to redeem the Series 2014 Bonds, the Board shall give the Trustee at least 35 days' notice of any redemption to be made pursuant to this Section 3.01. The notice shall specify the redemption date and the principal amounts and maturities of Series 2014 Bonds to be redeemed.

Section 3.02. ***Optional Redemption.*** Beginning on or after July 1, 2024, the Board may redeem the Series 2014 Bonds maturing on or after July 1, 2025, in whole on any date or in part as selected by the Trustee by lot at the direction of the Board (in denominations of \$5,000 or any integral multiple thereof) from time to time on any Interest Payment Date, at a price equal to the par amount thereof plus accrued interest to the redemption date.

The Board shall give the Trustee at least 35 days' written notice of any redemption to be made pursuant to this Section 3.02. The notice shall specify the redemption date and the principal amounts and maturities of Series 2014 Bonds to be redeemed.

## \*Final Maturity

However, if Series 2014 Bonds have been redeemed pursuant to extraordinary optional redemption or optional redemption as described above, or if the Board has delivered Series 2014 Bonds to the Trustee for cancellation, the Board may direct that any Sinking Fund Amount be reduced by an amount equal to all or a portion of the principal amount of any Series 2014 Bonds so redeemed or delivered for cancellation (and not previously used to reduce any Sinking Fund Amount). The Board shall deliver any such direction at least 75 days before the redemption date.

If amounts are being held in the 2014 Principal Account of the Bond Fund to be used to redeem Series 2014 Bonds pursuant to the mandatory sinking fund redemption provision, in lieu of such redemption, the Board may, no later than 75 days before the redemption date, direct the Trustee in writing to use part or all of such moneys to purchase such Series 2014 Bonds, in a principal amount not to exceed the next Sinking Fund Amount, which Series 2014 Bonds are presented to the Board by Owners for purchase and which the Board directs the Trustee to purchase. The purchase price of such Series 2014 Bonds shall not exceed the redemption price of the Series 2014 Bonds

which would be redeemed but for the operation of this paragraph (accrued interest to be paid from the same Fund or Account from which accrued interest would be paid upon the redemption of such Series 2014 Bonds). Any such purchase shall be completed prior to the time notice would otherwise be required to be given to redeem Series 2014 Bonds. All Series 2014 Bonds so purchased shall be cancelled and applied as a credit (in an amount equal to the principal amount of such Series 2014 Bonds) against the next Sinking Fund Amount.

The giving of such notice, or the failure to give such notice or any defect in such notice, shall not affect the validity of the redemption of any Series 2014 Bonds.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: \_\_\_\_\_ DOLLARS

KNOW ALL PERSONS BY THESE PRESENTS that the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College (the “Board”), being a constitutional corporation under the laws of the State of Louisiana (the “State”), for value received, hereby promises to pay to the Bond Owner specified above or registered assigns solely from the special funds provided therefor, the Principal Amount specified above, on the Maturity Date specified above (unless called for earlier redemption), and to pay from such special funds interest thereon on January 1 and July 1 of each year (“Interest Payment Date”) commencing January 1, 2015, at the Interest Rate per annum specified above, until the Principal Amount specified above is paid or duly provided for. Interest on the Series 2014 Bonds shall be computed from the Interest Payment Date to which interest has been paid or duly provided for next preceding the date of authentication thereof, unless

(a) such date of authentication shall be prior to the first Interest Payment Date, in which case interest shall be computed from the date of issuance of the Series 2014 Bonds, or (b) such date of authentication shall be an Interest Payment Date to which interest on the Series 2014 Bonds has been paid in full or duly provided for, in which case interest shall be computed from such date of authentication; provided, however, that if interest on the Series 2014 Bonds shall be in default, Series 2014 Bonds issued in exchange for Series 2014 Bonds surrendered for registration of transfer or exchange shall bear interest from the last date to which interest has been paid or duly provided for on the Series 2014 Bonds or, if no interest has been paid or duly provided for on the Series 2014 Bonds, from the date of delivery thereof.

Principal of any Series 2014 Bonds which have become due and payable, together with any applicable redemption premium, shall be payable only upon presentation and surrender of such Series 2014 Bonds at the principal corporate trust office of The Bank of New York Mellon Trust Company, N.A. Interest on the Series 2014 Bonds (except defaulted interest) shall be paid to the Persons who are the Owners of the Series 2014 Bonds at the close of business on the fifteenth (15<sup>th</sup>) day of the calendar month next preceding an Interest Payment Date (the "Record Date") next preceding the Interest Payment Date. Defaulted interest shall be paid as provided in the General Bond Resolution. Interest shall be paid by check of the Trustee mailed on the Interest Payment Date to the Owners at their addresses as they appear on the Bond Register or at such other address as is furnished in writing by an Owner to the Trustee prior to the Record Date. Any such interest not so timely paid shall cease to be payable to the person who is the Bond Owner at the close of business on the Record Date and shall be payable to the Person who is the Bond Owner at the close of business on a Special Record Date, as described in the General Bond Resolution adopted by the Board on June 17, 1994, as supplemented and amended, and the Seventeenth Supplemental Resolution approved by the Board on September 12, 2014, and executed by an Authorized Board Representative on October 16, 2014, authorizing the issuance of this Series 2014 Bond (collectively, the "Bond Resolution"), for the payment of any defaulted interest. Such Special Record Date shall be fixed by the Trustee whenever moneys become available for the payment of the defaulted interest, and notice of the Special Record Date shall be given to the Bond Owners for the series of which this is one (the "Series 2014 Bonds") not less than ten (10) days prior thereto. Any Owner of Series 2014 Bonds in an aggregate principal amount of at least \$1,000,000 may, however, elect to have interest payments made to such Owner by wire transfer of Federal Funds. In order to make such election, the Owner must notify the Trustee in writing and provide wire transfer instructions prior to the Record Date for the Interest Payment Date on which such wire transfer payments are to commence. Once an election is made, all subsequent interest payments to such Owner shall be by wire transfer, according to the last wire transfer instructions received prior to the Record Date. The Owner may revoke or change such instructions by delivering a written notice to the Trustee. Such instructions may also provide for the payment of principal and premium by wire transfer of Federal Funds (following presentation and surrender of the Series 2014 Bonds being paid).

The Series 2014 Bonds are issuable as fully registered bonds without coupons in denominations of \$5,000 and any integral multiple thereof and are exchangeable for fully registered Series 2014 Bonds of the same maturity in equal aggregate principal amounts and in authorized denominations at the aforesaid office of the Trustee, but only in the manner, subject to the limitations, and on payment of the charges provided in the Bond Resolution.

All terms defined in the Bond Resolution and not otherwise defined in this Series 2014 Bond shall have the meaning given to those terms in the Bond Resolution.

***Extraordinary Optional Redemption.*** The Board may at any time redeem all or any part (in the denomination of \$5,000 or any integral multiple thereof) of the Series 2014 Bonds at a redemption price equal to their principal amount plus accrued interest to the redemption date if a particular Auxiliary Facility is damaged, destroyed or taken by eminent domain or sold under the threat of condemnation and the Board elects to use the net proceeds of casualty insurance or condemnation or sale under threat of condemnation to redeem Series 2014 Bonds rather than repair, replace, rebuild or restore the Auxiliary Facility. Any such redemption must take place within 120 days following the receipt of casualty insurance or condemnation proceeds relating to such damage, destruction or taking.

The Board shall give the Trustee at least 35 days' notice of any such redemption to be made. The notice shall specify the redemption date and the principal amounts and maturities of Series 2014 Bonds to be redeemed.

***Optional Redemption.*** Beginning on or after July 1, 2024, the Board may redeem the Series 2014 Bonds maturing on or after July 1, 2025, in whole on any date or in part as selected by the Trustee by lot at the direction of the Board (in denominations of \$5,000 or any integral multiple thereof) from time to time on any Interest Payment Date, at a price equal to the par amount thereof plus accrued interest to the redemption date.

The Board shall give the Trustee at least 35 days' notice of any such redemption to be made. The notice shall specify the redemption date and the principal amounts and maturities of Series 2014 Bonds to be redeemed.

***Mandatory Sinking Fund Redemption.*** The Series 2014 Bonds maturing July 1, 20\_\_ shall be subject to mandatory redemption in the following principal amounts ("Sinking Fund Amounts") on the following dates by lot in such manner as shall be determined by the Trustee at a redemption price equal to their principal amount plus accrued interest to the redemption date.

The Series 2014 Bonds maturing July 1, 20\_\_ shall be subject to mandatory redemption in the following principal amounts ("Sinking Fund Amounts") on the following dates by lot in such manner as shall be determined by the Trustee at a redemption price equal to their principal amount plus accrued interest to the redemption date.

However, if Series 2014 Bonds have been redeemed pursuant to extraordinary optional redemption or optional redemption as described above, or if the Board has delivered Series 2014 Bonds to the Trustee for cancellation, the Board may direct that any Sinking Fund Amount be reduced by an amount equal to all or a portion of the principal amount of any Series 2014 Bonds so redeemed or delivered for cancellation (and not previously used to reduce any Sinking Fund Amount). The Board shall deliver any such direction at least 75 days before the redemption date.

If amounts are being held in the 2014 Principal Account of the Bond Fund to be used to redeem Series 2014 Bond pursuant to the mandatory sinking fund redemption provision, in lieu of such redemption, the Board may, no later than 75 days before the redemption date, direct the Trustee in writing to use part or all of such moneys to purchase such Series 2014 Bonds, in a principal amount not to exceed the next Sinking Fund Amount, which Series 2014 Bonds are presented to it by Owners for purchase and which the Board directs the Trustee to purchase. The purchase price of such Series 2014 Bonds shall not exceed the redemption price of the Series 2014 Bonds which would be redeemed but for the operation of this paragraph (accrued interest to be paid from the same Fund or Account from which accrued interest would be paid upon the redemption of such Series 2014 Bonds). Any such purchase shall be completed prior to the time notice would otherwise be required to be given to redeem Series 2014 Bonds. All Series 2014 Bonds so purchased shall be cancelled and applied as a credit (in an amount equal to the principal amount of such Series 2014 Bonds) against the next Sinking Fund Amount.

***Notice of Redemption of Series 2014 Bonds.*** At least 30 days, but not more than 60 days, before a redemption date (other than for mandatory sinking fund redemption), the Trustee shall mail a notice of redemption to the Bond Owner of each Series 2014 Bond which is to be redeemed. The notice shall be sent by first class, registered or certified mail if the Bond Owner holds \$1,000,000 or more in principal amount of Series 2014 Bonds. The failure of the Trustee to mail notice of redemption to any Bond Owner or any defect in any notice of redemption shall not affect the validity of the redemption of any other Series 2014 Bond.

If less than all the Series 2014 Bonds are to be redeemed, the notice of redemption shall specify the numbers and amounts of the Series 2014 Bonds or portion thereof to be redeemed. The notice of redemption shall state that it is conditioned on there being sufficient money on deposit to pay the full redemption price of the Series 2014 Bonds.

Two Business Days prior to mailing notice to other Bond Owners, a copy of each notice of redemption shall be sent by the Trustee by certified or registered mail to each Depository which, or the nominee of which, holds any Series 2014 Bonds, provided that the Trustee may, in its discretion, provide for overnight, telecopied or other form of notice to a Depository acceptable to or requested by such Depository. The Trustee shall file, on the same date notices are mailed to other Bondholders, a copy of each notice of redemption with EMMA.

If a Series 2014 Bond is not presented for payment on or within 30 days after its redemption date, the Trustee shall, as soon as reasonably possible, mail a second notice of redemption to the last Bond Owner of record of such Series 2014 Bond, including the same information as in the first notice. The giving of such notice, or the failure to give such notice or any defect in such notice, shall not affect the validity of the redemption of any Series 2014 Bonds.

***Exchange and Transfer of Series 2014 Bonds.*** The Board and the Trustee shall not be required to issue, register the transfer of or exchange (a) any Series 2014 Bonds during a period beginning at the opening of business on the Regular Record Date and ending at the close of business on the Interest Payment Date or (b) any Series 2014 Bond called for redemption prior to maturity during a period beginning on the opening of business fifteen (15) days before the date of the mailing of notice of redemption of such Series 2014 Bonds and ending on the date of such redemption.

Upon surrender for registration of transfer of any Series 2014 Bond, the Trustee shall register and deliver in the name of the transferee or transferees one or more new fully registered Series 2014 Bonds of authorized denomination and maturity and like aggregate principal amount. At the option of a Bond Owner, Series 2014 Bonds may be exchanged for other Series 2014 Bonds of authorized denominations of the same Series and maturity and like aggregate principal upon surrender at such office. Whenever any Series 2014 Bonds are so surrendered for exchange, the Trustee shall register and deliver in exchange thereof the Series 2014 Bond or Series 2014 Bonds which the Bond Owner making the exchange shall be entitled to receive after receipt of the Series 2014 Bonds to be transferred in proper form. All Series 2014 Bonds presented for registration of transfer or exchange shall (if so required by the Board or the Trustee), be accompanied by a written instrument or instruments of transfer in form and with a guaranty of signature satisfactory to Trustee, duly executed by the Bond Owner or by such Bond Owner's duly authorized attorney. No charge shall be made

to the Bond Owner for any exchange or transfer of Series 2014 Bonds, but the Trustee may require payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

All Series 2014 Bonds delivered upon any registration of transfer or exchange of Series 2014 Bonds shall be valid obligations of the Board, evidencing the same debt and entitled to the same benefits under the Bond Resolution as the Series 2014 Bonds surrendered upon authentication thereof by the Trustee. Prior to due presentment for registration of transfer of any Series 2014 Bond, the Board, the Trustee, and any agent of the Board or the Trustee may treat the person in whose name any Series 2014 Bond is registered as the absolute owner thereof for all purposes (except to the extent otherwise provided hereinabove and in the Bond Resolution with respect to Record Dates and Special Record Dates for the payment of interest), whether or not such Series 2014 Bonds shall be overdue, and shall not be bound by any notice to the contrary.

The Series 2014 Bonds are issued by the Board pursuant to Sections 2181 through 2193 and 3351(A)(4) of Title 17 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:1421 through 1437), and Article VII, Section 6(C) of the Constitution of the State of Louisiana of 1974 (the "Constitution" and, together with the cited statutory authority, the "Act") and other constitutional and statutory authority, which authorize the Board to borrow money, issue bonds and refunding bonds, and pledge revenues for the payment thereof. The Series 2014 Bonds are issued pursuant to the Bond Resolution for the purpose of providing funds to advance refund a portion of the Board's outstanding Auxiliary Revenue Bonds Series 2006, issued in the original aggregate principal amount of \$97,095,000 (the "Refunded Bonds"), and (ii) pay the costs of issuance of the Series 2014 Bonds.

THE SERIES 2014 BONDS SHALL BE SPECIAL AND LIMITED OBLIGATIONS OF THE BOARD PAYABLE SOLELY FROM AUXILIARY REVENUES, THE LAB SCHOOL REVENUES AND THE RECREATIONAL SPORTS FEE REVENUES; PROVIDED THAT (i) THE PLEDGE OF THE LAB SCHOOL REVENUES WILL LAPSE WHEN THE SERIES 2005A BONDS, SERIES 2008 BONDS AND SERIES 2010A BONDS AND/OR ANY ADDITIONAL BONDS ISSUED TO REFUND OR REFINANCE SUCH SERIES 2005A BONDS, SERIES 2008 BONDS AND SERIES 2010A BONDS ARE NO LONGER OUTSTANDING AND (ii) THE PLEDGE OF RECREATIONAL SPORTS FEE REVENUES WILL LAPSE WHEN THE SERIES 2005A BONDS, SERIES 2008 BONDS, SERIES 2010A BONDS, SERIES 2013 BONDS AND/OR ANY ADDITIONAL BONDS ISSUED TO REFUND OR REFINANCE SUCH SERIES 2005A BONDS, SERIES 2008 BONDS, SERIES 2010A BONDS AND SERIES 2013 BONDS ARE NO LONGER OUTSTANDING. THE SERIES 2014 BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE UNIVERSITY, THE LSU SYSTEM, THE BOARD, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION OF INDEBTEDNESS AND SHALL CONTAIN A RECITAL TO THAT EFFECT. NEITHER THE STATE NOR ANY AGENCY OR POLITICAL SUBDIVISION THEREOF, OTHER THAN THE BOARD, SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF THE SERIES 2014 BONDS OR THE INTEREST THEREON, AND THE SERIES 2014 BONDS SHALL NOT BE DEEMED

TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OR ANY AGENCY OR POLITICAL SUBDIVISION OR AGENCY THEREOF, OTHER THAN THE BOARD.

