WITNESSETH

WHEREAS, OLOL is a major teaching hospital committed to developing medical and clinical professionals in the State of Louisiana in order to improve access to healthcare in its service area; and,

Const. Art. VIII, Section 7 and La. R.S. 17:3215; and,

WHEREAS, LSU, OLOL, the Louisiana Department of Health and Hospitals and Division of Administration are parties to a Cooperative Endeavor Agreement dated February 5, 2010, as amended (the "CEA") through which LSU, OLOL, the Louisiana Department of Health and Hospitals and Division of Administration will collaborate to develop and maintain nationally recognized graduate medical education programs; and,

WHEREAS, LSU and OLOL through their collaboration, desire to provide clinical experience in outpatient clinics operated by OLOL; and,

WHEREAS, Lessor is the owner of certain immovable property with all buildings and improvements thereon, including equipment which is built into the buildings, is permanently attached and is a part of the immovables, located at 9032 Perkins Road, Baton Rouge, Louisiana 70810 (the "Leased Premises"), the legal description of which is attached hereto as Exhibit "A"; and,

WHEREAS, the Leased Premises consists of approximately 61,927 square feet of

medical office, clinic space, and ambulatory surgical space, which will be leased by Lessor to Lessee for the purpose of operating outpatient clinics and other Permitted Use (defined herein); and,

WHEREAS, this Lease furthers the educational and public service missions of Lessor;

NOW, THEREFORE, in consideration of Lessor's obligation to lease the Leased Premises, the rent to be paid by Lessee during the term of this Lease, and the mutual benefits accruing to the parties under this Lease and the CEA, the parties do enter into this Lease, on the following terms and conditions:

**ARTICLE I.
LEASED PREMISES AND TERM**

For the consideration and upon the terms and conditions hereinafter expressed, Lessor leases the Leased Premises unto Lessee, here present and accepting the same, commencing on the Commencement Date (as defined below), for an initial term of five (5) years (the "Initial Term", and together with any Renewal Terms, the "Term"), unless otherwise terminated sooner in accordance with the terms and conditions set forth herein and in the CEA. Unless Lessee provides a written notice of non-renewal to Lessor at least sixty (60) days prior to the end of the then-current Term of the Lease, the Term of the Lease automatically shall extend for up to five (5) successive periods of one (1) year each (each, a "Renewal Term"), so that the maximum possible Term of the Lease shall be ten (10) years.

For the purposes of this Lease, the "Commencement Date" shall mean the 15th day of April, 2013, unless mutually extended by the parties by written consent, which consent shall not be unreasonably withheld.

**ARTICLE II.
RENT**

Section 2.1 Quarterly Rent. During the Term, the annual consideration for this Lease is the payment by Lessee to Lessor of a sum equal to **\$1,732,707.00**, payable in four (4) equal quarterly installments (the “Quarterly Rent”) of \$433,176.75 each, with the first installment being due and payable on the Commencement Date, and the remaining installments being due and payable, respectively on the 1st day of each quarter thereafter (so that Quarterly Rent payments will be due no later than each January 1, April 1, July 1 and October 1 during the Term). In the event the Commencement Date should be a date other than the first day of a calendar quarter, the first Quarterly Rent payment shall be prorated to the end of that calendar quarter. In the event that the last day of the Term is a day other than the last day of a quarter, the last Quarterly Rent payment shall be prorated from the first day of that final quarter of the Term to the last day of the Term.

Section 2.2 Advance Rent. No later than twenty (20) days following execution of this Lease, Lessee shall pre-pay to Lessor a portion of the Rent as follows: Quarterly Rent in the total amount of \$1,732,707.00 shall be prepaid by Lessee, which payment represents the full value of the Quarterly Rent payments for one (1) year of the Term. The prepayment shall be considered a payment of the entire Quarterly Rent due during the fifth (5th) year of the Initial Term, without regard to any future adjustment of rent pursuant to the CPI Index. If this Lease terminates for any reason, other than a Lessee Event of Default, before the end of the period with respect to which Lessee has prepaid Rent, then no later than six (6) months following the termination date, to the extent allowed by Law, and in consideration of State’s obligations pursuant to the CEA to assist in preserving LSU’s medical education programs, to provide health care to the community and to seek to reduce the financial burden on the State of providing this

assistance, the Division and Lessor will refund to Lessee all prepaid Rent attributable to the period after the date of termination of this Lease up to the total amount that was prepaid, to the extent such refund is funded by the State in accordance with Section 15.12 hereof; provided, however any obligation of the State to fund, and the Division and Lessor to refund, prepaid Rent shall be reduced on a dollar-for-dollar basis to the extent any State, Division and/or Lessor funds are expended to improve the Leased Premises subsequent to the Commencement Date of this Lease.

Section 2.3 Additional Rent. In addition to the Advance Rent and Quarterly Rent, the Lessee shall also pay any and all other charges or payments which Lessee is or becomes obligated to pay pursuant to this Lease (the "Additional Rent"). (The Advance Rent, Quarterly Rent and Additional Rent may be referred to collectively herein as the "Rent"). Except as otherwise set forth herein, any Additional Rent owed to Lessor shall be due within thirty (30) days after receipt of the invoice, with reasonable description and itemization of the charge, from Lessor.

Section 2.4 Rent Payments. All Rent is payable by Lessee to Lessor at the following address, until notified differently in writing by Lessor: P. O. Box 91308, Baton Rouge, Louisiana 70821.

Section 2.5 Adjustments to Quarterly Rent Based on Consumer Price Index.

