TO THE FAMILIES OF THE STUDENTS

University College salutes your support for and encouragement of your student's academic achievements. Thank you for helping provide LSU with such outstanding examples for other students to follow.

TO OUR GUESTS

University College expresses our gratitude for your support. Your involvement enables us to pay tribute to our students. We sincerely hope that you and the entire LSU community will continue to see the inspiration provided to our past, present, and future scholarship recipients.

LSU UNIVERSITY COLLEGE is dedicated to students achieving excellence at LSU. Academic and personal success is the hallmark of a well-rounded student, and University College provides a foundation of support services for students beginning their academic careers at LSU. Our two enrollment divisions are the Center for Freshman Year and the Center for Advising and Counseling. In addition, a variety of retention-specific programs that focus on particular student populations are a significant part of the role and mission of University College, including McNair Research Scholars, Student Support Services, and Summer Scholars.