THE AUXILIARY REVENUES, THE LAB SCHOOL REVENUES AND THE RECREATIONAL SPORTS FEE REVENUES ARE PLEDGED TO THE PAYMENT OF THE SERIES 2014 BONDS ON A PARITY WITH THE BOARD'S OUTSTANDING PARITY BONDS AND ANY ADDITIONAL BONDS; PROVIDED THAT (i) THE LAB SCHOOL REVENUES AND RECREATIONAL SPORTS FEE REVENUES SHALL BE SO PLEDGED ONLY FOR SO LONG AS THE SERIES 2005A BONDS, SERIES 2008 BONDS, SERIES 2010A BONDS, AND/OR ANY ADDITIONAL BONDS ISSUED TO REFUND OR REFINANCE SUCH SERIES 2005A BONDS, SERIES 2008 BONDS AND SERIES 2010A BONDS ARE OUTSTANDING AND ADDITIONALLY (ii) THE RECREATIONAL SPORTS FEE REVENUES SHALL BE SO PLEDGED FOR SO LONG AS THE SERIES 2013 BONDS AND/OR ANY ADDITIONAL BONDS ISSUED TO REFUND OR REFINANCE SUCH SERIES 2013 BONDS ARE OUTSTANDING.

The Series 2014 Bonds are equally and ratably payable from a pledge under the Bond Resolution of the Auxiliary Revenues, and the Series 2014 Bonds shall enjoy a pledge of Auxiliary Revenues under the Bond Resolution. Obligations in addition to the Series 2014 Bonds, subject to expressed conditions, may be issued and made payable from the Auxiliary Revenues having a pledge thereof (i) subordinate and junior to the pledge relative to the Series 2014 Bonds, or (ii) subject to additional expressed conditions, on a parity with the Series 2014 Bonds, as provided in the Bond Resolution. The Series 2014 Bonds are payable on a parity with the Board's outstanding (i) Auxiliary Revenue Refunding Bonds, Series 2004 issued in the original aggregate principal amount of \$16,035,000, (ii) Auxiliary Revenue and Refunding Bonds, Series 2005A issued in the original aggregate principal amount of \$18,905,000, (iii) Auxiliary Revenue Bonds, Series 2006 issued in the original aggregate principal amount of \$97,095,000 (to the extent not refunded by the Series 2014 Bonds), (iv) Auxiliary Revenue Bonds, Series 2007 issued in the original aggregate principal amount of \$71,130,000, (v) Auxiliary Revenue Bonds, Series 2008 issued in the original aggregate principal amount of \$52,815,000, (vi) Auxiliary Revenue and Refunding Bonds, Series 2010A issued in the original aggregate principal amount of \$87,625,000, (vii) Gulf Opportunity Zone Auxiliary Revenue Bonds, Series 2010B issued in the original aggregate principal amount of \$31,250,000, (viii) Auxiliary Revenue Refunding Bonds, Series 2012, issued in the original aggregate principal amount of \$41,615,000 and (ix) Auxiliary Revenue Bonds, Series 2013, issued in the original aggregate principal amount of \$101,180,000.

Auxiliary Revenues are defined to mean (i) the gross amount of all funds, monies or revenues held by the University and any earnings thereon derived or to be derived by Auxiliary Enterprises from self generated revenues from all fees, rates, rentals, charges or other receipts or income received from students or the public at large in connection with any undertaking, utilization or operation of

Auxiliary Revenues shall not include funds, if any, appropriated by the Legislature of the State from time to time. Lab School Revenues and Recreational Sports Fee Revenues are also pledged as Auxiliary Revenues as security for the payment of all Bonds Outstanding under the General Bond Resolution and any Supplemental Resolutions for so long as the Series 2005A Bonds, Series 2008 Bonds, Series 2010A Bonds and/or any Additional Bonds issued to refund or refinance such Series 2005A Bonds, Series 2008 Bonds and/or Series 2010A Bonds are Outstanding. To the extent and in the respects permitted by the Bond Resolution, the provisions of the Bond Resolution and of any resolution amendatory thereof or supplemental thereto may be modified or amended by action on behalf of the Board taken in the manner and subject to the conditions and exceptions prescribed in the Bond Resolution. The pledge of the Auxiliary Revenues and other duties of the Board under the Bond Resolution may be discharged at or prior to the maturity or redemption of the Series 2014 Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Bond Resolution.

The Board covenants and agrees with the Owner of this Series 2014 Bond and with each and every person who may become the Owner hereof that it will keep and perform all of the covenants of the Bond Resolution.

## **PLAN OF REFUNDING OF THE PRIOR BONDS\***

### ***Plan of Refunding***

The University will deposit approximately \$\_\_\_\_\_ \* of proceeds of the Series 2014 Bonds [**and monies available from the Board**] to the Escrow Fund (the “Escrow Fund”) created by the Escrow Deposit Agreement dated the date of delivery of the Series 2014 Bonds (the “Escrow Agreement”) between the Board and The Bank of New York Mellon Trust Company, N.A. (the “Escrow Trustee”) for the purpose of defeasing and advance refunding the Prior Bonds.

The defeasance and advance refunding of the Prior Bonds is being undertaken for the purpose of lowering the total overall cost of debt service to the Board. The moneys required to defease and refund the Prior Bonds will be derived from the proceeds of the sale of the Series 2014 Bonds. Concurrently with the delivery of the Series 2014 Bonds, certain proceeds thereof shall be irrevocably deposited to the Escrow Fund pursuant to the Bond Resolution. The bond resolutions authorizing the Prior Bonds, the Bond Resolution and the Escrow Agreement require the Escrow Trustee to invest amounts deposited in the Escrow Fund in Defeasance Obligations described therein to effect a defeasance of the Prior Bonds to be refunded. The Escrow Fund will be net funded with a portion of the proceeds of the Series 2014 Bonds, which, together with investment earnings thereon, will be sufficient to pay principal and interest on the Refunded Bonds coming due on January 1, 2015, and on July 1, 2016, the earliest possible redemption date, the principal of and interest on the Prior Bonds as verified by Causey Demgen & Moore P.C. See “APPENDIX G - BONDS TO BE REFUNDED,” “VERIFICATION OF COMPUTATIONS” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

Upon the deposit of such moneys into the Escrow Fund, in the opinion of Bond Counsel, the Prior Bonds shall be deemed to be paid and shall no longer be deemed to be outstanding and the holders of the Prior Bonds shall be entitled to payment solely out of the moneys or securities deposited in the Escrow Fund pursuant to the Bond Resolution.

The money and investments held in the Escrow Fund in accordance with the Bond Resolution, all interest or other income thereon, and any proceeds from the disposition thereof will be used only to pay the principal of and interest on the Prior Bonds. See “VERIFICATION OF COMPUTATIONS” herein.

## **THE UNIVERSITY**

Throughout its 159-year history, the University has served the people of Louisiana, the region, the nation, and the world through extensive, multipurpose programs encompassing instruction, research, and public service. The University offers undergraduate, graduate and professional educational programs for outstanding students from the

State, the nation and other countries. Its nationally and internationally recognized efforts in a broad range of research fields create new knowledge and promote economic development. The University's libraries and museums preserve the rich cultural heritage of the State, and scholars and artists at the University contribute to the literature, history, science, technology and arts of the State's culturally diverse community. As the premier university of the State, the mission of the University is the generation, preservation, dissemination and application of knowledge and cultivation of the arts for the benefit of the people of the State, the nation and the global community. Because of its designation as a Carnegie Research University I, the top category of the Carnegie Foundation's ranking of research institutions, the University ranks in the top two percent of the nation's colleges and universities. The Research I designation is shared by only 59 public and 29 private universities in the country. The University is one of a limited number of universities nationwide designated both a land-grant and sea-grant college. The University is the lead institution in the land and space grant consortium and continues to pursue individual space-grant status.

The University was founded in 1855 by the General Assembly of Louisiana as the Louisiana State Seminary of Learning and Military Academy near Pineville, Louisiana. The institution opened January 2, 1860. When the Civil War began, the school's first superintendent, William Tecumseh Sherman, resigned to assume a command in the Union Army.

Fire demolished the Seminary in 1869, and the school was moved to Baton Rouge. In 1870, the Seminary was renamed Louisiana State University. In 1874, under the United States Morrill Act, the Louisiana State Agricultural and Mechanical College was established in New Orleans. The two institutions were merged by the Legislature in 1877 to become Louisiana State University and Agricultural and Mechanical College.

Construction of the present campus in Baton Rouge began in 1922, and the first classes were held in 1926. LSU experienced major growth in the 1930s and 1940s, expanding its student body, curricula and services. During the 1960s, the University began to place increasing emphasis on research.

The University is located on more than 2,000 acres in the southern part of Baton Rouge, Louisiana, the capital of the State, and is bordered on the west by the Mississippi River. The University's more than 250 principal buildings are grouped on a 650-acre plateau that constitutes the main part of the campus.

Demographic and summary financial information related to the University is attached hereto as APPENDIX A, and the LSU Financial Report of the LSU System for the year ended June 30, 2013, is attached hereto as APPENDIX B.

### **THE AUXILIARY ENTERPRISES**

There exist at the University Auxiliary Enterprises under the control, operation or supervision of the Board, which generate revenues and are operated essentially as self-supporting entities designed to generate revenues sufficient to maintain their operation. In certain years some Auxiliary Enterprises have produced negative cash flows; however, it is the policy of the Board that each Auxiliary Enterprise is operated essentially as a self supporting entity. Fees, rates, rentals, charges or other receipts or income constituting a major part of the Auxiliary Revenues are generated by these Auxiliary Enterprises and pledged pursuant to the Bond Resolution, are not subject to appropriation by the Legislature and are held in Board accounts outside the State Treasury. The funds and accounts of these Auxiliary Enterprises are, however, audited by the State Legislative Auditor. The Board has the power to restrict the self-generated revenues of Auxiliary Enterprises which are pledged to the payment of the Series 2014 Bonds issued pursuant to the Bond Resolution.

The Auxiliary Revenues of the University pledged to the payment of Series 2014 Bonds are (i) (a) the gross amount of all funds, monies or revenues held by the University and any earnings thereon derived or to be derived by Auxiliary Enterprises from self generated revenues from all fees, rates, rentals, charges or other receipts or income received from students or the public at large in connection with any undertaking, utilization, or operation of Auxiliary Enterprises or Auxiliary Facilities, including operation or management thereof by private entities on behalf of the

Auxiliary Enterprises, prior to the payment of Current Expenses, (b) Lab School Revenues, and (c) Recreational Sports Fee Revenues, provided, however, that (i) the Lab School Revenues and Recreational Sports Fee Revenues shall be so pledged only for so long as the Series 2005A Bonds, Series 2008 Bonds, Series 2010A Bonds, and/or any Additional Bonds issued to refund or refinance such Series 2005A Bonds, Series 2008 Bonds and Series 2010A Bonds are outstanding and additionally (ii) the Recreational Sports Fee Revenues shall be so pledged for so long as the Series 2013 Bonds and/or any Additional Bonds issued to refund or refinance such Series 2013 Bonds are outstanding; and (ii) all Funds and Accounts held pursuant to the General Bond Resolution, as supplemented, pertaining to a particular Series of Bonds except any fund created to hold monies pending rebate to the United States or for payment of the costs of issuance of Bonds.

In the Seventeenth Supplemental Resolution the Board confirms the pledge of and does thereby pledge the Lab School Revenues and Recreational Sports Fee Revenues, as Auxiliary Revenues, as security for the payment of all Bonds Outstanding under the General Bond Resolution and any Supplemental Resolutions for so long as the Series 2005A Bonds, Series 2008 Bonds, Series 2010A Bonds and/or any Additional Bonds issued to refund or refinance such Series 2005A Bonds, Series 2008 Bonds and/or Series 2010A Bonds are Outstanding and therein additionally confirms the pledge of, and does thereby pledge, the Recreational Sports Fee Revenues as Auxiliary Revenues as security for the payment of all Bonds Outstanding under the General Bond Resolution and any Supplemental Resolutions for so long as the Series 2013 Bonds and/or any Additional Bonds issued to refund or refinance such Series 2013 Bonds are Outstanding.

Auxiliary Revenues do not include funds appropriated to the Board by the Legislature of the State from time to time.

The obligation of the Board to pay Debt Service Requirements from Auxiliary Revenues shall be superior to any other claim on such funds. See "SECURITY FOR THE SERIES 2014 BONDS - Parity Lien Obligations" herein and "APPENDIX A - DEMOGRAPHIC AND SUMMARY FINANCIAL INFORMATION RELATED TO THE UNIVERSITY."

Source of Debt Service on the Parity Lien Obligations and Series 2014 Bonds: Underwriters

Although there is a pledge of gross Auxiliary Revenues to secure payment of debt service on the Parity Lien Obligations and the Series 2014 Bonds, these revenues are used by the Board to fund the operations of the Auxiliary Enterprises and, therefore, all such amounts are not set aside for payment of debt service on the Parity Lien Obligations and the Series 2014 Bonds.

The Auxiliary Enterprises operate essentially as self-supporting entities with budgets for all operating expenses to be paid from self-generated revenues. Over the years, one or more of the Auxiliary Enterprises have not generated annual revenues sufficient to pay all expenses of operation. However, such deficiencies have been covered by fund balances on hand from previous operating surpluses and, on a combined basis, Auxiliary Revenues have historically exceeded expenses of Auxiliary Enterprises as shown below:

## **THE SERIES 2014 BONDS**

### ***General***

The Series 2014 Bonds will be issued pursuant to the Bond Resolution and the Constitution and laws of the State, particularly Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the “Refunding Act”), subject to the terms and conditions provided in the Bond Resolution. The principal of, premium, if any, and interest on all Series 2014 Bonds issued under the provisions of the Bond Resolution shall be payable solely from Auxiliary Revenues and shall be entitled to the security and benefit of the Bond Resolution.

The Series 2014 Bonds are issuable as fully registered bonds without coupons in denominations of \$5,000 or any integral multiple thereof, initially in book-entry form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). Purchasers of the Series 2014 Bonds will not receive physical delivery of bond certificates. Ownership interests may be acquired in book-entry form only. See “Book-Entry Only System.”

For a discussion of how ownership of the Series 2014 Bonds is to be transferred and how principal and interest are to be paid to and credited by DTC while the Series 2014 Bonds are registered in its name, see "Book-Entry Only System" below. So long as such book-entry system is used, only DTC will receive or have the right to receive physical delivery of the Series 2014 Bonds and, except as otherwise provided herein with respect to Beneficial Owners of Beneficial Ownership Interests, Beneficial Owners will not be or be considered to be, and will not have any rights as, owner or holders of the Series 2014 Bonds under the Bond Resolution.

The Series 2014 Bonds will be dated the date of delivery, will mature on July 1 of each year thereafter in the principal amounts indicated on the inside front cover page of this Official Statement and will bear interest (computed on the basis of a 360-day year of twelve 30-day months) from the date of delivery thereof, payable on January 1 and July 1 of each year, (each an “Interest Payment Date”) commencing January 1, 2015, at the rates per annum indicated on the inside front cover page hereof.

Interest on the Series 2014 Bonds shall be computed from the Interest Payment Date to which interest has been paid or duly provided for next preceding the date of authentication thereof, unless (a) such date of authentication shall be prior to the first Interest Payment Date, in which case interest shall be computed from the date of issuance of the Series 2014 Bonds, or (b) such date of authentication shall be an Interest Payment Date to which interest on the Series 2014 Bonds has been paid in full or duly provided for, in which case interest shall be computed from such date of authentication; provided, however, that if interest on the Series 2014 Bonds shall be in default, Series 2014 Bonds issued in exchange for Bonds surrendered for registration of transfer or exchange shall bear interest from the last date to which interest has been paid or duly provided for on the Series 2014 Bonds or, if no interest has been paid or duly provided for on the Series 2014 Bonds, from the date of delivery thereof.