(a) The Quarterly Rent shall be increased annually, effective as of each anniversary of the Commencement Date (each, an "Adjustment Date") during the Term by an amount equal to the product obtained by multiplying the then current Quarterly Rent times the CPI Fraction. (For purposes of determining the "CPI Fraction", the numerator shall be the CPI in

effect as of thirty (30) days prior to the Adjustment Date, and the denominator shall be the CPI in effect as of the date which was one (1) year and thirty (30) days prior to the Adjustment Date.)

(b) In no event shall the CPI adjustment in the Quarterly Rent increase by an amount greater than five (5%) percent for any calendar year during the Term of the Lease. In no event shall the Quarterly Rent decrease.

(c) "CPI" shall mean the Consumer Price Index – U.S. City Average For All Items For All Urban Consumers (1982-1984 = 100) (the "Index"), published monthly in the "Monthly Labor Review" of the Bureau of Labor Statistics of the United States Department of Labor, or if the current Index is no longer available, then the current equivalent of the Index.

Section 2.6 Net Lease. This Lease is intended to be a net lease, meaning that except for any Rent abatement rights specifically set forth in this Lease, the Rent provided for herein shall be paid to Lessor without deduction for any expenses, charges, insurance, taxes or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by Lessee that as between Lessee and Lessor, Lessee shall bear responsibility for the payment of all costs and expenses associated with the management, operation, maintenance and capital renewal of the Leased Premises, including without limitation all costs and expenses described in Article VI hereof. Under no circumstances will Lessor be required to make any payment on Lessee's behalf or for Lessee's benefit under this Lease, or assume any monetary obligation of Lessee or with respect to the Leased Premises under this Lease.

ARTICLE III. USE

Section 3.1 Permitted Use. The Leased Premises shall be used and occupied by Lessee solely for medical business offices, medical staff offices, medical education staff offices, medical clinics, outpatient pharmacy operations or any other medical, educational or hospital use

or uses (including, without limitation, surgical, research and laboratory facilities) together with any uses that are accessory to any of the foregoing (“Permitted Use”), and for no other purposes without the prior written consent of Lessor. Lessee will conduct its business on the Leased Premises in compliance with all federal, state, local and parish rules, laws, ordinances, and governmental regulations, orders, codes and decrees (herein “Law”) and in accordance with the provisions of the CEA.

**ARTICLE IV.
SUBLETTING AND ASSIGNMENT**

Section 4.1 No Assignment. Lessee may not, without the prior written consent of Lessor, assign, mortgage or otherwise encumber in whole or in part this Lease or any interest therein; provided, Lessee may, with prior written notice to Lessor, but without the consent of Lessor, assign its interest as Lessee under this Lease to a non-profit corporation, limited liability company, limited liability partnership, or other non-profit legal entity wholly owned or controlled by Lessee, or to any non-profit entity that is a successor by merger to the Lessee or that acquires Lessee or all or substantially all of the assets of Lessee, provided that such assignee assumes Lessee’s obligations hereunder by operation of Law or agrees to assume in writing Lessee's obligations hereunder without release of Lessee, all in form and substance approved in writing by Lessor.

Section 4.2 No Subletting. Lessee may not, without the prior written consent of Lessor, sublease all or any portion of the Leased Premises; provided, Lessee may, with prior written notice to Lessor, but without the consent of Lessor, sublease all or a portion of the Leased Premises to a nonprofit corporation, limited liability company, limited liability partnership, or other nonprofit legal entity wholly owned or controlled by Lessee, or to any nonprofit entity that is a successor by merger to the Lessee or that acquires Lessee or all or

substantially all of the assets of Lessee, provided that all such subleases shall be subject and subordinate to all of the terms and conditions of this Lease and the use of the Leased Premises permitted under any such sublease shall be in accordance with the applicable terms and conditions of this Lease, and further provided that such sublessee assumes Lessee's obligations hereunder by operation of Law or agrees to assume in writing Lessee's obligations hereunder, all in form and substance approved in writing by Lessor.

Section 4.3 Lessee Remains Liable. In no event shall any assignment or subletting of all or any portion of the Leased Premises release Lessee from any obligations under the Lease, unless such release shall be evidenced by Lessor's express written agreement at the time of the assignment or subletting, which agreement may be withheld in Lessor's sole discretion.

ARTICLE V. IMPROVEMENTS AND ALTERATIONS BY LESSEE

Section 5.1 Lessee's Improvements and Alterations.

(a) Lessee shall not make any Major Alteration (defined herein) to the Leased Premises without the prior written approval of Lessor and Division, which shall not be unreasonably withheld or delayed. In connection with any requested Major Alteration, Lessee shall submit to Lessor and Division an explanation of the work proposed to be carried out, in a level of detail required by Lessor and Division in their reasonable discretion, and including plans and specifications therefor unless the requirement of such plans and specifications is waived in writing by Lessor and Division in their reasonable discretion. If neither Lessor nor Division has notified Lessee of Lessor's and Division's approval or denial of a request for consent to a Major Alteration within thirty (30) days after receipt of such information as is necessary to describe the Major Alteration in reasonable detail, Lessor and Division shall be deemed to have approved the request.

(b) A "Major Alteration" is any alteration or other change to the Leased Premises: (i) which is structural in nature; (ii) which would materially change the Leased Premises exterior appearance or structure limit line, (iii) which would materially change or affect the electrical, mechanical, heating, ventilating and air conditioning or utilities systems or routing servicing of the Leased Premises, or (v) which is estimated in good faith to cost in excess of \$125,000.00. Unless otherwise specifically provided herein, all alterations and improvements to the Leased Premises, including, but not limited to, Major Alterations, (collectively, "Improvements") shall be performed by Lessee, at no cost or expense to Lessor. All Improvements shall be made in accordance with La. R.S. 17:3361, et seq. Such Improvements shall not reduce the then fair market value of the Leased Premises, and shall not adversely impact the structural integrity of the Leased Premises. Approval by Lessor and/or Division of any Major Alterations shall not constitute any warranty by Lessor or Division to Lessee of the adequacy of the design for Lessee's intended use of the Leased Premises. All work performed for or by Lessee shall be subject to and in accordance with all federal, state, parish and city building and/or fire department codes and ordinances. Any required alterations performed in connection with such Improvements to meet said codes and ordinances shall be performed by Lessee, at Lessee's expense. All work shall be performed for or by Lessee in a good and workmanlike manner, and Lessee shall prosecute the same to completion with reasonable diligence. Lessee shall complete all Improvements so as not to create any liens or encumbrances against the Leased Premises or Lessee's leasehold interest or any of Lessor's property, and Lessee shall furnish: (i) a clear lien certificate for any Major Improvements to the Leased Premises; or (ii) any other evidence thereof with respect to any Improvements to the Leased Premises which are not Major Improvements.

(c) Before the commencement of any work in excess of One Million Dollars (\$1,000,000.00) for construction of Improvements, Lessee shall supply Lessor with appropriate Performance and Payment Bonds. These bonds are at Lessee's expense and shall be issued in a form satisfactory to Lessor and in such a manner as to protect the Lessor's interest in the Leased Premises. Any requirement of this Section 5.1(c) may be waived with the consent of Lessor and Division.

Section 5.2 Cost of Lessee's Improvements. Lessee shall be solely responsible for the costs of all Improvements to the Leased Premises undertaken by Lessee pursuant to Section 5.1. Following completion of the Improvements, Lessee shall provide to Lessor a lien waiver from Lessee's contractor covering the cost of work, materials and equipment supplied by the contractor and all subcontractors and materialmen. All Improvements made to the Leased Premises by Lessee shall become and remain the property of Lessor at the termination of the Lease without any cost to Lessor. Notwithstanding the foregoing, if Lessee performs a Major Alteration without obtaining Lessor's and Division's consent (or deemed consent as set forth above), in addition to any other remedy available for such violation, Lessor may, at its option, by written notice to Lessee require that Lessee remove the Major Alteration specified in such notice and return the Leased Premises to their condition prior to the unauthorized performance of the Major Alteration. If Lessee fails to remove such a Major Alteration and restore the Leased Premises to its original condition within sixty (60) days of the above-described written notice, or if such removal and restoration cannot be completed in sixty (60) days, and Lessee does not commence such removal and restoration within sixty (60) days and perform the removal and restoration diligently to completion, Lessee shall promptly reimburse, as Additional Rent, the Lessor for any expense that Lessor incurs in performing such removal and restoration. Pursuant

to an Equipment Lease between Lessor and Lessee of even date herewith, Lessor is leasing to Lessee certain equipment and other movable property located at the Leased Premises. Lessee shall pay the cost for any additional personal property, fixtures, equipment, furniture and other unattached items of personal property which Lessee may place in the Leased Premises including, but not limited to, counters, shelving, showcases, chairs and other unattached movable machinery, equipment and inventory (collectively, "Personal Property"), and the Personal Property shall be and remain the property of Lessee and may be removed by Lessee at any time or times prior to the expiration of the Term; provided, however, that Lessee shall repair any damage to the Leased Premises caused by such removal.

ARTICLE VI.
OPERATION, MAINTENANCE, REPAIR, SECURITY AND OTHER SERVICES

Section 6.1 **Operation.** Lessee shall be responsible to procure and maintain all services and equipment necessary or required for its use of the Leased Premises.

Section 6.2 **Use.** Lessee shall procure and maintain all licenses, permits and accreditation (if any) required for its use of the Leased Premises.

Section 6.3 **Maintenance and Repair**

(a) Lessee shall, at its sole cost and expense during the Term, maintain the Leased Premises, including all fixtures located therein, and make and perform all maintenance, repairs, restorations, and replacements to the Leased Premises, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, telephone, cable and other utility lines, plumbing, fire, sprinkler and security systems, computer service, air and water pollution control and waste disposal facilities, roof, structural walls, sewer lines, including any septic tank and effluent disposal system that may be necessary, and foundations, fixtures, equipment, and appurtenances to the Leased Premises as and when needed to maintain them in as

good a working condition and repair (ordinary wear and tear excepted) as existed as of the Commencement Date, regardless of whether such maintenance, repairs, restorations or replacements are ordinary or extraordinary, routine or major, foreseeable or unforeseeable, or are at the fault of Lessee, Lessor or some other party, and regardless of by whom such items were placed in the Leased Premises. All maintenance, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Leased Premises. If Lessee fails to commence such maintenance, repairs, restoration, or replacements, within 60 days of receipt of Lessor's notice that such maintenance repairs, restoration, or replacements are necessary (or within such longer period of time as may reasonably be required to commence such work), Lessor may (but shall not be obligated to) make or cause to be made such repairs, restoration, and replacements, at the expense of Lessee, and shall be entitled to collect the same from Lessee as Additional Rental due hereunder within 30 days of written demand by the Lessor.

(b) It is understood and agreed that Lessor shall have no obligation to incur any expense of any kind or character in connection with the maintenance, repair, restoration or replacement of the Leased Premises during the Term. Lessor shall not be required at any time to make any improvements, alterations, changes, additions, repairs or replacements of any nature whatsoever in or to the Leased Premises, or maintain the Leased Premises in any respect whatsoever, whether at the expense of Lessor, Lessee, or otherwise. Notwithstanding the foregoing, Lessor and Lessee acknowledge that Division has contracted for and will complete, at Division's sole cost and expense, surgical core renovations and waterline damage repair to the Ambulatory Surgical facility

(c) Lessee agrees that all Improvements to the Leased Premises constructed

by the Lessee pursuant to this Lease shall comply with the requirements of Title 40, Part V, of the Louisiana Revised Statutes, "EQUAL ACCESS TO GOVERNMENTAL AND PUBLIC FACILITIES FOR PHYSICALLY HANDICAPPED," more specifically, sections La. R.S. 40:1731 through 40:1744, and any new or modified requirements imposed to make the Leased Premises accessible to persons with disabilities as would be applicable to LSU or to a state agency.