### ***Provisions Applicable if Book-Entry Only System is Terminated***

Purchasers of the Series 2014 Bonds will receive principal and interest payments pursuant to the following provisions only if the book-entry only system is terminated. Otherwise, payments and transfers will be made only as described below under “Book-Entry Only System.”

Principal of any Series 2014 Bonds which have become due and payable, together with any applicable redemption premium, will be payable only upon presentation and surrender of such Series 2014 Bonds at the principal corporate trust office of the Paying Agent.

Interest on the Series 2014 Bonds (except defaulted interest) will be paid to the Persons who are the Owners of the Series 2014 Bonds at the close of business on the Record Date next preceding the Interest Payment Date. Defaulted interest shall be paid as provided in the General Bond Resolution. Interest shall be paid by check of the Paying Agent mailed on the Interest Payment Date to the Owners at their addresses as they appear on the Bond Register or at such other address as is furnished in writing by an Owner to the Paying Agent prior to the Record Date.

Any Owner of Series 2014 Bonds in an aggregate principal amount of at least \$1,000,000 may, however, elect to have interest payments made to such Owner by wire transfer of Federal Funds. In order to make such election, the Owner must notify the Paying Agent in writing and provide wire transfer instructions prior to the Record Date for the Interest Payment Date on which such wire transfer payments are to commence. Once an election is made, all subsequent interest payments to such Owner shall be by wire transfer, according to the last wire transfer instructions received prior to the Record Date. The Owner may revoke or change such instructions by delivering a written notice to the Paying Agent. Such instructions may also provide for the payment of principal and premium by wire transfer of Federal Funds (following presentation and surrender of the Series 2014 Bonds being paid).

Principal of, premium, if any, and interest on the Series 2014 Bonds shall be payable in such coin or currency of the United States of America which is legal tender for payment of public and private debts.

Each payment of principal of, premium, if any, and interest on Series 2014 Bonds shall be accompanied by notice of the CUSIP number of such Series 2014 Bonds.

#### ***Book-Entry Only System***

*The following information about the book-entry-only system applicable to the Series 2014 Bonds has been supplied by DTC. None of the Board, the Trustee or the Underwriters make any representations, warranties or guarantees with respect to its accuracy or completeness.*

DTC will act as securities depository for the Series 2014 Bonds. The Series 2014 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2014 Bond certificate will be issued for each maturity of the Series 2014 Bonds, in the aggregate principal amount thereof, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-US securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's rating: AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2014 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2014 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2014 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records.

Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2014 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2014 Bonds, except in the event that use of the book-entry system for the Series 2014 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2014 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2014 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2014 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2014 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2014 Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Series 2014 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of Series 2014 Bonds may wish to ascertain that the nominee holding the Series 2014 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2014 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Series 2014 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Board as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2014 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2014 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Board or Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Trustee, or the Board, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Board or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2014 Bonds at any time by giving reasonable notice to the Board or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2014 Bonds are required to be printed and delivered.

The Board may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2014 Bonds will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from a source that the Board believes to be reliable, but the Board takes no responsibility for the accuracy thereof.

THE BOARD, THE TRUSTEE AND THE UNDERWRITERS CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE SERIES 2014 BONDS (I) PAYMENTS OF PRINCIPAL OF OR INTEREST AND PREMIUM, IF ANY, ON THE SERIES 2014 BONDS, (II) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN THE SERIES 2014 BONDS, OR (III) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNERS OF THE SERIES 2014 BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC OR DIRECT OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE BOARD, THE TRUSTEE NOR THE UNDERWRITERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (I) THE SERIES 2014 BONDS; (II) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (III) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST OR PREMIUM, IF ANY, ON THE SERIES 2014 BONDS; (IV) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE BOND RESOLUTION TO BE GIVEN TO BONDHOLDERS; (V) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2014 BONDS; OR (VI) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

### *Exchange and Transfer*

As long as the Series 2014 Bonds will be in book-entry form, the transfer and exchange of the Series 2014 Bonds will be made in accordance with the procedures of DTC as more fully described under the caption "Book-Entry Only System" herein. Otherwise the transfer and exchange of Series 2014 Bonds will be made as described in the following paragraph.

The Series 2014 Bonds may be transferred and assigned only upon the registration books maintained by the Paying Agent. Upon surrender for registration of transfer of any Series 2014 Bond, the Paying Agent will register and deliver in the name of the transferee or transferees one or more new fully registered Series 2014 Bonds of Authorized Denominations of the same maturity and like aggregate principal amount. At the option of an Owner, Series 2014 Bonds may be exchanged for other Series 2014 Bonds of Authorized Denominations of the same maturity and like aggregate principal upon surrender at such office. Whenever any Series 2014 Bonds are so surrendered for exchange, the Paying Agent will register and deliver in exchange thereof the Bond or Bonds which the Owner making the exchange will be entitled to receive after receipt of the Series 2014 Bonds to be transferred in proper form. All Series 2014 Bonds presented for registration of transfer or exchange will (if so required by the Board or the Paying Agent) be accompanied by a written instrument or instruments of transfer in form and with a guaranty of signature satisfactory to the Paying Agent, duly executed by the Owner or by such Owner's duly authorized attorney. No charge will be made to the Owner for any exchange or transfer of Series 2014 Bonds, but the Paying Agent may require payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto. The Board and the Paying Agent will not be required to issue, register the transfer of or exchange (a) any Series 2014 Bonds during a period beginning at the opening of business on the Regular Record Date and ending at the close of business on the Interest Payment Date or (b) any Series 2014 Bond called for redemption prior to maturity during a period beginning on the opening of business fifteen (15) days before the date of the mailing of notice of redemption of such Series 2014 Bonds

and ending on the date of such redemption. All Series 2014 Bonds delivered upon any registration of transfer or exchange of Series 2014 Bonds will be valid obligations of the Board, evidencing the same debt and entitled to the same benefits under the Bond Resolution as the Series 2014 Bonds surrendered upon authentication thereof by the Paying Agent. Prior to due presentment for registration of transfer of any Series 2014 Bond, the Board, the Paying Agent, and any agent of the Board or the Paying Agent may treat the person in whose name any Series 2014 Bond is registered as the absolute owner thereof for all purposes (subject to provisions concerning Special Record Dates) whether or not such Series 2014 Bonds will be overdue, and will not be bound by any notice to the contrary.

***Redemption Provisions\****

***Optional Redemption\****

Beginning on or after July 1, \_\_\_\_\_, the Board may redeem Series 2014 Bonds maturing on or after July 1, \_\_\_\_\_ in whole on any date or in part as selected by the Trustee by lot at the direction of the Board (in denominations of \$5,000 or any integral multiple thereof) from time to time on any Interest Payment Date, at a price equal to the par amount thereof, plus accrued interest to the redemption date.

***Extraordinary Optional Redemption Without Premium*** The Board may at any time redeem all or any part (in Authorized Denominations) of the Series 2014 Bonds at a redemption price equal to their principal amount plus accrued interest to the redemption date if a particular Auxiliary Facility is damaged, destroyed or taken by eminent domain or sold under the threat of condemnation and the Board elects pursuant to the damage, destruction and condemnation provisions of the Bond Resolution to use the Net Proceeds of casualty insurance or condemnation or sale under threat of condemnation to redeem Series 2014 Bonds rather than repair, replace, rebuild or restore the Auxiliary Facility. Any such redemption must take place within 120 days following the receipt of casualty insurance or condemnation proceeds relating to such damage, destruction or taking.

The Board will use its reasonable best efforts to repair, replace, rebuild or restore such Auxiliary Facility; however, should it elect to use Net Proceeds to redeem the Series 2014 Bonds, the Board will give the Trustee at least 35 days' notice of any Extraordinary Optional Redemption described in the above paragraph. The notice will specify the redemption date and the principal amounts and maturities of Series 2014 Bonds to be redeemed.

***Mandatory Sinking Fund Redemption\**** The Series 2014 Bonds maturing July 1, 20\_\_\_\_ shall be subject to mandatory redemption in the following principal amounts (“Sinking Fund Amounts”) on the following dates by lot in such manner as shall be determined by the Trustee at a redemption price equal to their principal amount plus accrued interest to the redemption date.

However, if Series 2014 Bonds have been redeemed pursuant to extraordinary optional redemption or optional redemption as described above, or if the Board has delivered Series 2014 Bonds to the Trustee for cancellation, the Board may direct that any Sinking Fund Amount be reduced by an amount equal to all or a portion of the principal amount of any Series 2014 Bonds so redeemed or delivered for cancellation (and not previously used to reduce any Sinking Fund Amount). The Board shall deliver any such direction at least 75 days before the redemption date.

If amounts are being held in the 2014 Principal Account of the Bond Fund to be used to redeem Series 2014 Bonds pursuant to the mandatory sinking fund redemption provisions, in lieu of such redemption the Board may, no later than 75 days before the redemption date, direct the Trustee in writing to use part or all of such moneys to purchase such Series 2014 Bonds, in a principal amount not to exceed the next Sinking Fund Amount, which Series 2014 Bonds are presented to it by Owners for purchase and which the Board directs the Trustee to purchase. The purchase price of such Series 2014 Bonds shall not exceed the redemption price of the Series 2014 Bonds which would be redeemed but for the operation of this paragraph (accrued interest to be paid from the same Fund or Account from which accrued interest would be paid upon the redemption of such Series 2014 Bonds). Any such purchase shall be completed prior to the time

notice would otherwise be required to be given to redeem Series 2014 Bonds. All Series 2014 Bonds so purchased shall be cancelled and applied as a credit (in an amount equal to the principal amount of such Series 2014 Bonds) against the next Sinking Fund Amount.

**Notice of Redemption of Series 2014 Bonds** At least 30 days, but not more than 60 days, before a redemption date (other than mandatory sinking fund redemption), the Trustee shall mail a notice of redemption to the Owner of each Series 2014 Bond which is to be redeemed. The notice shall be sent by first class, registered or certified mail if the Owner holds \$1,000,000 or more in principal amount of Series 2014 Bonds. The failure of the Trustee to mail notice of redemption to any Owner or any defect in any notice of redemption shall not affect the validity of the redemption of any other Series 2014 Bond.

Each notice of redemption shall state the following with respect to the Series 2014 Bonds being redeemed: (1) the complete name of the Series 2014 Bonds (including Series designation); (2) the redemption date; (3) the redemption price; (4) the date of the notice; (5) the issue date; (6) the interest rate; (7) the maturity date; (8) the CUSIP number; (9) that the Series 2014 Bonds called for redemption must be surrendered to the Trustee to collect the redemption price; (10) the Trustee's name and address; (11) that interest on Series 2014 Bonds called for redemption ceases to accrue on and after the redemption date; and (12) any other items which may be necessary or desirable to comply with regulation or custom.

If less than all the Series 2014 Bonds are to be redeemed, the notice of redemption shall specify the numbers and amounts of the Series 2014 Bonds or portion thereof to be redeemed. The notice of redemption relative to the Series 2014 Bonds shall state that it is conditioned on there being sufficient money on deposit to pay the full redemption price of the Series 2014 Bonds.

Two Business Days prior to mailing notice to other Series 2014 Bondholders, a copy of each notice of redemption shall be sent by the Trustee by certified or registered mail to DTC or its nominee which holds any Series 2014 Bonds, provided that the Trustee may, in its discretion, provide for overnight, telecopied or other form of notice to DTC acceptable to or requested thereby. The Trustee shall file, on the same date notices are mailed to other Bondholders, a copy of each notice of redemption with EMMA.

If a Series 2014 Bond is not presented for payment on or within 30 days after its redemption date, the Trustee shall, as soon as reasonably possible, mail a second notice of redemption to the last Owner of record of such Series 2014 Bond, including the same information as in the first notice. The giving of such notice, or the failure to give such notice or any defect in such notice, shall not affect the validity of the redemption of any Series 2014 Bonds.

**Payment of Redeemed Bonds** Notice having been given in the manner provided in the Seventeenth Supplemental Resolution, the Series 2014 Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Series 2014 Bonds shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. If, on the redemption date, moneys for the redemption of all the Series 2014 Bonds to be redeemed, together with interest to the redemption date, shall be held by the Trustee or the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest on the Series 2014 Bonds of such Series and maturity so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the redemption date, such Series 2014 Bonds shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

## SECURITY FOR THE SERIES 2014 BONDS

Pursuant to the Bond Resolution, the payment of the principal of, redemption premium, if any, and the interest on the Series 2014 Bonds is payable from a pledge to the Trustee of the Auxiliary Revenues on a parity with the Parity Lien Obligations, defined herein, and any Additional Bonds. See "THE AUXILIARY ENTERPRISES" herein.

**THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2014 BONDS IS A SPECIAL AND LIMITED OBLIGATION OF THE BOARD PAYABLE SOLELY FROM THE AUXILIARY REVENUES.**

**THE AUXILIARY REVENUES ARE PLEDGED TO THE PAYMENT OF THE SERIES 2014 BONDS ON A PARITY WITH THE BOARD'S OUTSTANDING PARITY LIEN OBLIGATIONS AND ANY ADDITIONAL BONDS.**

**PURSUANT TO THE GENERAL BOND RESOLUTION, THE DEFINITION OF AUXILIARY REVENUES MAY BE MODIFIED BY A SUPPLEMENTAL RESOLUTION ADOPTED WITHOUT CONSENT OF THE OWNERS OF THE SERIES 2014 BONDS, PROVIDED NO SUCH MODIFICATION SHALL RESULT IN A MATERIAL ADVERSE CHANGE IN COLLECTIONS OF AUXILIARY REVENUES.**

**AUXILIARY REVENUES DO NOT INCLUDE FUNDS APPROPRIATED TO THE UNIVERSITY BY THE LEGISLATURE OF THE STATE FROM TIME TO TIME. SEE "THE AUXILIARY ENTERPRISES" HEREIN.**

THE SERIES 2014 BONDS SHALL BE SPECIAL AND LIMITED OBLIGATIONS OF THE BOARD PAYABLE SOLELY FROM AUXILIARY REVENUES, THE LAB SCHOOL REVENUES AND THE RECREATIONAL SPORTS FEE REVENUES; PROVIDED THAT (i) THE PLEDGE OF THE LAB SCHOOL REVENUES WILL LAPSE WHEN THE SERIES 2005A BONDS, SERIES 2008 BONDS AND SERIES 2010A BONDS AND/OR ANY ADDITIONAL BONDS ISSUED TO REFUND OR REFINANCE SUCH SERIES 2005A BONDS, SERIES 2008 BONDS AND SERIES 2010A BONDS ARE NO LONGER OUTSTANDING AND (ii) THE PLEDGE OF RECREATIONAL SPORTS FEE REVENUES WILL LAPSE WHEN THE SERIES 2005A BONDS, SERIES 2008 BONDS, SERIES 2010A BONDS AND SERIES 2013 BONDS AND/OR ANY ADDITIONAL BONDS ISSUED TO REFUND OR REFINANCE SUCH SERIES 2005A BONDS, SERIES 2008 BONDS, SERIES 2010A BONDS AND SERIES 2013 BONDS ARE NO LONGER OUTSTANDING. THE SERIES 2014 BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE UNIVERSITY, THE LSU SYSTEM, THE BOARD, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION OF INDEBTEDNESS AND SHALL CONTAIN A RECITAL TO THAT EFFECT. NEITHER THE STATE NOR ANY AGENCY OR POLITICAL SUBDIVISION THEREOF, OTHER THAN THE BOARD, SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF THE SERIES 2014 BONDS OR THE INTEREST THEREON, AND THE SERIES 2014 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OR ANY AGENCY OR POLITICAL SUBDIVISION OR AGENCY THEREOF, OTHER THAN THE BOARD.

THE AUXILIARY REVENUES, THE LAB SCHOOL REVENUES AND THE RECREATIONAL SPORTS FEE REVENUES ARE PLEDGED TO THE PAYMENT OF THE SERIES 2014 BONDS ON A PARITY WITH THE BOARD'S OUTSTANDING PARITY LIEN OBLIGATIONS AND ANY ADDITIONAL BONDS; PROVIDED THAT

(I) THE LAB SCHOOL REVENUES AND RECREATIONAL SPORTS FEE REVENUES SHALL BE SO PLEDGED ONLY FOR SO LONG AS THE SERIES 2005A BONDS, SERIES 2008 BONDS, SERIES 2010A BONDS, AND/OR ANY ADDITIONAL BONDS ISSUED TO REFUND OR REFINANCE SUCH SERIES 2005A BONDS, SERIES 2008 BONDS AND SERIES 2010A BONDS ARE OUTSTANDING AND ADDITIONALLY (II) THE RECREATIONAL SPORTS FEE REVENUES SHALL BE SO PLEDGED FOR SO LONG AS THE SERIES 2013 BONDS AND/OR ANY ADDITIONAL BONDS ISSUED TO REFUND OR REFINANCE SUCH SERIES 2013 BONDS ARE OUTSTANDING.