(d) Lessee further agrees to make, at its own expense, all changes and additions to the Leased Premises required by reason of any change in Law that occurs after the Commencement Date (subject to obtaining any Lessor approvals that may be required by this Lease), including the furnishing of required sanitary facilities and fire protection facilities, and Lessee shall furnish and maintain all fire extinguishers and other equipment or devices necessary to comply with the order of the Louisiana State Fire Marshal; provided however, that in the event of any Major Alterations to the Leased Premises, the written consent of the Lessor must be obtained prior to the commencement of any work in accordance with Section 5.1 hereof. Lessee shall further be responsible for all costs associated with any required periodic inspections and servicing of fire extinguishers and other safety equipment or devices, or any licenses or permits required by the State Fire Marshal's office. At no expense to Lessor, Lessee agrees to comply with any order issued during the Term by the State Fire Marshal's Office within the timeframe mandated by that Office.

(e) Lessee accepts the Leased Premises in its "as is" condition, that being the condition or state in which the Leased Premises exist at the effective date of this Lease, without representation or warranty, express or implied, in fact or in Law, oral or written, by Lessor, except as set forth in Section 6.3(h) herein below. Lessor agrees to preserve all available

warranties of workmanship related to the Leased Premises and agrees to exercise its rights with respect to all such warranties with reasonable diligence following receipt of written request from Lessee.

(f) Lessee further agrees to do at no expense to Lessor, painting of the exterior and interior as applicable and as necessary to maintain the Leased Premises in a neat, clean, safe, sanitary and habitable condition.

(g) Lessee shall have the sole responsibility of all maintenance and repairs to all equipment operational at the time of occupancy, to the extent needed for its use of the Leased Premises or to the extent necessary to preserve and protect the Leased Premises, including but not limited to boilers, elevators, HVAC, fire panels, lock and security systems and the Public Address System, and shall ensure that all such equipment is properly maintained in clean, safe, and continues in an operable condition. Lessee shall be responsible for all routine preventative maintenance and repairs on all such operational equipment, including but not limited to, the HVAC systems, provided, that any such routine preventative maintenance and repairs shall be performed in accordance with manufacturer recommended schedules and be performed by an authorized maintenance/repair contractor. Lessee shall be responsible for ensuring that all necessary certification is maintained on any and all such equipment and machinery, including, but not limited to, certification required by the State Fire Marshal and the Department of Health and Hospitals.

(h) Furthermore, Lessee shall comply with the standard outlined in Exhibit "B" attached hereto. Lessee may propose alternative equivalent maintenance standards for approval by Lessor within forty-five (45) days of execution of this Lease. Lessor, to the best of its knowledge and belief, has maintained the Leased Premises in accordance with the standards

set forth on Exhibit "B" hereto.

Section 6.4 Security and Other Services. Lessee shall provide or cause to be provided all security service, custodial service, janitorial service, medical waste disposal, trash disposal, pest control services and all other services necessary for the proper upkeep and maintenance of the Leased Premises. Lessee acknowledges that Lessor has made no representation or warranty with respect to systems and/or procedures for the security of the Leased Premises; any persons occupying, using or entering the Leased Premises; or any equipment, finishing, or contents of the Leased Premises. It is the sole responsibility of Lessee to provide for the security of persons on or entering the Leased Premises and/or property located at the Leased Premises, in accordance with reasonable and prudent business practices utilized for similar facilities.

ARTICLE VII. UTILITIES

Lessee shall arrange and pay for the furnishing of all utilities which are used or consumed in or upon or in connection with the Leased Premises during the Term, including without limitation water, gas, electricity, medical gases, sewerage, garbage, or trash removal, light, heat, cable, internet and telephone, power, and other utilities necessary for the operation of the Leased Premises ("Utility Service"), and all Utility Service shall be obtained in or transferred to Lessee's name as of the Commencement Date through the end of the Term. Such payments shall be made by Lessee directly to the respective utility companies furnishing such Utility Services under such contract or contracts therefor as Lessee may make. Lessor shall have no responsibility to Lessee for the quality or availability of Utility Service to the Leased Premises, or for the cost to procure Utility Service. Lessor shall not be in default under this Lease or be liable to Lessee or any other person for any direct, indirect or consequential damage, or otherwise, for any failure in supply of

any Utility Service by the provider of any Utility Service of heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity. All future telephone lines which are an addition to those already present shall be installed at the expense of the Lessee. Lessee shall be responsible for providing entrance cable and facilities into the building(s) to the extent not in place as of the Commencement Date to accommodate the telephone, computer and other electronic needs of the Leased Premises. Conduits of sufficient size to meet future or additional installation requirements of Lessee will be provided by Lessee.

ARTICLE VIII. INSURANCE

Section 8.1 Lessee Responsibility for Insurance Coverage. Lessee shall secure and maintain or cause to be secured and maintained at its sole cost and expense:

(i) Special form (formerly known as “all risk”) property insurance, which insurance shall be in an amount not less than one hundred percent (100%) of the full replacement cost of the buildings and improvements on the Leased Premises, without deduction for depreciation.

(ii) A policy of commercial general liability insurance with respect to the Leased Premises and Lessee’s operations related thereto, whether conducted on or off the Leased Premises, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$5,000,000 combined single limit per occurrence. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability and water damage legal liability.

(iii) A policy of motor vehicle liability insurance for all owned and non-owned vehicles, including rented or leased vehicles with coverage of not less than \$5,000,000 combined single limit per occurrence.

(iv) With respect to work to construct Improvements undertaken by Lessee on the Leased Premises, a policy protecting Lessor against damage caused by demolition, pile or any precarious work, which requirement may be satisfied, at Lessee’s option, as a part of a Builder’s Risk policy provided by the contractor for a particular construction project.

(v) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus now or hereafter installed on the Leased Premises, in an amount not less than \$5,000,000 with deductible provisions reasonably acceptable to Lessor.

(vi) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State of Louisiana, or any act hereafter enacted as an amendment thereto or in lieu thereof, sufficient to cover all persons employed by Lessee in connection with its use of the Leased Premises.

(vii) Pursuant to the provisions of La. R.S. 40:1299.39, et seq., medical malpractice liability insurance insuring claims arising out of malpractice or negligence occurring at or related to the Leased Premises in an amount not less than \$1,000,000; provided, however, the coverage will be increased to limits reasonably acceptable to Lessor and Lessee if Louisiana law limiting the amount of such Claims is repealed or amended to raise the limits on such Claims.

Section 8.2 Additional Requirements.

(a) All insurance required in this Section and all renewals of such insurance shall be issued by companies authorized to transact business in the State of Louisiana, and rated at least A- Class VIII by Best's Insurance Reports or as approved by Lessor (such approval not to be unreasonably withheld or delayed). All insurance policies provided by Lessee shall expressly provide that the policies shall not be canceled or materially altered without 30 days' prior written notice to Lessor. Lessee may satisfy its obligation under this Section by appropriate endorsements of its blanket or excess insurance policies.

(b) All policies of liability insurance Lessee maintains according to this Lease will name Lessor, its board members, officers, employees and agents, and such other persons or firms as Lessor reasonably specifies from time to time as additional insureds ("LSU Insured Parties"), and Lessor shall also be named as a loss payee on any property damage insurance.

(c) Lessor reserves the right to reasonably request copies of original policies (together with copies of the endorsements naming Lessor, and any others reasonably specified by Lessor, as additional insureds). Certificates of insurance and the declaration page for each policy shall be delivered to Lessor upon occupancy of the Leased Premises and, if requested by Lessor, from time to time at least 30 days prior to the expiration of the term of each policy. All insurance

required hereby shall provide that any failure of Lessee to comply with reporting requirement of a policy required hereby shall not affect coverage provided to the LSU Insured Parties.

(d) All liability policies maintained by Lessee pursuant to this Lease shall be written as primary policies, not contributing with and not in excess of coverage that Lessor may carry, if any.

(e) All insurance required hereby shall provide that the insurance companies issuing such required policies shall have no recourse against LSU for payment of premiums or for assessments under any form of the policies.

(f) The coverage required hereunder shall contain no special limitations on the scope of protection afforded to the LSU Insured Parties.

(g) All insurance required hereunder shall be occurrence coverage. Claims-made policies are not allowed.

(h) Any deductibles or self-insured retentions must be declared to Lessor. Lessee shall be responsible for deductibles and self-insured retentions.

Section 8.3 Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Leased Premises due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion, terrorist attack or otherwise (collectively "Casualty"); or by the taking of all or any portion of the Leased Premises by condemnation, expropriation, or eminent domain proceedings (collectively "Expropriation") is expressly assumed by Lessee. None of the forgoing events shall entitle Lessee to any abatements, set-offs or counter claims with respect to payment of its Rent, or any other obligation hereunder, except as specifically set forth below. Notwithstanding anything else in this Lease to the contrary, Lessor is not obligated

to restore, replace or repair any damage to the Leased Premises or to Lessee's fixtures, furniture, equipment or other personal property or make any alterations, additions, or improvements to the Leased Premises caused as a result of a Casualty.

Section 8.4 Restoration Obligations. If all or any portion of the Leased Premises is damaged or destroyed by a Casualty, Lessee shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof, at Lessee's sole cost and expense. Lessee may opt to demolish the damaged or destroyed buildings and construct new replacement buildings or other improvements under the procedures described above in Article V, and in accordance with La. R.S. 38:2212.2; provided, however, that Lessee shall obtain approval of the Lessor prior to demolishing any building that existed on the Leased Premises when the Lease commenced. Lessor shall not unreasonably withhold its consent to the demolition. Notwithstanding the foregoing, in the event of a Casualty that results in a loss in excess of fifty (50%) percent of the replacement value of the Leased Premises and that has a material, adverse impact on Lessee's ability to operate the Leased Premises for the Permitted Use, Lessee may elect to terminate this Lease by providing written notice of such termination to Lessor no later than ninety (90) days following such Casualty, in which event Lessee shall have no obligation to restore or demolish the Leased Premises, but Lessor shall be entitled to receipt of the proceeds of Lessee's property insurance coverage payable as a result of such Casualty; provided, however, if this Lease is terminated or expires by its terms prior to the termination or expiration of the term of the CEA, Lessee shall continue to provide, or cause to be provided, substantially similar services as Lessee had provided in the Leased Premises in accordance with the specific requirements set forth in the CEA.

In the event Lessee is unable to repair, restore or replace the Leased Premises for any

reason, all insurance proceeds received or payable as a result of such Casualty shall be paid to Lessor and shall be retained by Lessor.