For purposes of the Seventeenth Supplemental Resolution and this Official Statement, references therein and herein to the term “Auxiliary Revenues” shall be deemed to include Lab School Revenues and Recreational Sports Fee Revenues with the caveat that the pledge of such revenues is limited as set forth in the foregoing paragraph.

**THE FUTURE AVAILABILITY OF AUXILIARY REVENUES IS DEPENDENT UPON THE CONTINUED OPERATION OF THE UNIVERSITY, WHICH IS PRIMARILY FUNDED BY STUDENT TUITION AND FEES AND STATE APPROPRIATIONS, NONE OF WHICH ARE PLEDGED TO, NOR AVAILABLE FOR, THE PAYMENT OF THE SERIES 2014 BONDS.**

***Rate Maintenance Covenant; Rules and Adequacy of Charges for Use of the Auxiliary Facilities***

The Board covenants in the General Bond Resolution that it will establish and maintain, so long as any of the Series 2014 Bonds remain Outstanding, such fees, rates and charges for the use and enjoyment of the Auxiliary Facilities and the services provided thereby as will be necessary to assure adequate occupancy and use of the same and the services afforded thereby and as will provide and generate Auxiliary Revenues (not including Funds and Accounts held pursuant to the Bond Resolution) projected to equal no less than the amount required for payment of the Debt Service Requirements on the Outstanding Parity Lien Obligations, Current Expenses of the Auxiliary Facilities, the Reserve Requirement on the Outstanding Parity Lien Obligations and to make all other payments and charges as are required under the Bond Resolution. See “SECURITY FOR THE SERIES 2014 BONDS - Approval for Fees and Civil Fines” herein.

***Approval for Fees and Civil Fines***

Article VII, §2.1 of the Louisiana Constitution requires that any new fee or civil fine or increase in an existing fee or civil fine imposed or assessed by the State or any board, department, or agency of the State shall require the enactment of a law by a two-thirds vote of the elected members of each house of the legislature. It is unclear whether this constitutional provision should be applied to any fees, rates and charges for the use and enjoyment of the Auxiliary Facilities and the services provided thereby or any increases thereof which form part of the Auxiliary Revenues. On October 9, 1996 the Louisiana Attorney General issued Opinion Number 96-353, which opined that, for purposes of Article VII, § 2.1 of the Louisiana Constitution, the word “fee” does not include charges for auxiliary and self-generated operations of the University, such as for food services, book store merchandise, medical or veterinary services, student housing and admittance to extracurricular events. This opinion was based on the rationale that the term “fee” as used in Article VII, § 2.1 should be restricted to only those charges assessed by a governmental entity for the purpose of defraying the costs of providing a governmental service or the costs of regulating a particular area. Therefore, according to the opinion, charges assessed by the University for the provision of higher education would be considered fees, but charges which are for services or products which are not directly a part of the delivery of an education are not considered fees. Opinions of the Louisiana Attorney General are advisory only, and are not binding on any court of law.

In litigation brought by an LSU student against the Board (civil action filed on October 16, 2003 captioned “Donald C. Hodge, Jr. vs. Board of Supervisors of Louisiana State University and Agricultural and Mechanical College,” Number 512,930, Sect. “D,”) which sought to enjoin the Board from implementing a football ticket pricing policy as violative of Article VII, § 2.1 of the Constitution of Louisiana, the 19<sup>th</sup> Judicial District Court (the “Trial Court”) ruled that the Board’s adoption of a new general pricing policy for home football games did not constitute implementation or assessment of a fee under said Article VII, Section 2.1 which would otherwise require approval by a vote of two-thirds of each house of the Legislature. The Trial Court decision was appealed by Hodge to the Louisiana First Circuit Court of Appeal (the “Appeal Court”). In affirming the Trial Court’s decision, the Appeal Court, as did the Trial Court, agreed

with the reasoning of the Louisiana Attorney General that the Legislature has evidenced no intent to have oversight over “fees” with respect to LSU, other than those fees directly connected with LSU’s principal governmental function of providing higher education to the citizens of the State.

The Trial Court ruled on the Hodge action on November 18, 2003 and the Appeal Court rendered its affirming decision on December 23, 2003. The Louisiana Supreme Court denied writs on March 11, 2004. While the Hodge action does not directly address Auxiliary Revenues, the above described reasoning of the Attorney General was followed by the courts in this first judicial interpretation of Article VII, Section 2.1 of the Constitution.

There can be no assurance absent favorable judicial interpretation specifically as to Auxiliary Revenues that this Constitutional provision does not apply to charges which generate Auxiliary Revenues. In the event this provision does apply, neither the Board nor the University could increase an Auxiliary Revenue charge or impose a new Auxiliary Revenue charge without a two-thirds favorable vote of the Louisiana Legislature or otherwise complying with the LaGRAD Act, described below. See “SECURITY FOR THE SERIES 2014 BONDS - Rate Maintenance Covenant; Rules and Adequacy of Charges for Use of the Auxiliary Facilities” and “BONDHOLDERS' RISKS - Article VII, § 2.1 of the Constitution.”

To the extent required by Article VII, § 2.1 of the Constitution of the State of Louisiana of 1974, with respect to fees and civil fines, if any, imposed or increased by the Auxiliary Enterprises, the Board covenants in the Seventeenth Supplemental Resolution to seek any necessary authorization, legislative or otherwise of the imposition of such fees or civil fines or increases thereto in order to comply with the Bond Resolution regarding payments from Auxiliary Revenues.

Act 915 of the 2008 Regular Session of the Louisiana Legislature authorized Louisiana public postsecondary institutions through their governing boards to assess a certain percentage tuition increase based on the disparity of the institution’s tuition rate compared to their peers in the South as reported by the Southern Regional Education Board (SREB). For the first time, the Legislature authorized a rate increase to be applied over multiple years for undergraduates and certificate students. LSU was permitted to raise tuition five percent per year for four years.

Act 741 of the 2010 Regular Session of the Louisiana Legislature, titled the Louisiana Granting Resources and Autonomy for Diplomas (LaGRAD) Act, built on the precedent set by Act 915 of 2008, by authorizing tuition increases of up to 10 percent annually for six years based on continual performance improvement of schools and universities. The tuition-for-performance authority created a longer term budget planning capability that had not existed under periodic, one-time approvals of rate increases. The LaGRAD Act was amended by Act 418 of the 2011 Regular Session of the Louisiana Legislature by adding an extensive array of administrative autonomies similar to those of other universities in other states, such as procurement, investment flexibility, risk management, and facility project management.

### ***Pledge***

All of the Board’s right, title and interest to the Auxiliary Revenues are pledged by the Board for the payment of Debt Service Requirements on the Series 2014 Bonds and on the Parity Lien Obligations (except as otherwise provided in the General Bond Resolution). The obligation of the Board to pay Debt Service Requirements from Auxiliary Revenues as provided in the Bond Resolution shall be on a parity with the Board’s Outstanding Series 2004 Bonds, Series 2005A Bonds, Series 2006 Bonds remaining after the issuance of the Series 2014 Bonds, Series 2007 Bonds, Series 2008 Bonds, Series 2010A Bonds, Series 2010B Bonds, Series 2012 Bonds, Series 2013 Bonds and any Additional Bonds. See “SECURITY FOR THE SERIES 2014 BONDS - Parity Lien Obligations” herein.

Monies in funds or accounts held by the Board which are derived from Auxiliary Revenues will remain subject to the pledge described in the previous sentence. However, such portions of the Auxiliary Revenues in excess of that needed for the payment of Parity Lien Obligations, and for transfer to the Bond Fund or Reserve Funds for Parity Lien Obligations will be available to the Board to pay Current Expenses, any Subordinated Debt and for any other lawful purpose of the Board, provided that the pledge of Auxiliary Revenues will be deemed to be a cumulative pledge in the event collections for any six month period are insufficient to make a required deposit.

The principal, premium, if any, and interest on the Series 2014 Bonds are payable solely from the Auxiliary Revenues and are not general obligations of the University, the LSU System, the Board, the State or any political subdivision thereof, and neither the faith and credit of the State nor the Board is pledged to the payment of the principal of, premium, if any, or interest on the Series 2014 Bonds.

### ***Deposit and Disposition of Auxiliary Revenues***

Amounts equal to the aggregate of (i) the amount of interest payable on the Series 2014 Bonds on the next Interest Payment Date and (ii) the amount of principal due on the Series 2014 Bonds on the next Principal Payment Date shall be transferred by the Board from Auxiliary Revenues by check or draft on or prior to the fifth day, or wire transfer on or prior to the third day, immediately preceding each January 1 and July 1, as the case may be, commencing January 1, 2015 with respect to the first Interest Payment Date and commencing July 1, 2015 with respect to the first Principal Payment Date, to the Series 2014 Interest Account and the Series 2014 Principal Account, as the case may be, held by the Trustee until necessary for the Trustee to transfer funds to the Paying Agent for payment of the interest or any principal of the Series 2014 Bonds.

### ***Additional Bonds***

The Board may issue no bonds, notes or other obligations secured by Auxiliary Revenues except as Additional Bonds or as Subordinated Debt, as described below; provided, however, that the Board may incur obligations relating to Hedging Transactions payable from and, to the extent permitted by law, secured by Auxiliary Revenues in connection with Outstanding Bonds and in connection with the issuance of Additional Bonds. The Board may issue Additional Bonds secured by Auxiliary Revenues which will be on a parity with the Parity Lien Obligations and the Series 2014 Bonds only as and to the extent authorized and described in a Supplemental Resolution, provided that, at the time of issuance thereof, no Event of Default or event which with notice or lapse of time, or both, would constitute an Event of Default shall have occurred and be continuing, unless such event will be cured upon issuance of such bonds and either the application of the proceeds thereof or the placing in service of any facilities financed thereby or both. The Bond Resolution permits the issuance of Additional Bonds as follows:

(A) Additional Bonds may be issued without the need for prior approval of Bondholders or any Credit Facility provider, provided that the Debt Service Coverage Ratio for each of the last two completed Fiscal Years for which the financial statements of the Board have been reported upon by an Accountant, taking into account the Parity Lien Obligations, other Bonds previously issued and the Additional Bonds then proposed to be issued, is not less than 1.75 and an Authorized Board Representative's certificate so certifying and setting forth in sufficient detail the computation thereof is filed with the Trustee and any Credit Facility provider along with the financial statements and report of the Accountants thereon if they are not already on file with the Trustee and the Credit Facility providers.

(B) Should the Debt Service Coverage Ratio be less than that required as described in paragraph (A) above, and Additional Bonds are proposed to be issued to fund improvements, renovations or new construction, such Additional Bonds may be issued if (i) a Projection demonstrates compliance with the Debt Service Coverage Ratio required by paragraph (A) above, upon completion of the improvements, renovations or new construction and (ii) the Board shall have received the prior written approval of all Credit Facility providers. Such Projection will be filed with any Credit Facility provider and the Trustee by an Authorized Board Representative.

### ***Subordinated Debt***

The General Bond Resolution provides that the Board may, at any time, or from time to time, issue or incur Subordinated Debt, pursuant to the Act, for any of its lawful purposes, payable out of, and which may be secured by a pledge of, such amounts in the Subordinated Debt Fund as may from time to time be available for the purpose of payment thereof; provided, however, that such pledge will be, and will be expressed to be, subordinate and junior in all respects to the pledge created by the Bond Resolution as security for the Series 2004 Bonds, the Series 2004B Bonds, the Series 2005A Bonds, Series 2006 Bonds remaining outstanding after the issuance of the Series 2014 Bonds, Series 2007 Bonds,

Series 2008 Bonds, Series 2010A Bonds, Series 2010B Bonds, Series 2012 Bonds, Series 2013 Bonds, Series 2014 Bonds and any Additional Bonds.

***Funds and Accounts Created Under the Bond Resolution***

The General Bond Resolution creates the following special trust funds to be held by the Trustee:

(i) Louisiana State University and Agricultural and Mechanical College Auxiliary Revenue Bonds Project Fund (the "Project Fund"), which shall consist of a Project Account for each Series of Bonds, as applicable, into which shall be deposited the proceeds of the related Series of Bonds or other funds necessary to pay related Project Costs, as defined in a Supplemental Resolution;

(ii) Louisiana State University and Agricultural and Mechanical College Auxiliary Revenue Bonds Bond Fund (the "Bond Fund"), which shall consist of a Principal Account and an Interest Account for each Series of Bonds;

(iii) Louisiana State University and Agricultural and Mechanical College Auxiliary Revenue Bonds Reserve Fund (the "Reserve Fund"), which shall consist of a Reserve Account, if required, for each Series of Bonds; and

(iv) Louisiana State University and Agricultural and Mechanical College Auxiliary Revenue Bonds Subordinated Debt Fund (the "Subordinated Debt Fund");

The Seventeenth Supplemental Resolution creates the following special trust funds to be held by the Trustee:

(i) Louisiana State University and Agricultural and Mechanical College Auxiliary Revenue Refunding Bonds, Series 2014 Bond Proceeds Fund (the "Series 2014 Bond Proceeds Fund");

(ii) Louisiana State University and Agricultural and Mechanical College Auxiliary Revenue Refunding Bonds, Series 2014 Rebate Fund (the "Series 2014 Rebate Fund");

(iii) Series 2014 Costs of Issuance Account to be held within the Series 2014 Bond Proceeds Fund; and

(iv) Series 2014 Principal Account and Series 2014 Interest Account to be held within the Bond Fund.

Moneys in all such funds and accounts may only be invested in Permitted Investments. See "APPENDIX D - DEFINITIONS OF CERTAIN TERMS - Permitted Investments."

***Series 2014 Bond Proceeds Fund.*** The Series 2014 Bond Proceeds Fund shall be maintained with the Trustee and used to receive the proceeds of the Series 2014 Bonds; all to be transferred to the various Funds and Accounts or paid in the amounts specified in the Bond Resolution and as shall be specified in the request and authorization delivered pursuant to the Bond Resolution.

***Series 2014 Rebate Fund.*** The Board will pay, from Auxiliary Revenues, all payments required by the Tax Compliance Certificate at the times required therein, if any, to the United States as a rebate payment if required under the Code. The Series 2014 Rebate Fund will be held for the sole benefit of the United States of America and is not subject to the lien of the Bond Resolution. Deposits will be made into and withdrawals will be made from the Series 2014 Rebate Fund as provided in the Tax Compliance Certificate.

***Series 2014 Costs of Issuance Account of the Series 2014 Bond Proceeds Fund.*** Moneys in the Series 2014 Costs of Issuance Account will be applied by the Trustee to pay, upon the written order of an Authorized Representative, amounts of expenses certified in such request which are fees and expenses incurred or to be incurred in connection with

or incident to the issuance and sale of the Series 2014 Bonds. Upon the earlier of (i) the date which is six (6) months following the date of issuance of the Series 2014 Bonds, or (ii) receipt of the written direction of an Authorized Board Representative stating that all Series 2014 Costs of Issuance have been paid, the Trustee will transfer any amounts remaining in the Series 2014 Costs of Issuance Account including the earnings thereon, to the Series 2014 Interest Account.

**Series 2014 Interest Account, Series 2014 Principal Account of the Bond Fund.** (a) There shall be deposited into the Series 2014 Interest Account or the Series 2014 Principal Account, as appropriate, and as and when received (i) all payments pursuant to Pledge of Auxiliary Revenues Article of the Seventeenth Supplemental Resolution and any payments on the Series 2014 Bonds, (ii) all moneys transferred to the Series 2014 Interest Account or Series 2014 Principal Account from the Series 2014 Costs of Issuance Account pursuant to the Seventeenth Supplemental Resolution, (iii) all other moneys required or permitted to be deposited into the Series 2014 Interest Account or Series 2014 Principal Account pursuant to the Seventeenth Supplemental Resolution, including any supplements or amendments thereto and (iv) all other moneys received by the Trustee when accompanied by directions not inconsistent with the Seventeenth Supplemental Resolution that such moneys are to be paid into the Series 2014 Principal Account or Series 2014 Interest Account. There shall also be retained in the Series 2014 Principal Account and Series 2014 Interest Account, respectively, interest and other income received on investment of moneys in such accounts to the extent provided in the Seventeenth Supplemental Resolution. If the Trustee does not receive payments into the Series 2014 Principal Account and Series 2014 Interest Account pursuant to the Seventeenth Supplemental Resolution when due, the Trustee will immediately notify the Board of such nonpayment. The Board shall receive a credit against the Board's obligation to make deposits in the Series 2014 Principal Account and Series 2014 Interest Account to the extent of interest earnings on moneys in the Series 2014 Principal Account and Series 2014 Interest Account.

**Investments and Earnings on Certain Funds and Accounts and Valuation Thereof.** The amounts on deposit in the Funds and Accounts created by the Seventeenth Supplemental Resolution shall be invested in Permitted Investments, as defined in the Seventeenth Supplemental Resolution. Notwithstanding any provision of the General Bond Resolution to the contrary, earnings on the amounts held in the Series 2014 Interest Account or the Series 2014 Principal Account of the Bond Fund shall be retained therein. Any provisions of the General Bond Resolution to the contrary notwithstanding, for the purpose of determining the amount in any Fund or Account, all Permitted Investments credited to such Fund or Account shall be valued at fair market value. Except as otherwise described in this paragraph, the Trustee shall determine the fair market value based on accepted industry standards and from accepted industry providers. Certificates of deposit shall be valued at the face amount thereof plus accrued interest. Other investments not specified in this paragraph shall be valued in accordance with the value established by prior agreement among the Board and the Trustee.

### **PROPOSED FUTURE INDEBTEDNESS OF THE BOARD**

The University implemented a Comprehensive Housing plan in 2002 and a campus master plan in 2003 projecting capital expenditures for projects throughout the campus. Funding for these projects is expected from various sources, including the issuance of revenue bonds. Over the next two years, the Board currently expects to issue additional bonds in the approximate amount of \$55 million for the planning, design and construction of the New Residence Hall, phase II, the renovation and additions to Evangeline Residence Hall, planning and design of New Family Apartments, and renovations to Highland and Louise Garig Halls. To meet quality of life expectations of LSU students, the Student Health Center determined the need for upgrades and additions to its current facilities. Over the next two years, the Board anticipates issuing additional bonds in the approximate amount of \$25 million to expand the Student Health Center with a major upgrade and renovation of the existing facility. There can be no assurance that, as its needs dictate, the Board will not issue additional parity bonds for new projects.

### **INTEREST RATE SWAPS**

The Board currently has no interest rate swap agreements and no plans to enter into any interest rate swap

agreements.

### **BONDHOLDERS' RISKS**

Purchasers of the Series 2014 Bonds are advised of certain risk factors with respect to the ability of the Board to pay the principal, premium, if any, and interest on the Series 2014 Bonds.

THE FUTURE AVAILABILITY OF AUXILIARY REVENUES IS DEPENDENT UPON THE CONTINUED OPERATION OF THE UNIVERSITY, WHICH IS PRIMARILY FUNDED BY STUDENT TUITION AND FEES AND STATE APPROPRIATIONS WHICH ARE NOT PLEDGED TO, NOR AVAILABLE FOR, THE PAYMENT OF THE SERIES 2014 BONDS. THEREFORE, THE ABILITY OF THE UNIVERSITY TO MAKE PRINCIPAL AND INTEREST PAYMENTS ON THE SERIES 2014 BONDS IS INDIRECTLY CONTINGENT UPON SUFFICIENT ANNUAL STATE APPROPRIATIONS TO CONTINUE THE OPERATIONS OF THE UNIVERSITY.

#### ***Operating Budget Environment***

The ten-year period from fiscal years 1999-2000 through 2008-2009, with the exception of 2005-2006 (hurricanes Katrina and Rita), was a period of steady increases in State appropriations to the University. In 2007-08, the cumulative increases allowed the University to not only reach the average State appropriation per student of its peers in the Southern Regional Education Board (SREB) states for the first time in twenty-six years, but also significantly advanced its strategic plan (the National Flagship Agenda). In 2008-2009, this period of sustained increases in appropriations helped to propel the University into the top tier of American universities, as reported in *US News and World Report*.

Due to numerous financial factors, such as the decision to cut taxes for individuals and businesses, an increase in the number of tax credits and rebates, languishing severance tax collections and a retrenchment in spending resulting from an eroding national economy, the revenues available to the State began to decline. In January 2009, the University's period of increases in State appropriations ended with the implementation of a \$10.3 million mid-year reduction in State appropriations and the forecast of more cuts for the ensuing fiscal years. Then Chancellor Michael Martin, in concert with the leadership of the faculty, staff and students, laid out principles to be followed throughout this multiyear budget crisis. The overarching principle is to protect the academic core. Priorities established to guide budgetary adjustments are to: (i) preserve and protect the University's academic, mission-driven, excellence-oriented core; (ii) maintain momentum in adapting and implementing the National Flagship Agenda; (iii) retain sufficient flexibility, if possible, to pursue programmatic "targets of opportunity;" (iv) seek every possible cost saving efficiency in both academic and non-academic functions, including inter-institutional partnerships and collaborations; (v) pursue new sources of revenue, including successfully completing the Forever LSU (capital) Campaign; and (vi) protect jobs for critical personnel and long-serving employees. The University has adhered to these principles during the subsequent budget cuts.

From the first cut to State funds in January 2009 until the approved fiscal year 2013-14 budget, LSU State appropriations to LSU declined by \$122.3 million, or 52 percent. Tuition, fees, and other self-generated revenues mitigated most of the reduction, and now comprise more than 70 percent of the total operating budget revenue. Reliance on non-state revenue sources is a national trend among the flagship state universities. In all, the total operating budget dropped from \$451.3 million in fiscal year 2008-09 to a low point of \$430.5 million in fiscal year 2009-10 before returning to \$453 million budget for fiscal year 2013-14. Despite the budget challenges, student enrollment has grown over the past four years and is expected to grow again next fall.

The State's Revenue Estimating Conference predicted a slight increase in State general fund revenues for fiscal year 2013-14 and every year until fiscal year 2016-17. For fiscal year 2014-15, the Louisiana Legislature approved a total operating budget for the University of \$475.2 million, up \$22 million from fiscal year 2013-14. The 4.9 percent increase is due to a \$26.7 million increase in self-generated revenue offsetting a \$4.5 million reduction in State general funds. The University expects modest annual budget growth over the next four years yielded from a combination of

rising State revenue projections and scheduled tuition and fee increases through FY2015-16.

In May 2014, the State's Revenue Estimating Conference revised the fiscal year 2014-15 revenue forecasts downward by \$49.6 million out of a State general fund budget of \$8.7 billion. The estimates for subsequent fiscal years show a steady increase: \$8.9 billion in fiscal year 2016; \$9.1 billion in fiscal year 2017 and 2018. The FY2014-15 operating budget is scheduled to be approved by the management boards in September 2014.

### ***Factors Affecting Higher Education Generally***

There are a number of factors generally affecting institutions of higher education, including the University, that could have an adverse effect on the Board's financial position and its ability to make the payments required under the Bond Resolution. These factors include the continuing rising costs of providing higher education services; the expected decline in the number of college-age persons in the country generally; the failure to maintain or increase in the future the funds obtained by the University from other sources, including gifts and contributions from donors, grants or appropriations from governmental bodies and income from investment of endowment funds; adverse results from the investment of endowment funds; increasing costs of compliance with federal or State regulatory laws or regulations, including, without limitation, laws or regulations concerning environmental quality, work safety and accommodating the handicapped; the privatization of Auxiliary Enterprises; and legislation or regulations which may affect student aid and other program funding. The Board cannot assess or predict the ultimate effect of these factors on its operations or on the financial results of its operations.

### ***NCAA Compliance Issues***

LSU is a member of the National Collegiate Athletic Association ("NCAA") and the Southeastern Conference ("SEC"). As a member institution, LSU is subject to certain rules and regulations governing among other things, the recruitment of student athletes, the conduct of athletics personnel, student-athlete eligibility, academic performance, amateurism, financial aid and the benefits available to student athletes. The NCAA has the power to investigate and impose appropriate sanctions based on violations of its rules. In the event that an LSU athletic program is deemed to be involved in a major violation of NCAA or SEC rules, sanctions could be imposed that might adversely affect the quality of teams fielded by LSU as well as the ability of LSU to field a team. To the extent that sanctions imposed by the NCAA could adversely affect the quality of teams fielded by LSU, sanctions could adversely affect attendance at LSU athletic contests and thereby impact the revenues of the Athletic Department Auxiliary Enterprise. Revenues from the operation of the Athletic Department Auxiliary Enterprise are significant. See "HISTORICAL AUXILIARY REVENUES AND ANNUAL DEBT SERVICE REQUIREMENTS - Historical Auxiliary Revenues" herein.

Possible sanctions vary greatly depending on the nature and severity of infractions and may also be influenced by factors including the institution's history of previous violations. The range of sanctions available to the NCAA include: public reprimand; limiting the number of scholarships available to potential student athletes; prohibitions against television appearances and participation in post season "bowl games;" and the "death penalty," whereby a member institution is prohibited from participating in a particular sport. The death penalty may be applied only in cases where: a member institution is found guilty of a major violation of NCAA rules; the circumstances surrounding the violation indicate a lack of institutional control; and the member institution has a history of violations occurring within a five year period immediately preceding the additional violations. Although previous action by the NCAA does not constitute precedent, the death penalty has been imposed in only one case, involving numerous, serious and persistent recruiting violations indicating a lack of institutional control with respect to a single sport.

In March 2010, the University's Athletic Department self-reported violations it had found within the football program to the NCAA. Those self-reported violations ultimately resulted in allegations of major violations of NCAA bylaws by the NCAA Enforcement staff. On April 16, 2011, the University appeared before the NCAA Division I Committee on Infractions to address those allegations. On July 19, 2011, the NCAA issued its "Public Infractions Report," outlining the violations found by the Committee and the penalties imposed by the Committee. The Committee on Infractions accepted LSU's self-imposed penalties and lauded the LSU Athletic Department's Compliance Office for its efforts to investigate and uncover the violations. The Committee imposed no additional penalties on the University.

The football program was on NCAA probation from July 19, 2011 through July 18, 2012. This probation period deviated from the NCAA's presumptive minimum probationary period of two years. The Committee on Infractions noted this deviation resulted only from the determined efforts of the University's Compliance Office to investigate and self-report the identified violations. During the probationary period, the University was required to provide compliance reports to the NCAA Committee on Infractions. On October 19, 2012, the NCAA wrote to the University to notify it that the University had met all requirements of its probation, that the probationary period was concluded, and that the University was restored to the full rights and privileges of NCAA membership. The University does not believe the violations, resulting investigation, and findings and penalties from the NCAA have had or will have a material impact on the financial or other operations of the football program or Athletic Department.

The University has also reported certain secondary violations in the football program and in other athletics programs to the Southeastern Conference over the last several years. These violations are not believed to differ materially from violations that occur and are uncovered at other Southeastern Conference institutions. These violations often result in self-imposed penalties or penalties imposed by the Southeastern Conference. None of these violations or penalties is believed by the University to have had or is expected to have a material impact on the financial or other operations of the Athletic Department or any of the athletics programs.

### ***Recent Legislation/Regular Session 2014***

#### 2014 Regular Session

The 2014 Regular Session of the Louisiana Legislature ended positively for LSU and all Louisiana higher education. In a departure from previous years, the base state appropriations remained unchanged. The state budget also provided \$25,505,000 more in authority for the collection of self-generated revenues, mostly accruing from tuition and probable enrollment increases. Under the La GRAD Act of 2010 and 2011, LSU qualified to increase resident tuition rates by 10%, and the LSU Board of Supervisors has approved the increase beginning Fall 2014. The main higher education initiative of 2014 was the \$40 million Workforce & Innovation for a Stronger Economy (WISE) Fund, a plan tying money to degree production and research productivity. Passing without objection, Act 803 is considered the first-broad based plan connecting workforce needs with higher education production, and had no opposition in the Legislature. In fact, the bill announcement and bill signing were held on the LSU campus.

The capital budget for LSU included a 50-50 public-private partnership for the \$110 million renovation and construction for the College of Engineering, completion of the honors facility (French House), and acquisition of land for LSU's Innovation Park. The Nicholson Gateway project was also approved, opening the way for the university to begin the development of mixed-use facilities along a main campus thoroughfare. Four dormitory projects and an expansion of the student health center were also approved, all to be funded by fees and self-generated auxiliary revenue.

From an administrative perspective, LSU was the benefactor of two pieces of legislation. Act 749 clarified LSU's ability to participate in a university-specific pilot procurement code. LSU has drafted the code and will soon initiate the steps for ultimate adoption in accordance with the Administrative Procedures Act (the state rule-making process). There were no votes in opposition to the legislation and no opposition is expected during the regulatory procedures. Act 701 raised the legislative approval threshold of capital projects to \$1 million, thus permitting LSU greater latitude to deploy revenues generated from a facility-specific fee approved as Act 426 of the 2013 Regular Session.

#### Looking Ahead

The 2015 Regular Session of the Legislature will be a "fiscal-only" session, meaning that measures will primarily, but not exclusively, be related to taxation and public finances. The exception to the fiscal-only rule is that each legislator may file five non-fiscal bills. With 144 legislators, there is the potential for 720 non-fiscal bills. The 2015 Regular Session will also be the last session before statewide elections for governor and all legislators. It is expected that bills will be filed with the author's eye looking toward re-election. This will generally mean caution among most not to get tangled in debates, but with some making bold proposals to differentiate themselves from their competitors. Higher

education should not be greatly impacted as the sentiment among legislative leaders is that a) it has taken enough of the financial brunt, and b) there are adequate performance-based measures codified to incentivize greater output.

### ***Difficulties in Enforcing Rights and Remedies***

The remedies available to the Trustee or the owners of the Series 2014 Bonds upon an event of default under the Bond Resolution are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the rights and remedies provided in the Bond Resolution, and the rights and remedies of any party seeking to enforce the pledge may not be readily available or may be limited. The State Constitution provides that no judgment against the State, a state agency, or a political subdivision will be exigible, payable, or paid except from funds appropriated therefor by the State Legislature or by the political subdivision against which judgment is rendered. Furthermore, the pledge of Auxiliary Revenues under the Bond Resolution does not give any party the right to seize property or funds of the Board or the University, including the Auxiliary Revenues.

The various legal opinions delivered concurrently with the delivery of the Series 2014 Bonds or to be delivered concurrently with the delivery of the Bond Resolution will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, including but not limited to, the ability to seize funds or property of the Board or the University. The exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the University and the State), in a manner consistent with public health and welfare and the applicability of Article VII, § 2.1 of the Constitution to the imposition of or increases in charges imposed by the Auxiliary Enterprises. Enforceability of the Bond Resolution, and availability of remedies to a party seeking to enforce the pledge of the Auxiliary Revenues where such enforcement or availability may adversely affect public health and welfare, may be subject to these police powers.

### ***Article VII, § 2.1 of the Constitution***

Article VII, § 2.1 of the Louisiana Constitution may limit the ability of the Board and the University to impose or increase charges and assessments securing the Series 2014 Bonds, absent legislative approval by a two-thirds majority, or favorable judicial interpretation or subsequent amendment precluding application of this constitutional provision to the imposition and/or increase in such charges or assessments. See “SECURITY FOR THE SERIES 2014 BONDS - Approval for Fees and Civil Fines” and “BONDHOLDER’S RISKS - Operating Budget Environment.”

### ***Summary Financial Information***

Certain financial information of the University is set forth herein and in “APPENDIX A” and “APPENDIX B” hereto. There can be no assurance that the financial results achieved by the University in the future will be similar to historical results. Such future results will vary from historical results, and actual variations may be material. Therefore, the historical operating results of the University cannot be taken as a representation that the University will be able to generate sufficient Auxiliary Revenues in the future to make payments of principal of, redemption premium, if any, and interest on the Series 2014 Bonds.