Section 8.5 Compensation Award. If the entire Leased Premises shall be taken by Expropriation, this Lease shall terminate as of the date of such taking, in which event, Lessor shall retain all compensation awarded or paid upon any such taking of the Leased Premises. If any part of the Leased Premises shall be taken by Expropriation, rendering the remaining portion unsuitable for the business of Lessee, Lessee shall have the option to terminate the Lease. If the Lease is not terminated as provided in this Section 8.5, then the Rent shall be abated for the balance of the Term remaining in proportion to the portion of the Leased Premises so taken, unless Lessor, at its sole option, restores the remaining portion of the Leased Premises to a complete architectural unit of substantially like quality and character as existed prior to such taking or conveyance. Notwithstanding anything to the contrary contained herein, all compensation awarded or paid upon a total or partial taking of the Leased Premises shall belong to and be the property of Lessor without any participation by Lessee, except that Lessee shall have the right to receive and shall be paid a portion of the award to the extent of the unamortized cost of Lessee's leasehold improvements. Lessee shall provide all evidence and documentation to support such allocation at its sole cost and expense. If a separate award can be made to Lessee, Lessee shall have the right to enter a separate claim against the condemning authority, in which event Lessee shall not participate in Lessor's award.

ARTICLE IX. HAZARDOUS MATERIALS

Section 9.1 Hazardous Materials.

(a) Subsequent to the effective date of this Lease, Lessee shall not allow, cause or permit any Hazardous Materials (as defined below) to be generated, maintained,

processed, produced, manufactured, used, treated, released, stored, but not including materials existing in or about the Leased Premises prior to the effective date hereof, or disposed of in or about the Leased Premises by Lessee or its officers, directors, employees, agents, invitees or sub-lessees, other than those Hazardous Materials usually and customarily used for the Permitted Use, as long as such materials are lawfully stored and used by Lessee and the quantity of such materials does not equal or exceed a "reportable quantity" as defined in 40 CFR §§ 302 and 305, and as may be amended, and so long as such Hazardous Materials are generated, maintained, processed, produced, manufactured, used, treated, released, stored or remediated or disposed of in compliance with all Laws applicable thereto. In no event shall Lessee cause the deposit, release, or discharge of any Hazardous Materials to the soil or groundwater of the Leased Premises in violation of applicable Law subsequent to the effective date of this Lease.

(b) In the event that Lessee causes any violation of applicable Law with regard to Hazardous Materials at the Leased Premises, Lessor shall have the right to reasonably require that Lessee engage, at Lessee's expense, a contractor to remediate or dispose of, in accordance with Law, all Hazardous Materials used, stored, generated or disposed of on the Leased Premises subsequent to the effective date hereof. For purposes of this Lease, 'Hazardous Material' means and includes any hazardous substance or any pollutant or contaminant defined as such in (or for purposes of) the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, any so-called "Superfund" or "Superlien" law, the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., or any other Law regulating, relating to, or imposing liability or standards of conduct concerning, any hazardous, toxic or dangerous waste, substance or material, as may now or at any time in the future be in effect, or any other hazardous, toxic or dangerous, waste, substance or material.

(c) Lessee shall promptly notify Lessor in writing, if Lessee has or acquires notice or knowledge that any Hazardous Material has been or is threatened to be released, discharged, disposed of, transported, or stored on, in, under, or from the Leased Premises in violation of the Law during the Term. Lessee shall promptly notify Lessor, and provide copies following receipt of all written complaints, claims, citations, demands, inquiries, or notices relating to the violation or alleged violation at the Leased Premises during the Term of any Laws pertaining to Hazardous Materials. Lessee shall promptly deliver to Lessor copies of all notices, reports, correspondence and submissions made by Lessee to the United States Environmental Protection Agency (EPA), the United States Occupational Safety and Health Administration (OSHA), the Louisiana Department of Environmental Quality (DEQ), the Louisiana Department of Health and Hospitals (DHH), or any other Governmental Authority concerning the violation or alleged violation at the Leased Premises during the Term of any Laws pertaining to Hazardous Materials.

(d) Lessee agrees to indemnify, defend (with counsel reasonably acceptable to Lessor at Lessee's sole cost) and hold Lessor, its employees, contractors, and agents harmless from and against all environmental liabilities and costs, liabilities and obligations, penalties, claims, litigation, demands, defenses, costs, judgments, suits, proceedings, damages (including consequential damages; however, Lessee shall not indemnify for consequential damages on claims brought by Lessor, or Lessor's employees), disbursements or expenses of any kind (including attorneys' and experts' fees and fees and expenses incurred in investigating, defending, or prosecuting any litigation, claim, or proceeding) that may at any time be imposed upon, incurred by or asserted or awarded against Lessor or any of them in connection with or arising from or out of Lessee's violation of any of its obligations set forth in Section 9.1(a) above.

(e) Lessee agrees to indemnify, defend (with counsel reasonably acceptable to Division at Lessee's sole cost) and hold Division and their employees, contractors, and agents harmless from and against all environmental liabilities and costs, liabilities and obligations, penalties, claims, litigation, demands, defenses, costs, judgments, suits, proceedings, damages (including consequential damages; however, Lessee shall not indemnify for consequential damages on claims brought by Division or Division's employees), disbursements or expenses of any kind (including attorneys' and experts' fees and fees and expenses incurred in investigating, defending, or prosecuting any litigation, claim, or proceeding) that may at any time be imposed upon, incurred by or asserted or awarded against Division or any of them in connection with or arising from or out of Lessee's violation of any of its obligations set forth in Section 9.1(a) above.

(f) Nothing herein shall require Lessee to indemnify, defend and hold harmless the Lessor, its employees, contractors or agents for any environmental liability arising from any Hazardous Materials which were present on the Leased Premises prior to the execution of this Lease.

(g) The provisions of this Section will survive the expiration or earlier termination of this Lease for a period of five (5) years.