## **RATINGS**

Moody’s Investors Service, Inc. (“Moody’s”) and Fitch Ratings (“Fitch”) have assigned ratings of [ ] and [ ] respectively, to the Series 2014 Bonds.

Such ratings reflect only the view of such organizations and any desired explanation of the significance of such ratings should be obtained from Moody’s Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street, New York, New York 10007; and Fitch Ratings, 33 Whitehall Street, New York, New York 10004. Generally, a rating

agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance such ratings will continue for any given period of time or that such ratings will not be revised downward or withdrawn entirely by the rating agencies, if in the judgment of such rating agencies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2014 Bonds.

The Board has not requested any other organization to consider the assignment of a rating for the Series 2014 Bonds.

## **TAX EXEMPTION**

### ***General***

In the opinion of Adams and Reese LLP, Bond Counsel, to be delivered contemporaneously with the delivery of the Series 2014 Bonds, under existing law, (i) interest on the Series 2014 Bonds is excludable from gross income for federal income tax purposes, and (ii) interest on the Series 2014 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax; however, for purposes of computing the federal alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

It is the further opinion of Bond Counsel that, pursuant to the Refunding Act, the Series 2014 Bonds and the income therefrom are exempt from all taxation by the State of Louisiana or any political subdivision thereof. The opinion to be rendered by Bond Counsel on the date of delivery of the Series 2014 Bonds is expected to be in substantially the form of APPENDIX C.

The Code imposes a number of requirements that must be satisfied for interest on state and local obligations to be excludable from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of certain bond proceeds be paid periodically to the United States of America, except under certain circumstances, and a requirement that information reports be filed with the Internal Revenue Service. The Board has covenanted that it will, to the extent permitted by the laws of the State, comply with the requirements of the Code in order to maintain the exclusion from gross income of interest on the Series 2014 Bonds for federal income tax purposes.

The opinion of Bond Counsel will assume continuing compliance by the Board with the covenants of the Bond Resolution and the Tax Compliance Certificate pertaining to those sections of the Code which affect the exclusion from gross income of all amounts treated as interest on the Series 2014 Bonds for federal income tax purposes and, in addition, will rely on representations by the Board with respect to matters solely within the knowledge of the Board, which Bond Counsel has not independently verified. If the Board should fail to comply with the covenants in the Bond Resolution and the Tax Compliance Certificate, or if the representations relied upon should be determined to be inaccurate or incomplete, all amounts of interest on the Series 2014 Bonds could become taxable from the date of delivery of the Series 2014 Bonds, regardless of the date on which the event causing such taxability occurs.

Although Bond Counsel will render an opinion that all amounts treated as interest on the Series 2014 Bonds are excludable from gross income for federal income tax purposes, the accrual or receipt of interest on the Series 2014 Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. Bond Counsel will express no opinion regarding any such consequences. Purchasers of the Series 2014 Bonds, particularly purchasers that are corporations (including S corporations and foreign corporations operating branches in the United States), property and casualty insurance companies, banks, thrifts or other financial institutions, recipients of social security or railroad retirement benefits, taxpayers otherwise entitled to claim the earned income credit, or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, are advised to consult their tax

advisors as to the tax consequences of purchasing or holding the Series 2014 Bonds.

Except as stated above, Bond Counsel will express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on or disposition of the Series 2014 Bonds.

***Changes in Federal and State Tax Law***

Tax legislation, administrative actions taken by tax authorities, and court decisions may cause interest on the Series 2014 Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to state income taxation, or otherwise prevent the beneficial owners of the Series 2014 Bonds from realizing the full current benefit of the tax status of such interest. In addition such legislation or actions (whether currently proposed, proposed in the future or enacted) could affect the market price or marketability of the Series 2014 Bonds. For example, ongoing negotiations between President Obama and the two Houses of Congress to resolve federal budget deficit issues may result in the enactment of tax legislation that could significantly reduce the benefit of, or otherwise affect, the exclusion of gross income of interest for federal income tax purposes on all state and local obligations, including the Series 2014 Bonds. It cannot be predicted whether or in what form any such tax legislation might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced and proposed, and litigation is threatened or commenced which, if implemented or concluded in a particular matter, could adversely affect the market value of the Series 2014 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular legislation or judicial action will be resolved, or whether the Series 2014 Bonds or the market value thereof would be impacted thereby. Prospective purchasers of the Series 2014 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, and their impact on their individual situations, as to which Bond Counsel expresses no opinion.

PROSPECTIVE PURCHASERS OF THE SERIES 2014 BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES 2014 BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE SERIES 2014 BONDS.

***Tax Treatment for Premium Bonds\****

The Series 2014 Bonds maturing on July 1, \_\_\_\_\_ through \_\_\_\_\_, inclusive, (the "Premium Bonds") are being offered and sold to the public in excess of their stated principal amounts.

Such excess is characterized as a "bond premium" and must be amortized by an investor purchasing a Premium Bond on a constant yield basis over the remaining term of the Premium Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium related to a tax-exempt bond for federal income tax purposes. However, as bond premium is amortized, the amount of Premium amortized in a period reduces the investor's basis in the Premium Bond and reduces the amount of interest allocable to the amortization period. Investors who purchase a Premium Bond should consult their own tax advisors regarding the amortization of bond premium and its effect on the Premium Bond's basis for the purposes of computing gain or loss in connection with the sale or exchange of the Premium Bond.

***Tax Treatment of Original Issue Discount\****

The Series 2014 Bonds maturing on July 1, \_\_\_\_\_ and July 1, \_\_\_\_\_ (the "OID Bonds") are sold at an original issue discount. The difference between the initial public offering price of the OID Bonds and their stated principal amount payable at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes and which is exempt from all taxation in the State of Louisiana subject to the caveats and provisions described above under "General."

In the case of an owner of an OID Bond, the amount of original issue discount which is treated as having

---

\*Preliminary, subject to change.

accrued with respect to such OID Bond, is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such OID Bond (including its sale, redemption or payment at maturity). Amounts received upon disposition of such an OID Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual OID Bond, on days which are determined by reference to the maturity date of such OID Bond. The amount treated as original issue discount on such OID Bond for a particular semiannual period is equal to (a) the product of (i) the yield to maturity for such OID Bond and (ii) the amount which would have been the tax basis of such OID Bond at the beginning of the particular semiannual period if held by the original purchaser, (b) less the amount of any payments on such OID Bond during the semiannual period. The tax basis is determined by adding to the initial public offering price on such OID Bond the sum of the amounts which would have been treated as original issue discount for such purposes during all prior periods. If such an OID Bond is sold between compounding dates, original issue discount which would have accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of OID Bonds should consult their own tax advisors with respect to the determination for federal income tax purposes of original issue discount accrued with respect to such OID Bonds as of any date, with respect to the accrual of original issue discount for such OID Bonds purchased on the secondary markets and with respect to the state and local tax consequences of owning such OID Bonds.

### ***Backup Withholding***

As a result of the enactment of the Tax Increase Prevention and Reconciliation Act of 2005, interest on tax exempt obligations such as the Series 2014 Bonds is subject to information reporting in a manner similar to interest paid on taxable obligations. Backup withholding may be imposed on payments made after March 31, 2007 to any bondholder who fails to provide certain required information, including an accurate taxpayer identification number, to any person required to collect such information pursuant to Section 6049 of the Code. This reporting requirement does not, in and of itself, affect or alter the excludability of interest on the Series 2014 Bonds from gross income for federal income tax purposes or any other federal tax consequence of purchasing, holding or selling tax exempt obligations.

## **LEGAL MATTERS**

Certain legal matters incident to the authorization, issuance, validity and exclusion from gross income for federal income tax purposes of interest on the Series 2014 Bonds are subject to the approval of Adams and Reese LLP, Baton Rouge, Louisiana, Bond Counsel, a copy of whose approving opinion will be printed on the Series 2014 Bonds and the proposed form of which is included in APPENDIX C. Certain other legal matters will be passed upon for the Board by its counsel, Taylor, Porter, Brooks & Phillips, L.L.P., Baton Rouge, Louisiana, and for the Trustee by its counsel, Gregory A. Pletsch & Associates, Baton Rouge, Louisiana. In addition, certain legal matters will be passed upon for the Underwriters by their counsel, Foley & Judell, L.L.P., Baton Rouge, Louisiana.

## **LITIGATION**

There are no legal proceedings or litigation now pending or, to the knowledge of the Board, threatened against the Board which restrain or enjoin the issuance or delivery of the Series 2014 Bonds or question or affect the legality of the Series 2014 Bonds or the proceedings and authority under which the Series 2014 Bonds are issued.

## **UNDERWRITING**

The Series 2014 Bonds are being purchased for reoffering by Raymond James & Associates, Inc., Senior

Managing Underwriter (the “Representative” or “Raymond James”), as representative of the Underwriters identified on the cover page hereof (collectively, the “Underwriters”), pursuant to a Bond Purchase Agreement. The Series 2014 Bonds are being purchased at an aggregate purchase price of \$\_\_\_\_\_ (representing \$\_\_\_\_\_ original principal amount of the Series 2014 Bonds, less \$\_\_\_\_\_ of Underwriters’ discount, plus \$\_\_\_\_\_ net original issue premium).

The Underwriters intend to offer the Series 2014 Bonds to the public initially at the prices set forth on the cover page of this Official Statement, which may subsequently change without any requirement of prior notice. The Underwriters reserve the right to join with dealers and other underwriters in offering the Series 2014 Bonds to the public. The Underwriters may offer and sell the Series 2014 Bonds to certain dealers at prices lower than the public offering prices. In connection with this offering, the Underwriters may over allot or effect transactions which stabilize or maintain the market price of the Series 2014 Bonds offered hereby at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.

The Bond Purchase Agreement requires the Underwriters to purchase all of the Series 2014 Bonds if any are purchased.

Raymond James may also receive compensation for serving as bidding agent in conducting a competitive bid for the investment of some or all of the proceeds of the Series 2014 Bonds.

#### **VERIFICATION OF COMPUTATIONS**

The arithmetical accuracy of certain computations included in the schedules provided by the Underwriter on behalf of the Board relating to (a) computation of anticipated receipts of principal and interest on the Defeasance Obligations referred to under “PLAN OF REFUNDING OF THE PRIOR BONDS” and the anticipated payments of principal and interest to redeem the Prior Bonds, and (b) computation of the yields on the Series 2014 Bonds and the Defeasance Obligations was examined by Causey Demgen & Moore P.C. Such computations were based solely upon assumptions and information supplied by the Underwriter on behalf of the Board. Causey Demgen & Moore P.C. has restricted its procedures to examining the arithmetical accuracy of certain computations and has not made any study or evaluation of the assumptions and information upon which the computations are based and, accordingly, has not expressed an opinion on the data used, the reasonableness of the assumptions, or the achievability of future events.

#### **CERTIFICATION AS TO OFFICIAL STATEMENT**

At the time of payment for and delivery of the Series 2014 Bonds, the Board will furnish the Underwriters a certificate signed by the Chairman and Secretary of the Board to the effect that (i) the descriptions and statements, including financial data, of or pertaining to the Board on the date of the Official Statement, on the date of the sale of the Series 2014 Bonds and on the date of the delivery thereof, were and are true in all material respects, and, insofar as such matters are concerned, the Official Statement did not and does not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, (ii) insofar as the descriptions and statements, including financial data, of or pertaining to governmental and/or non-governmental entities other than the Board and their activities contained in the Official Statement are concerned, such descriptions, statements, and data have been obtained from sources which the Board believes to be reliable and the Board has no reason to believe that they are untrue or incomplete in any material respect, and (iii) there has been no adverse material change in the affairs of the Board between the date the Preliminary Official Statement was deemed final by the Board and the date of delivery of the Series 2014 Bonds.

**CONTINUING DISCLOSURE****[TO BE UPDATED]**

The Board will enter into an undertaking (the "Undertaking") for the benefit of the owners of the Series 2014 Bonds to provide, so long as the Series 2014 Bonds are outstanding and so long as required by the hereinafter defined Rule, certain financial information, operating data and notice of events, pursuant to the requirements of Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12 (17 C.F.R. Part 240, §240.15c2-12) (the "Rule"). See "APPENDIX F - FORM OF CONTINUING DISCLOSURE CERTIFICATE."

The Board was late in filing its annual report and audited financial statements for the Fiscal Year ended June 30, 2009 (due on March 31, 2010), in connection with certain Outstanding Parity Bonds. The audited financial statements for the Fiscal Year ended June 30, 2009, were not released by the Legislative Auditor of the State until April 7, 2010, and those statements, along with the annual report, were filed with the Municipal Securities Rulemaking Board's Electronic Municipal Market Access on May 25, 2010. Because the Board's audited financial statements are typically not available until after March 31 of each year, the Board's undertaking in connection with the Series 2014 Bonds will be due on April 30 of each year, and the Board has amended certain prior undertakings to change the due date to April 30 of each year. The Board is presently in compliance with its continuing disclosure obligations and has implemented internal and external procedures to ensure timely compliance with its undertakings in the future.

**[\*\*\*FIND OUT IF LSU HAS ENROLLED IN THE EMMA ALERT SERVICE \*\*\*]**

A failure by the Board to comply with the Undertaking will not constitute an Event of Default under the Bond Resolution (although Bondholders will have any available remedy at law or in equity). Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker-dealer or municipal securities dealer before recommending the purchase or sale of the Series 2014 Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2014 Bonds and their market price.

Furthermore, recently-enacted Louisiana law provides additional procedures designed to ensure compliance with the Continuing Disclosure Certificate by (i) requiring public entities, such as the Board, to keep certain records demonstrating compliance with the Continuing Disclosure Certificate, and (ii) mandating the Board's auditor, as part of the preparation of the Board's annual financial audit, review the Board's compliance with its continuing disclosure undertakings and record keeping requirements. Such legislation became effective on August 1, 2014.

(xv) No consent, approval or authorization of, or filing, registration or qualification with, any governmental authority (other than those, if any, already obtained and other than any required under "Blue Sky" laws) is required on the part of the Board as a condition to the execution and delivery of the Board Documents, this Bond Purchase Agreement or the performance of the Board's obligations under any of such documents;

(xvi) The Board has all requisite power to issue the Series 2014 Bonds and has been duly authorized to execute and deliver the Series 2014 Bonds under the terms and provisions of the Bond Resolution;

(xvii) Neither the execution and delivery of the Series 2014 Bonds nor the fulfillment of or compliance with the terms and conditions of the Series 2014 Bonds or the Board Documents, except to the extent disclosed in the Official Statement, will conflict with or result in a breach of any of the material terms, conditions or provisions of, or will result, except to the extent disclosed in the Official Statement, in the creation or imposition of any material lien, charge or encumbrance upon any property or assets of the Board or the University pursuant to any indenture, ordinance, loan agreement or other agreement or instrument (other than liens, charges and encumbrances created by the Bond Resolution or the Parity Lien Obligations, as defined in the Bond Resolution) or corporate restrictions to which the Board is a party or by which the Board, or its properties or operations, may be bound, and such action will not, except to the extent disclosed in the Official Statement, result in any material violation of the Bylaws or Regulations of the Board or the provisions of any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Board or its properties or operations are subject;

Except as provided in the Official Statement, no litigation, proceedings or investigations are pending or, to the knowledge of the Board, threatened against the Board, except for litigation, proceedings or investigations which the Board believes are nonmeritorious or that insurance coverage provided by applicable insurance policies is adequate to offset any significant liabilities that may result from such action and which would materially adversely affect the Board's ability to comply with its payment obligations under the Series 2014 Bonds;

(xix) The representations of the Board set forth in the Bond Resolution will be true and correct in all material respects on the effective date thereof;

(xx) To the extent permitted by law, the Board agrees to reimburse the Underwriter, any member, trustee, officer, official or employee of the Underwriter and each person, if any, who controls the Underwriter within the meaning of Section 15 of the Securities Act of 1933, as amended (collectively, the "Reimbursable Parties"), for any and all losses, claims, damages, liabilities or expenses whatsoever to the extent caused by any untrue statement or misleading statement of a material fact contained in the Official Statement (other than in the Excluded Sections) concerning the Board or its properties or operations or caused by any omission from the Official Statement of any material fact concerning the Board or its properties or operations necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. In case any action shall be brought against one or more of the Reimbursable Parties based upon the Official Statement (other than with respect to information in the Excluded Sections) and in respect of which reimbursement may be sought against the Board, the Reimbursable Parties shall promptly notify the Board in writing, and the Board shall, to the extent permitted by law, promptly assume the defense thereof, including the employment of counsel, the payment of all reasonable expenses and the right to negotiate and consent to settlement. The Board shall not be bound to make reimbursement for any settlement of any such action effected without its consent by any of the Reimbursable Parties, but, if settled with the consent of the Board or if there be a final judgment for the plaintiff in any such action against the Board or any of the Reimbursable Parties, with or without the consent of the Board, the Board agrees to reimburse the Reimbursable Parties to the extent provided by law and in this Bond Purchase Agreement;

(xxi) The Board will deliver or cause to be delivered all opinions, certificates and other documents, as provided for in this Bond Purchase Agreement, including, but not limited to, an opinion of its counsel dated as of the Closing Date;

(xxii) The Board will apply the proceeds from the sale of the Series 2014 Bonds for the purposes specified in the Bond Resolution; and

(xxiii) The Board will not use the proceeds of the Series 2014 Bonds in any way which would affect the exclusion from gross income of the interest on the Series 2014 Bonds for federal income tax purposes.

(b) The Board will cooperate with the Underwriter in taking all necessary action for the qualification of the Series 2014 Bonds for sale and the determination of their eligibility for investment under the securities or Blue Sky laws of such jurisdictions as the Underwriter designates,

(iv) Legislation shall be enacted by the Congress of the United States of America, or a decision by a court of the United States of America shall be rendered, to the effect that obligations of the general character of the Series 2014 Bonds are not exempt from registration under the Securities Act of 1933, as amended and as then in effect, or the Securities Exchange Act of 1934, as amended and as then in effect, or that the Bond Resolution as an indenture is not exempt from qualification under the Trust Indenture Act of 1939, as amended and as then in effect;

(v) Any event shall have occurred, or information become known, which, in the Underwriter's reasonable opinion, makes untrue in any material respect any statement or information contained in the Official Statement (as it may have been previously supplemented or amended) or has the effect that the Official Statement (as it may have been previously supplemented or amended) contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading;

Research is conducted by faculty in academic departments and through research centers, institutes, and other special units. At any given time, approximately 1,200 sponsored research projects are underway at the University. In addition, faculty members pursue numerous research projects that are not sponsored by outside agencies, as do many graduate students.

## **ATHLETICS**

The University's athletic teams, the LSU Tigers, draw some of the largest crowds in all of college athletics. Sellout crowds are the norm at Tiger Stadium and the Tigers annually lead or rank among the nation's leaders in baseball attendance. The Pete Maravich Assembly Center accommodates large crowds for basketball, gymnastics, volleyball and other events.

The University offers intercollegiate sports programs for men and woman in 20 sports and is a charter member of the Southeastern Conference.

The University's athletic facilities include Tiger Stadium (seating 92,400 with 70 box suites, consisting of 3,600 club level seats), Bernie Moore Track Stadium (5,680), Alex Box Stadium (10,150), Pete Maravich Assembly Center (13,250), the Field House, Natatorium, Tiger Soccer Complex and Tiger Softball Park.

LSU has achieved dominance in the sports of baseball and track and field while the football team was the first program in the country to win the BCS Championship multiple times. With increased emphasis on women's athletics in the last decade, LSU is competitive across the board in the Southeastern Conference.

The University's athletic program has a national reputation for its facilities and operation. The Pete Maravich Assembly Center has been the site of the SEC Basketball Tournament and NCAA Regional Basketball Tournaments. Alex Box Stadium has hosted the NCAA Baseball regional Tournament on numerous occasions and Dub Robinson Tennis Stadium is a frequent host of the NCAA Tennis Regional Tournament. Bernie Moore Track Stadium has hosted the SEC and NCAA Outdoor Track and Field Championships.

## **SUMMARY FINANCIAL INFORMATION**

### ***OPERATING BUDGET AND STATE APPROPRIATIONS***

Less than thirty percent of the University's current unrestricted revenues are derived from State appropriations. The constitution and statutes of the State require the Board of Regents to design a formula (the "Formula") providing for the distribution of State tax revenues to institutions of higher education. The Board of Regents is a constitutionally created board whose powers include budgetary responsibility for all public institutions of higher education.

The Formula was last revised in preparation for the Appropriations Request for 2011-2012. The revised Formula was developed to incentivize student success, transfer and articulation, workforce competitiveness and economic development. The goal to fund institutions at the average of peers in the southern region remains in the current formula.

While including elements of the previous formula, the current formula is more focused on the "rewarding" of performance. The revisions shifted a large portion (25%) of the institutions' state funding to a performance model with allocations driven by many newly developed metrics. The percentage that is performance-based is one of the largest in the nation and while a phase in was envisioned in the design, no phase in was applied in implementation. The cost component of the funding formula, which was built on solid policy driven calculations based on best practices used in other states, was reduced to 75% of the total funding. This formula was developed to give Louisiana a performance-based model that focuses on results, increasing numbers of degrees and certificates awarded, increasing research activity, and addressing workforce and economic development needs.

As with the previous formula, the current model fulfills several of the goals of best practices for funding formulas. Consistent funding and persistent use of the formula will allow institutions to predict their revenue streams based on campus performance improvements and budget with a greater level of certainty.

The official budget request for postsecondary education, as envisioned by the state constitution and prescribed by law, outlines how the existing system should be supported. The formula serves as the representation of the funding level determined appropriate for providing adequate financial support for the operations of postsecondary institutions. The Board of Regents annually submits a request to the Division of Administration, Office of the Governor (the "Division"), and to the Legislature for full funding of the Formula.

The 2013 Legislature funded the Formula for FY 13-14 in the amount of \$112,355,056 in State General Funds for the Baton Rouge campus. To help offset reductions in State General funds, the Legislature approved a tuition increase plan. The colleges and universities are not in a position to itemize their budgets until the level of the Formula is established. Consequently, the Legislature appropriates lump sums to the managing boards of the various colleges and universities which then submit itemized budgets to the Board of Regents for review. These budgets are then transmitted to the Division and the Joint Legislative Committee on the Budget for consideration.

Self-generated revenues of public colleges and universities can be categorized as either restricted revenues or non-restricted revenues. All revenues are audited annually and reported in the audited financial statement of the University.

The following table reflects total State general fund appropriations to State higher education, to the LSU System and to the University. It also displays the ratio of State general fund appropriations to the LSU System as a percentage of total State general fund appropriations to State higher education; and total State general fund appropriations to the University as a percentage of total State general fund appropriations to the LSU System.

**1. Overview of Technology Transfer Transformation Activities**

Over the past year, the philosophy, regulations and structure of technology transfer across the LSU System have been fully transformed. This important research-related activity has been carefully evaluated by multiple entities and re-shaped into a more distributed and responsive system in support of both faculty innovation and economic development through commercial partnerships.

A brief timeline is presented below to illustrate the pace and scope of changes which have been implemented by staff at the system and at the campuses, in close consultation with faculty representatives and university leadership.

September, 2013	President’s Committee on Technology Transfer (PCTT) launched
October, 2013	Board Bylaws revised, removing license agreements from significant board matters requiring Board approval
December, 2013	PCTT Report delivered, recommending: <ul style="list-style-type: none"> <li>• A new model for technology transfer at LSU in partnership with the LSU Research &amp; Technology Foundation</li> <li>• A new shared mission statement</li> <li>• A new proof-of-concept fund</li> </ul>
January, 2014	<ul style="list-style-type: none"> <li>• Board Regulations, Chapter VII on Intellectual Property, fully revised to clarify &amp; streamline policies.</li> <li>• Permanent Memoranda 16 and 64 rescinded</li> <li>• LSU LIFT<sup>2</sup> Fund created, funded with \$2 million in restricted funds, sustained with 5% of future licensing income</li> </ul>
March, 2014	LIFT <sup>2</sup> Implementation Committee formed to ensure faculty input into program rules

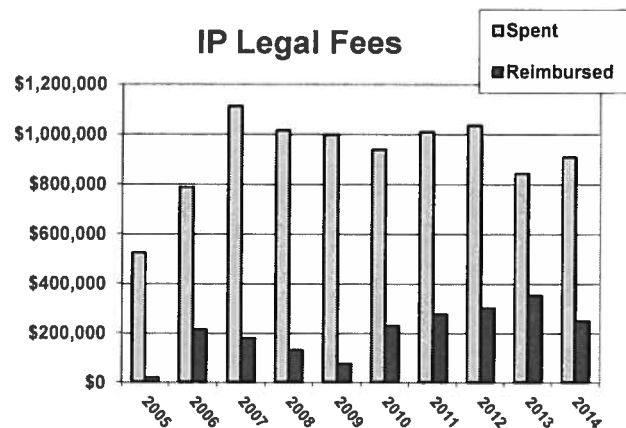

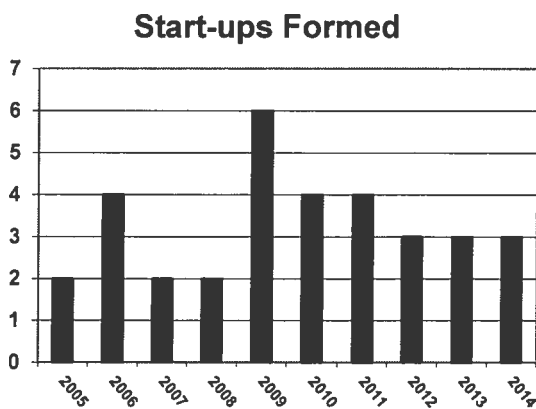

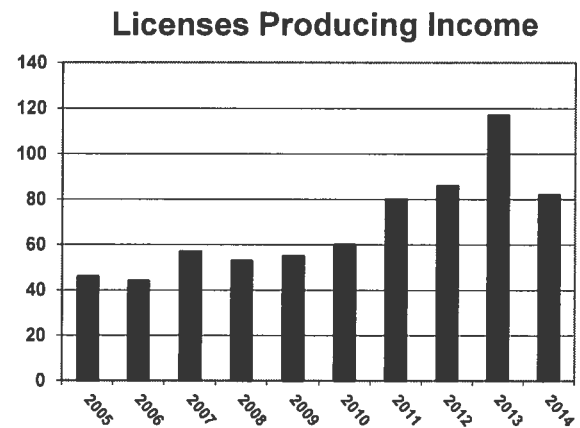

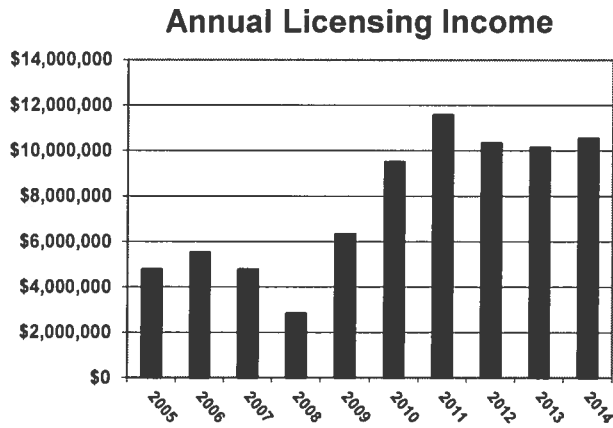

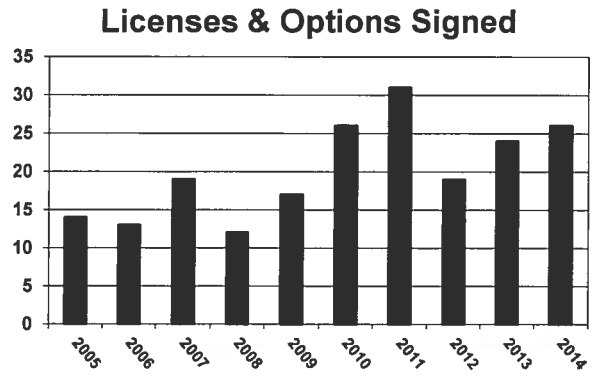

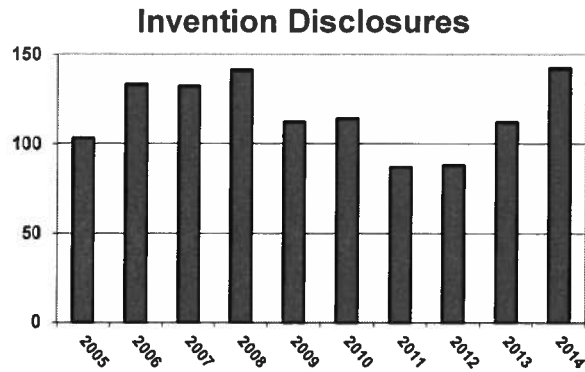

May, 2014	Pilot Request for Proposals (RFP) for LSU LIFT <sup>2</sup> grants released
July, 2014	First round of LSU LIFT <sup>2</sup> grants announced, awarding \$500,000 to 15 projects on 5 campuses (see Appendix I for more details)
July, 2014	<ul style="list-style-type: none"> <li>• New Partnership begins with the LSU Research &amp; Technology Foundation (RTF) for support of shared services related to technology transfer</li> <li>• Signature Authority for License Agreements delegated to Chancellors</li> <li>• RTF designated as LIFT<sup>2</sup> Program Manager and Custodian of all LSU System technology transfer records</li> </ul>
August, 2014	<ul style="list-style-type: none"> <li>• RTF hiring Legal Affairs Officer, expanding services to campuses</li> </ul>
November, 2014	<ul style="list-style-type: none"> <li>• Planned release of RFP for Pilot Round 2 of the LIFT<sup>2</sup> awards</li> </ul>
January, 2015	<ul style="list-style-type: none"> <li>• Planned announcement of the second group of LSU LIFT<sup>2</sup> grants awarded</li> </ul>

## 2. Technology Transfer & Commercialization

As a part of the transformation of technology transfer activities listed above, with the beginning of Fiscal Year 2014-15, the new delegated responsibilities of the five research campuses and the new partnership with the LSU Research & Technology Foundation (RTF) for the commercialization of LSU Intellectual Property have officially launched. In addition, the new fiscal year brings two new campus leaders of technology transfer (at LSU & PBRC) onto the team of experts leading this initiative in partnership across all LSU's campuses across the State.

In order to have an appropriate yardstick for measurement of success of the campuses and of the RTF in their respective technology-transfer roles, the following charts provide a baseline of ten years of activity in six key metrics. In Appendix II, specific campus-by-campus data on each of these metrics can be found.

## Consolidated LSU System Technology Transfer Metrics, FY2005-2014

## Appendix I

### Overview of Pilot LSU LIFT<sup>2</sup> Program

- The LSU Board of Supervisors approved the creation of the new LSU LIFT<sup>2</sup> Fund in January to *Leverage Innovation for Technology Transfer*. This program is designed to enhance commercialization by better preparing inventions for license to a commercial partner
- This fund is intended to support proof-of-concept research to advance innovation and commercialization at LSU. “Innovations” include both creative and artistic works as well as devices, drugs, software, and other more traditional ‘inventions’. Innovations which already have been disclosed to a campus technology transfer office and which need further work to prove the concept are eligible for consideration
- 47 applications were received, indicating the tremendous interest in this program and the need for such proof of concept funding to support innovation and commercialization
- 15 grants were awarded after being scored by an external review panel on criteria related to primarily technical merit and commercial potential
- Results of the research from these first grants are expected within twelve months
- It is expected that some experiments to validate a proof-of-concept will fail. Such failures, however, should not be regarded as a failure of the LSU LIFT<sup>2</sup> Fund purpose. It is better to be “fast to failure” if a concept cannot demonstrate commercial potential, so that future research efforts and funding can be re-directed to projects with a higher likelihood of success.
- The next round of applications for LIFT<sup>2</sup> awards will open in November, for the semi-annual program. Applicants who were unsuccessful in this round will receive feedback and will be encouraged to apply again.
- The grants are distributed as follows across the campuses:
  - LSU A&M: 7 awards (16 applications)
  - Ag Center: 3 awards (12 applications)
  - PBRC: 1 award (7 applications)
  - HSCNO: 3 awards (10 applications)
  - HSCS: 1 award (2 applications)
- A brief list of each award follows on the next page.