ARTICLE X. INDEMNIFICATION

Section 10.1 Lessee's Indemnification to Lessor. Lessee shall indemnify, defend and hold harmless Lessor and its board members, officers and employees, together with any of their respective successors and assigns (collectively, the "**Lessor Indemnitees**"), against any and all loss, cost, damage, liability or expense as incurred (including but not limited to actual attorneys' fees and legal costs) arising out of or related to any claim, suit or judgment brought by or in favor of any person or persons for damage, loss or expense due to, but not limited to, bodily

injury, including death, or property damage sustained by such person or persons which arises out of, is occasioned by or is attributable to Lessee's use of, and/or activities on, the Leased Premises by Lessee, its officers, agents, employees, invitees, permittees, contractors, or subcontractors. Lessee shall further indemnify, defend and hold harmless the Lessor Indemnitees from any and all claims, demands, litigation or governmental action involving the presence or suspected presence of Hazardous Materials on or in the Leased Premises and any violation of any Law, but solely to the extent any of the foregoing is due to the acts of Lessee, its officers, agents, employees, invitees, permittees, contractors or subcontractors, occurring after the Commencement Date.

All the foregoing indemnification provisions shall apply to Permitted Uses, as well as uses that are not permitted under this Lease.

Notwithstanding any provision to the contrary contained in this Lease, Lessor acknowledges that the Lessee's obligation to indemnify and hold any Lessor Indemnitees harmless under this Article shall not extend to any loss, damages or other claims to the extent arising out of the negligence or willful misconduct of any Lessor Indemnitees.

Section 10.2 Lessee's Indemnification to Division. Lessee shall indemnify, defend and hold harmless Division and its officers and employees, together with any of their respective successors and assigns (collectively, the "**Division Indemnitees**"), against any and all loss, cost, damage, liability or expense as incurred (including but not limited to actual attorneys' fees and legal costs) arising out of or related to any claim, suit or judgment brought by or in favor of any person or persons for damage, loss or expense due to, but not limited to, bodily injury, including death, or property damage sustained by such person or persons which arises out of, is occasioned by or is attributable to Lessee's use of, and/or activities on, the Leased Premises by Lessee, its

officers, agents, employees, invitees, permittees, contractors, or subcontractors. Lessee shall further indemnify, defend and hold harmless the Division Indemnitees from any and all claims, demands, litigation or governmental action involving the presence or suspected presence of Hazardous Materials on or in the Leased Premises and any violation of any Law, but solely to the extent any of the foregoing is due to the acts of Lessee, its officers, agents, employees, invitees, permittees, contractors or subcontractors, occurring after the Commencement Date.

All the foregoing indemnification provisions shall apply to Permitted Uses, as well as uses that are not permitted under this Lease.

Notwithstanding any provision to the contrary contained in this Lease, Division acknowledges that the Lessee's obligation to indemnify and hold any Division Indemnitees harmless under this Article shall not extend to any loss, damages or other claims to the extent arising out of the negligence or willful misconduct of any Division Indemnitees.

Section 10.3 Lessor's Indemnification. To the extent authorized by Law, Lessor will indemnify, defend and hold harmless Lessee and its officers, agents and employees, together with any of their respective successors and assigns, from and against any claims, liabilities, damages, costs, penalties, forfeitures, losses or expenses (including but not limited to actual attorneys' fees and legal costs) resulting from any injury, loss or damage to persons or property arising out of the negligence or willful misconduct of Lessor, its board members, officers or employees.

Section 10.4 Division's Indemnification. To the extent authorized by Law, Division will indemnify, defend and hold harmless Lessee and its officers, agents and employees, together with any of their respective successors and assigns, from and against any claims, liabilities, damages, costs, penalties, forfeitures, losses or expenses (including but not limited to actual

attorneys' fees and legal costs) resulting from any injury, loss or damage to persons or property arising out of the negligence or willful misconduct of Division, its board members, officers or employees.

**ARTICLE XI.

Section 11.1 Payment of Taxes. Lessee shall collect (as applicable) and pay to the appropriate collecting authorities all federal, state and local taxes and fees, which accrue during the Term on or against or with respect to the Leased Premises, Lessee's Improvements, or the business conducted by Lessee on the Leased Premises.

Section 11.2 Licenses. Lessee shall maintain in effect all federal, state and local licenses and permits required for the operation of the business conducted by Lessee on the Leased Premises.

**ARTICLE XII.
DEFAULT BY LESSEE**

Section 12.1 Default. Each of the following shall be an Event of Default by Lessee (herein "Lessee Event of Default") under the terms of this Lease:

(a) Failure by Lessee to pay Rent to Lessor on the date on which this payment is due under this Lease, and this failure shall not be cured within five (5) business days after said Rent is due; provided, however, that Lessor shall provide written notice and a five (5) business day right to cure for failure to pay rent, but Lessee shall only be entitled to one (1) late payment notice per year under this Section 12.1(a), and provided further that a Lessee Event of Default shall automatically occur if Lessee fails to pay Quarterly Rent to Lessor on the date on which payment is due under this Lease for a second time in any calendar year in which a written notice of late payment has been delivered, or deemed delivered, to Lessee under this Lease.

(b) Failure to obtain and maintain all insurance as required under this Lease

and/or to furnish to Lessor evidence thereof and/or evidence of payment thereof, if the failure is not cured within two (2) business days after delivery of written notice to Lessee of such violation.

(c) A court Order for relief in any involuntary case commenced against Lessee, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, and said Order is not vacated within 120 days, or the entry of a decree or order by a court having jurisdiction appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of, or for Lessee or a substantial part of the properties of Lessee or order winding up or liquidation of the affairs of Lessee, and the continuance of any such decree or order unstayed and in effect for 120 consecutive days.

(d) Commencement by Lessee of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted.

(e) Failure to comply with any of the obligations of this Lease (other than payment of Rent or obtaining and maintaining insurance) if the failure is not cured within sixty (60) days after delivery of written notice to Lessee of such Lease violation or such longer period of time as may reasonably be required for Lessee to cure the violation, provided that Lessee pursues the cure of the violation with reasonable diligence..