## Academic and Student Affairs Agenda Item #2

### ***REQUEST FROM LSU A&M TO ESTABLISH THE CENTER OF RESEARCH EXCELLENCE IN PLANT BIOTECHNOLOGY AND CROP DEVELOPMENT***

**To: Members of the Board of Supervisors**

**Date: September 12, 2014**

#### **1. Significant Board Matter**

This matter is a significant board matter pursuant to the following provisions of Article VII, Section 8 of the Bylaws of the Board of Supervisors:

D. 1. Any matter having a significant fiscal (primary or secondary) or long term educational or policy impact on the System or any of its campuses or divisions.

#### **2. Summary of the Matter**

Description. In June 2013, the Louisiana Board of Regents approved the special designation of Center of Excellence for units, programs, or functional areas in the Louisiana higher education system that are “accountable to higher expectation of performance and productivity, including contributions to the body of knowledge and to economic development, placement of graduates, generation of external interest and support, formation of joint ventures and partnerships, and positive recognition of the area and its faculty and students.” The Center of Research Excellence in Plant Biotechnology & Crop Development will be the first such proposed designation for LSU A&M and the AgCenter.

The Center of Research Excellence in Plant Biotechnology & Crop Development is designed to provide pioneering and transformational solutions for the problems facing agriculture in the 21<sup>st</sup> century. The Center will primarily be a research initiative but will also include education and outreach opportunities. The Center will involve LSU, the AgCenter, and other Louisiana institutions of higher education as dictated by appropriate faculty expertise. Fostering collaborative approaches to innovation and discovery and through partnerships with public and private sectors will allow the center to provide leadership in plant biotechnology and crop development including physiology, genomics, molecular biology, bioinformatics, breeding and protection. Particular emphasis will be placed on the development of technologies that will meet future needs in crop production including yield enhancement, biotic and abiotic stress tolerance, and improved nutritional composition of crops, all of which are critical to feed an expanding world population.

Louisiana’s diverse geography supports a range of agricultural commodities common to many other areas of the country. The major food crops of the US, including field corn, soybean, rice, and wheat, are common in Louisiana agricultural production systems. The current production systems and environment strongly position Louisiana for research and development of

novel plant traits and unique germplasm that add significant value to crop production systems. Coordinating resources and focusing technology efforts on identifying, characterizing, and utilizing plant traits to reduce yield and quality effects from abiotic and biotic stresses will elevate the collective foundation of Louisiana scientists to an international hub for research efforts.

Faculty. Faculty with the College of Agriculture and AgCenter have demonstrated expertise in identifying stressors limiting plant development, selecting plant traits to overcome those limitations, engineering plants to express novel qualities, and using technology to develop crop lines. This success will create an array of economic opportunities for the university to establish industry partnerships, especially when industry partners already have productive germplasm, but a stressor limits further performance. These arrangements would not only add value to the research and education portfolios, but enhance economic value of Louisiana agriculture.

Louisiana has a number of scientists working independently either in basic biotechnology, characterizing novel plant traits, or conventional crop development. These scientists work not only at LSU and at the AgCenter, but on other campuses such as the University of Louisiana-Lafayette. There is a clear need to create an organized team effort to efficiently generate technologies, traits, and varieties to meet the challenges of food and fiber production predicted in the near future. The proposed Center will serve as a foundation of resources to prioritize and coordinate research activities that will speed development and avoid unnecessary duplication of efforts. Establishing a critical mass of faculty to include those across the state from other public institutions will expand the expertise available to move the technology forward at a rapid pace. The Center also will experience added benefits by motivating industry investment into successful discovery and development. With faculty expertise in the Land-Grant missions of research, extension, and teaching, the Center will provide education and training opportunities for both undergraduate and graduate students interested in both basic biology and applied agriculture.

Faculty in the College of Agriculture, the College of Science, and the AgCenter associated with plant biology, biotechnology, and crop development traditionally center on focused goals with highly specialized research efforts. In those situations where collaborative efforts have occurred, there is a history of success that results in new crop varieties and or unique plant traits with value in agricultural systems. These scientists receive external funding to support their work from federal agencies, national and state commodity organizations, and industrial sources. In many areas, this scientific expertise is unique to LSU among other Land Grant universities with outcomes of intellectual property exceeding \$30 million during the past few years. As a side benefit during this process of technology development, faculty contribute to doctoral and post-doctoral training allowing many to be offered positions in academia and industry. In addition, the AgCenter's International Programs Office has considerable success in attracting international students who were trained by faculty in LSU plant sciences programs. Most recently, the LSU AgCenter has provided support to 10 scholars from Earth University, Costa Rica, La Universidad Nacional de Agricultura (UNA), Honduras, and Zamorano University, Honduras to conduct supervised research in the area of plant biotechnology through the International Scholars in Agriculture Program. Coordinating efforts and developing curricula will further facilitate

educational opportunities within LSU and also will create shared opportunities among other Louisiana universities and for the international community.

Administration. The proposed Center will function as a virtual center “without walls”. Member scientists may be located in different academic and research units but will collaborate on grant proposals, research projects, research prioritization efforts, graduate and undergraduate student training, and education efforts.

The Center will be directed by a senior faculty member, with administrative oversight by Dr. John S. Russin, Vice Chancellor for Strategic Initiatives. An Advisory Board will be developed and include senior representatives from plant biotechnology and crop development companies, economic development and other appropriate state agencies, key commodity and industry stakeholders, and appropriate campus unit heads.

Facilities and Equipment. Excellent facilities and equipment are available within multiple LSU and Ag Center entities to support research programs in this area.

### **3. Review of Business Plan**

The Center is funded through a variety of sources including direct state appropriations, federal funding through faculty, awards from industry, crop checkoff, and other federal and international sources. Proposals for these awards are submitted regularly. (See Attached Budget Forms.)

### **4. Review of Documents Related to Referenced Matter**

The proposed Center has been reviewed and approved by appropriate LSU, AgCenter, and System faculty and administrative officials. A detailed proposal is on file in the System Office Academic Affairs.

### **5. Certification of campus (or equivalent) re. paragraph C, Article VII, Section 8.**

Appropriate certification has been provided by LSU.

### **RECOMMENDATION:**

It is recommended that the Board of Supervisors adopt the following resolution:

### **RESOLUTION:**

***“NOW, THEREFORE, BE IT RESOLVED*** that the Board of Supervisors of Louisiana State University does hereby approve the request from LSU A&M to establish the Center of Research Excellence in Plant Biotechnology and Crop Development, subject to approval by the Board of Regents.”

Dr. Russin,

Louisiana Rice Mill supports the development of a Center of Research Excellence in Plant Biotechnology and Crop Development. The LSU AgCenter already has played an important role in creating new varieties for Louisiana. Rice varieties developed by the AgCenter are very important to both Louisiana rice growers and processors. This institution could coordinate the activities of researchers from Louisiana institutions beyond the scope of the LSU AgCenter and facilitate formal interactions among interested scientists. This Center may consolidate resources and expedite the process of new germplasm and trait development for Louisiana. I wholeheartedly support this endeavor.

Dear Dr. Russin,

Please accept this letter as the Louisiana Rice Growers Association's full support of the development of a Center of Research Excellence in Plant Biotechnology and Crop Development. As members of the rice industry, the development of new rice varieties by the LSU AgCenter is vital to our industry.

The development of this facility could coordinate the interactions among other scientists and Louisiana researchers beyond the LSU AgCenter. It would also benefit Louisiana by bringing together resources and advancing the process of new germplasm and characteristic development.

Again, we support the development of this Center of Research Excellence in Plant Biotechnology and Crop Development and feel it would be beneficial for the future of Louisiana agriculture.

Thank you for your consideration,

Dear Dr. Russin,

As members of the Louisiana Sweet potato Industry, we support the development of a Center of Research Excellence in Plant Biotechnology and Crop Development. The LSU AgCenter already has played an important role in creating new varieties for Louisiana, including Beauregard, Orleans, Bayou Bell and Burgundy. This institution could coordinate the activities of researchers from Louisiana institutions beyond the scope of the LSU AgCenter and facilitate formal interactions among interested scientists. This Center may consolidate resources and expedite the process of new germplasm and trait development for Louisiana. New varieties are a critical component as we strive to increase yields, quality and sustainability of our industry.

## **Academic and Student Affairs Agenda Item #3**

### ***REQUEST APPROVAL FROM LSU A&M TO ESTABLISH THE DEPARTMENT OF AGRICULTURAL AND EXTENSION EDUCATION AND EVALUATION IN THE COLLEGE OF AGRICULTURE***

**To: Members of the Board of Supervisors**

**Date: September 12, 2014**

#### **1. Significant Board Matter**

This matter is a significant board matter pursuant to the following provisions of Article VII, Section 8 of the Bylaws of the Board of Supervisors:

D.1. Any matter having a significant fiscal (primary or secondary) or long term educational or policy impact on the System or any of its campuses or divisions.

#### **2. Summary of the Matter**

##### **Background.**

Historically, the College of Agriculture (COA) housed agricultural and extension education programs in the School of Human Resource Education & Workforce Development (SHREWD), formerly named the School of Vocational Education. In 2012, SHREWD joined several other schools to form the College of Human Sciences & Education (CHSE). All coursework and degrees associated with SHREWD moved with faculty to the new college except for the undergraduate agricultural education degree program, which remained in the COA, where the program was administered and the degree was conferred. Ag education faculty members hold split appointments between the two colleges.

The LSU AgCenter's Organization Development & Evaluation Unit (ODE) currently supports both extension and research professionals by providing them with the tools they need to be successful in developing, implementing, and evaluating high quality, research based programs designed to improve the quality of life of Louisiana residents – many of the skills also needed by graduates of the agricultural education program. The ODE faculty also provide instruction in research- and extension-related courses that are pertinent to undergraduate students in the agricultural education program. (Attachments A1 - A4 provide current and proposed org charts.)

LSU requests approval to realign the agricultural education undergraduate program and the AgCenter's ODE unit into a new department in the College of Agriculture. The resources and expertise of the ODE unit will enhance the agricultural education program, thereby facilitating a more efficient and systematic way of educating and training both teachers and extension personnel. This in turn will help to insure that needs of the agricultural education and extension workforce are met. It also will allow LSU to be

more competitive in recruiting students by bringing LSU's agriculture and extension education structure closer in line with the national standard among similar programs.

The mission of the proposed department is to positively affect the agricultural community by providing highly-qualified professionals to educate students and the public about the importance of agriculture, natural resources, and the environment. A survey of 1862 Land Grant universities was conducted to assess the current peer trend in naming of similar units (Attachment B). The faculty and staff propose that the new department be named the *Department of Agricultural & Extension Education & Evaluation (AEEE)*.

### **3. Profile of the new Department of AEEE**

*Students.* There are currently 20 undergraduate students majoring in agricultural education. With the attrition of faculty and staff over the years, combined with program instability, enrollment in the agricultural education program has continued to decline. Additionally, undergraduate extension courses, which have not been taught for some time due to a lack of resources, have become dormant, leaving the workforce pool for extension jobs critically low. There is a need for well-trained professionals in the agriculture and extension areas who can teach children and the public about agriculture, food, fiber, and natural resources. The department's goal will be to increase enrollment to at least 50 undergraduate students in five years, which faculty members feel is reasonable with an active recruitment and student retention program. The combining of resources for this new department will support increased recruitment of students for this program; expand the course offerings to include instruction in program design, delivery, evaluation, communications, leadership, management, and technology; and more effectively link undergraduate experiences with the workforce.

*Faculty.* The proposed department will have 7.5 FTEs involving ten faculty positions—eight tenured/tenure-track positions and two instructor positions (Attachment C). Of the ten faculty positions:

- Three will be agricultural education positions within the COA. Two of the positions in agricultural education (Blackburn, Stair) are new hires with both faculty members scheduled to arrive at LSU by July 1. One of the new hires (Blackburn) will be 100 percent agricultural education and the second (Stair) will serve as rector for the Ag Residential College for 75 percent of her load with 25 percent of her time in agricultural education. The third agricultural education position (Bunch) is a current faculty member who is funded 49 percent by COA and 51 percent by CHSE but is being transferred to 100 percent COA funds effective July 1, per an MOU between the Deans of CHSE and the COA (Attachment D).
- One faculty position (White) and one instructor position (Arcemont) will continue to provide support for the ODE functions of the department and will be 100 percent funded by the LSU AgCenter.

- Three faculty positions (Davis, Fox, and Cater) will be funded 25 percent by the COA and 75 percent by the LSU AgCenter to support teaching, student advising and extension functions.
- One instructor position (Blanchard) will be funded 75 percent by COA and 25 percent by LSU AgCenter.
- One new faculty hire with responsibilities in evaluation will be shared between COA (49 percent) and CHSE (51 percent).
- One existing administrative support person and two student workers will continue to be paid by LSU AgCenter.

The Department will be managed by a department head who is a senior faculty member in the Department and who has extensive administrative experience.

*Curriculum.* Currently there is a single degree offered in this program, a bachelor's degree in agricultural education. There will be no changes in the degree at this time. Upon approval of this new department, however, a complete review of all agricultural and extension education courses will be conducted to validate them and/or determine which courses require revisions to best fit the degree program and defined areas of concentration. Additional faculty members will be identified outside of the department to teach courses for which AEEE does not have capacity.

The LSU agricultural education faculty and the AgCenter ODE faculty have already started efforts to develop a letter of intent for a new graduate program to be offered by the department. A substantial need exists to offer graduate instruction to extension agents across the state and others who would benefit from the program. The master's program would likely be accessible via online learning.

*Facilities.* All faculty and support staff for the proposed department will be housed in Knapp Hall. Members of the ODE team are currently housed in Knapp Hall, and office space will be located there for the three agricultural education faculty members and their graduate assistants who will move from the SHREWD space in Coates Hall.

Faculty and staff affiliated with the LSU agricultural education program as well as faculty and staff of the AgCenter's Organization Development & Evaluation unit support this realignment to the College of Agriculture. The respective deans of the COA and the CHSE have entered into a memorandum of understanding that facilitates this proposed transition, including the transfer of 26 agricultural education course rubrics from SHREWD to the newly-proposed department. (Attachment D).

#### **4. Finances and Strategic Planning**

This realignment will bring together personnel working toward a common goal, resulting in greater effectiveness and efficiency. Duplication of services and administrative overhead will be reduced, as faculty and staff in the two separate units work to

accomplish a unified and focused mission. Establishing a stand-alone department devoted to agricultural and extension education and evaluation will ease the ability to recruit both students and faculty to the program.

The proposed budget, to be funded from current College of Agriculture funds and AgCenter funds, is \$792,718 (See Attachment C). Funding in the amount of \$688,718 will provide for 10 faculty and one staff position. The remaining \$104,000 of the proposed budget will cover graduate assistants and other support costs.

The new department will also develop a comprehensive strategic plan with input from faculty and staff.

**5. Review of Documents Related to Referenced Matter**

This recommendation originated through discussions between faculty and staff of the LSU Ag Center and the College of Agriculture as well as the LSU Office of Academic Affairs. Support documentation from the Vice President for Agriculture & Dean of the College of Agriculture has been provided (Attachment D). This request has been approved by all appropriate faculty and campus and system administrative officials.

**6. Certification of campus (or equivalent) re. paragraph C, Article VII, Section 8.**

Appropriate certification has been provided by the campus.

**RE:** Approval to Create the Department of Agricultural & Extension Education & Evaluation (AEEE) in the College of Agriculture (COA)

Attached is a proposal outlining my request to create the Department of Agricultural and Extension Education and Evaluation within the College of Agriculture effective July 1, 2014. This move will better align budgetary resources and personnel reporting lines with the role and function of the College of Agriculture. It brings together the COA's agricultural and extension education programs and the LSU AgCenter's Organization Development and Evaluation unit to provide an academic department home for these two programs and to provide a more cohesive and comprehensive experience for our students and LSU AgCenter employees involved in both formal coursework and non-formal learning experiences.

This proposal has been endorsed by COA and LSU AgCenter faculty involved in the realignment and has the support of the Dean of the College of Human Sciences and Education which formerly housed the agricultural education program, as evidenced by the Memorandum of Understanding attached to the proposal.

I appreciate your support and assistance in getting this item before the Board of Supervisors. Should you or the LSU System staff have any questions or require additional clarification prior to the upcoming Board of Supervisors meeting, please contact me.

Thank you.