In addition to any other remedies provided by Law and except as otherwise provided herein, Lessor may, but shall not be obligated to, terminate this Lease during the continuance of a Lessee Event of Default, provided that in addition to the notice and cure period set forth above, Lessee also is given, in writing, notice specifying Lessee's failure and Lessee fails to correct the alleged failure within thirty (30) days following receipt of such additional notice specifying the failure.

**ARTICLE XIII.
DEFAULT BY LESSOR**

Section 13.1 Default. A default by Lessor (herein “Lessor Event of Default”) will occur under this Lease if Lessor fails to perform any of its obligations or covenants under this Lease, and such failure is not cured within thirty (30) business days after Lessor’s receipt of written notice from Lessee of this failure; however, no Lessor Event of Default will occur if Lessor begins to cure this failure within thirty (30) business days after its receipt of this notice and continues this cure with reasonable diligence for such period as is reasonably necessary to cure the failure.

Each party shall promptly inform all other parties in accordance with the Notice procedures set forth above of any changes in personnel or address for the purpose of sending required notices.

ARTICLE XV. MISCELLANEOUS

Section 15.1 Lessor's Right to Enter Property. Lessor reserves the right to enter the Leased Premises at any time to inspect the property, as long as Lessor's inspection does not unreasonably interfere with the operation of the proper function of the Lessee's business. Lessor

shall attempt to provide Lessee with reasonable advance notice of its intent to inspect the Leased Premises, unless notice is impossible or impractical. Lessee shall have the right to have a representative accompany Lessor during such entry and inspection. Lessee shall not deny Lessor access to the Leased Premises.

Section 15.2 Relationship of Parties. Nothing contained herein shall be deemed or construed by the parties, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties. It is understood and agreed that no provision contained herein nor any employees, agents, members or shareholders of the parties hereto creates a relationship other than the relationship between Lessor and Lessee as lessor and lessee or as described in the CEA. In no event shall Lessee's officers, directors, employees or agents be liable for any of the obligations of Lessee hereunder.

Section 15.3 Waiver. The Lessor and Lessee agree that either party's failure to insist on strict performance of any term or condition of this Lease shall not constitute a waiver of that term or condition, even if the party accepting or acquiescing in the non-conforming performance knows of the nature of the performance and fails to object to it. No waiver or breach shall affect or alter this Lease but each of the terms of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. No waiver of any default hereunder by either party shall be implied from any omission by the non-defaulting party to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver for the time and to the extent therein stated. One or more waivers shall not be construed as a waiver of a subsequent breach of the same covenant, term, or condition.

Section 15.4 Lessor's Consent. In any instance in which a party's consent or approval is required under this Lease, then, unless specifically stated otherwise in such provision, such party agrees not to unreasonably withhold, delay or condition such consent or approval.

Section 15.5 Severability. The provisions of this Lease are severable. Any terms and/or conditions that are deemed illegal, invalid or unenforceable shall not affect any other term or condition of the Lease or the CEA.

Section 15.6 Recordation of Lease. It shall be the responsibility of Lessee to prepare an extract of the Lease, which each party agrees to execute to record in the Office of the Parish Recorder of the Parish of East Baton Rouge. The form of the Extract of Lease agreement shall require the approval of Lessor. Lessee shall provide Lessor with a certified copy of the recorded Extract of Lease. Recordation of the Extract of Lease shall be at Lessee's expense.

Section 15.7 Successors and Assigns. This Lease shall be binding on and will inure to the benefit of the parties to this Lease and their respective successors and assigns, provided any such assignment was made in a manner consistent with terms of this Lease.

Section 15.8 Counterparts. This Lease may be executed in duplicate counterparts, each of which shall be deemed an original, but all of which together will constitute only one agreement.

Section 15.9 Entire Agreement. This Lease, together with all exhibits attached hereto, sets forth the entire agreement of the parties with respect to the matters set forth herein, and no verbal commitments, except those reduced to writing in this Lease, have any binding effect. Any amendments to this Lease must be reduced to writing and signed by both parties.

Section 15.10 Choice of Law. This Lease shall be construed under and in accordance with the Laws of the State of Louisiana, and, in the event of a court proceeding, any such proceeding shall be filed in the Louisiana Nineteenth Judicial District Court.

Section 15.11 Authorized Representatives of the Parties. In any instance in which the approval or consent of a party is required, it shall be given on behalf of Lessor by the President of the LSU System or his successor or designee, and on behalf of Lessee by any duly authorized representative of Lessee.

Section 15.12 Appropriation of Funds. All State, Division and Lessor obligations under this Lease to make payments of any kind in future year, shall be subject to appropriation by the Louisiana Legislature of sufficient funds therefor and the availability of funds following Legislative appropriation; provided, however, and notwithstanding anything to the contrary contained herein or in the CEA, any and all obligations of the Division and/or Lessor pursuant to Section 2.2 of this Lease to refund prepaid Rent shall be subject to, and contingent upon, appropriation by the Louisiana Legislature of sufficient funds specifically and expressly appropriated for refunding of such sums to OLOL (the "OLOL Appropriation"), and any such obligation by any obligor is limited only to the portion of said OLOL Appropriation which said obligor receives. In the event that OLOL is due a refund of prepaid Rent pursuant to the provisions of Section 2.2 and this Section 15.12, the State, the Division and Lessor agree to make good faith best efforts to seek specific appropriation for such refund by the Louisiana Legislature, and the Division and/or Lessor shall include in one or more of their annual budget requests, a request for the appropriation of funds for the purpose of making such refund of prepaid Rent to OLOL pursuant to this Lease.
